This item has been reviewed by Recovery Budget Officer Dee Okam on September 25, 2022.

This recommendation requests the City Manager to provide funds to support local nonprofits' community events. The total appropriation increase of \$6,875 in the General Fund Group in the City Manager Department will be offset by a decrease of appropriation of Sixth Council District One-Time District Priority Funds in the General Fund Group in the Citywide Activities Department. This recommendation is anticipated to require a minimal level of staff hours beyond normal budgeted scope of duties and have a minimal impact on City Council priorities. There is no local job impact associated with this item.

Approve recommendation.
