

Legislation Details

File #: 22-0699 **Version:** 1 **Name:** CAEC/CD2 - Support for Green Shipping

Type: Agenda Item **Status:** Approved

File created: 6/13/2022 **In control:** City Council

On agenda: 6/21/2022 **Final action:** 6/21/2022

Title: Recommendation to inform the Harbor Department of the following City Council recommendations and requested actions and coordinate with them as necessary to explore discussions with another major international port city with the intentions of creating a green shipping corridor similar to the one in development between the Ports of Los Angeles and Shanghai, including exploring joining the Los Angeles/Shanghai clean shipping corridor as a partner;

Add support for legislation or administrative action to rapidly decarbonize the maritime shipping industry and to create green shipping corridors along the California coast, the West Coast of the United States, and across the trans-Pacific trade route to the City's 2022-2023 State and Federal Legislative Agendas;

Request City Attorney to draft resolution calling on top maritime importers to Long Beach to adopt existing emissions-reducing technologies and take steps towards making port calls to the San Pedro Port Complex on zero-carbon ships by 2030; and

Pursue all the above items with a focus on incentives and provide input on incentive types.
