Recommendation to approve the Magnolia Industrial Group Property and Business Improvement District Annual Report continuing the property assessment for the period of January 1, 2021 through December 31, 2021, automatically extending the current agreement with the Magnolia Industrial Group, Inc., for a one-year period; and, authorize payment of \$1,715 in City property assessments from the General Fund Group in the Public Works Department. (District 1)

The Magnolia Industrial Group Property and Business Improvement District (MIGPBID) was initially established by the City Council in 1996 for a three-year period. On July 20, 1999, the City Council re-established the MIGPBID for an additional five years. On July 23, 2013, following a majority vote of the property owners, the City Council again re-established the MIGPBID for an additional ten-year term. The City of Long Beach (City) contracts with Magnolia Industrial Group, Inc. (MIG), to manage the MIGPBID and the MIG Board of Directors serve as the Advisory Board to the City Council on matters related to the MIGPBID. MIG utilizes the MIGPBID funding to provide enhanced security and maintenance, above and beyond the services provided by the City.

State law governing Property and Business Improvement Districts requires that an annual report be submitted to the City Council by the MIG Board of Directors. The attached MIGPBID 2020-2021 Annual Report (Annual Report) describes the boundaries, proposed activities, and budgetary information, as well as the method and basis for continuation of the assessment. The Annual Report proposes no change to the MIGPBID boundaries, the method of assessment, and no significant change to the proposed activities.

The Annual Report, transmitting the recommendations of the Advisory Board, proposes the

following assessment rates:

Method of Assessment

The following method is used to determine the 2020-2021 assessment:

- Zone 1 includes all properties under or equal to 20,000 square feet. The annual assessment amount is a flat \$857.51 per property owner.
- Zone 2 includes all properties over 20,000 square feet. The annual assessment amount is \$857.51 + \$0.0154340 for each square-foot over 20,000. When the computed assessment is greater than \$1,715.02, the excess is eliminated, and the assessment is reduced to \$1,715.02.

Using this formula, no property owner will be assessed less than \$857.51 or more than \$1,715.02 in 2020-2021. This equates to approximately \$71.45 and \$142.92 per month.

This matter was reviewed by Deputy City Attorney Amy R. Webber on January 6, 2021 and by Budget Management Officer Rhutu Amin Gharib on January 13, 2021.

City Council action is requested on February 2, 2021, so that FY 21 assessment transfers may be made as required by the Agreement for Funding with MIG.

It is estimated that the MIGPBID will generate \$102,650 in FY 21 through the proposed continuation of the assessment. Assessment funds are collected through additional fees attached to property owner assessment payments in the MIGPBID area. All revenues are distributed directly to MIG for implementation of annual programs.

The total for City-owned parcels within the MIGPBID for FY 21 is \$1,715. The Public Works Department is responsible for the entire amount and sufficient appropriations are currently budgeted in the General Fund Group in the Public Works Department to cover this cost.

This recommendation has no staffing impact beyond the normal budgeted scope of duties and is consistent with existing City Council priorities. There is no local job impact associated with this recommendation.

Approve recommendation.
