Recommendation to authorize the General Manager to execute an agreement with Tetra Tech, Inc., to provide Engineering Design Services for the Groundwater Treatment Plant Filter Gallery Valve Rehabilitation Project (EO-3529), in an amount not-to-exceed \$277,282

BUREAU: Engineering

The cost to the Water Fund will be incurred during FY20 thru FY23 with the actual annual amounts unknown at this time. The total amount will not exceed the contract total of \$277,282.00. These costs are unbudgeted in the Water Fund. However, it is expected that these costs can be absorbed within the Water Fund using projected savings within the Fund.

Approve recommendation.
