Recommendation to authorize the General Manager to exercise the option to renew the contract with WaterSmart Software for a Water Efficiency Outreach and Customer Portal Solution for a period of one-year in an amount not to exceed \$114,500.

BUREAU: Water Resources

The FY 21 cost of the contract renewal to the Water Fund will be \$114,500, the FY 22 cost of the contract to the Water Fund will be \$119,000 if the second option to renew is exercised. The costs for FY 21 are included in the Water Fund FY 21 Budget and financial projections.

Approve recommendation.
