Recommendation to authorize City Manager, or designee, to execute the Twentieth Amendment to Agreement No. 28164 with the Long Beach Area Convention and Visitors Bureau, Inc., to extend the agreement by a period of one-year and to provide funding in the amount of \$4,608,676 for Fiscal Year 2022. (Citywide)

On October 1, 2002, the City Council approved an agreement with the Long Beach Area Convention and Visitors Bureau, Inc. (CVB), to develop a program to promote the City of Long Beach (City) as a convention and tourist destination. Since that time, the CVB has been administering a marketing program to establish the City as a site for conventions and tourism by promoting its attractions, resources, climate, and facilities. The contract with CVB is funded through two sources: the Special Advertising and Promotion Fund Group and the Tidelands Operating Fund Group. The agreement is amended annually to extend the term and to reflect the level of funding appropriated by the City Council. As in prior years, the proposed amendment includes funding for various promotional activities that support the City's economic development objectives.

On August 24, 2021, the City Council adopted the Fiscal Year 2022 (FY 22) Budget, which includes funding for the agreement with the CVB in the amount of \$4,608,676. This amount is unchanged from FY 21 and will maintain CVB's ability to promote tourism and conventions in Long Beach.

The COVID-19 pandemic has had a significant impact on the tourism industry in 2020 and 2021 due to the resulting travel restrictions, and downturn in hotel room demand among travelers. However, tourism indicators have generally improved in 2021 when compared to 2020. Specifically, in January to June of 2021, the hotel occupancy rate in Long Beach was

66.2 percent, which is 53 percent higher than the 43.1 percent hotel occupancy rate during the January to June 2020 time period. In this same timeframe, average room rates decreased 3.4 percent, from \$157.99 to \$152.57. Despite the drop in room rates, revenue per available room has increased by 48.3 percent in 2021 compared to 2020, with higher occupancies being the largest factor.

The proposed amendment with the City for FY 22 will be key to ensuring a continuous promotion of Long Beach as a convention and tourist destination. Over the last decade-plus, the CVB has worked closely with the City and the Convention Center operator to support capital investments to transform the Convention Center into a boutique conference and convention campus.

As a result of the CVB's efforts, it has received six of the most influential and recognized meeting industry awards for many years. The CVB has been honored in the past by *Successful Meetings Magazine*, *Meetings & Conventions Magazine*, *Corporate & Incentive Travel Magazine*, *Insurance & Financial Management Meetings Magazine*, and *Association Conventions & Facilities Magazine*. In 2007, the CVB was permanently inducted into *Meetings & Conventions Magazine's* "Elite Hall of Fame," an honor reserved for visitor bureaus that have achieved 21 consecutive gold service awards.

This matter was reviewed by Deputy City Attorney Monica J. Kilaita on September 28, 2021 and by Budget Operations and Development Officer Rhutu Amin Gharib on October 1, 2021.

City Council action is requested on November 9, 2021, to proceed with the Twentieth Amendment to Agreement No. 28164 with the CVB.

The total amount of the one-year agreement is \$4,608,676 and is budgeted in the Special Advertising and Promotion Fund Group and the Tidelands Operating Fund Group in the City Manager Department. This recommendation has no staffing impact beyond the normal budgeted scope of duties and is consistent with existing City Council priorities. Approval of this recommendation will provide continued support to the local economy.

Approve recommendation.
