(Citywide)

City Council approval is requested to enter into contracts with nine vendors for as-needed labor compliance monitoring services. Services provided are used to fulfill the requirement for prevailing wage compliance monitoring for public work improvement contracts awarded by the City, as necessary.

The City of Long Beach (City), in accordance with Section 3 of the Federal Housing and Urban Development (HUD) Act of 1968, requires compliance monitoring on all construction projects funded by HUD Section 3. Additionally, the City is required to monitor labor

compliance for all federally-funded construction projects, including Disadvantage Business Enterprises (DBEs) and those covered by the Davis-Bacon Act Wage rates on projects not funded by the federal government. The Labor Compliance Division in the Financial Management Department is responsible for the coordination and administrative oversight of all public work improvement labor compliance monitoring. Services provided by the selected firms will assist the City with ensuring conformity with labor-related regulations and in providing data relative to local hiring provisions.

The Request for Proposals (RFP) was advertised in the Long Beach Press-Telegram on January 5, 2020, and 66 potential proposers specializing in labor compliance monitoring services were notified of the RFP opportunity. Of those proposers, 57 downloaded the RFP via the City's electronic bidding system. The RFP document was made available from the Purchasing Division, located on the sixth floor of City Hall, and the Division's website at [www.longbeach.gov/purchasing](http://www.longbeach.gov/purchasing). A RFP announcement was also included in the Purchasing Division's weekly update of Open Bid Opportunities, which is sent to 35 local, minority-owned, and women-owned business groups. Sixteen proposals were received on February 19, 2020. Of those proposers, nine were Minority-owned Business Enterprises (MBEs), four were Women-owned Business Enterprises (WBEs), six were certified Small Business Enterprises (SBEs), and one was a Long Beach business (Local).

A selection committee, comprised of representatives from the Departments of Financial Management and Public Works, determined that the proposed nine firms listed below were the most responsive to the terms of the RFP and will provide the best value for the City's needs for providing labor compliance monitoring services.

- Alliant Consulting, of San Diego, CA (MBE/WBE)
- Comprehensive Housing Services, Inc., of Fountain Valley, CA (SBE)
- GCAP Services, Inc., of Costa Mesa, CA (SBE/MBE)
