Recommendation to authorize City Manager to execute a waiver of federal receipt of the City of Long Beach's twelfth year allocation of \$18,844 in Juvenile Accountability Block Grant program funds to the County of Los Angeles, for the Juvenile Offender Intervention Network Program, to divert first-time serious juvenile offenders from the court system through an intensive, one-year program. (Citywide)

On July 21, 2009, the City Council, for the eleventh consecutive year, approved a waiver of the direct receipt of City of Long Beach's (City) allocation of Federal Juvenile Accountability Block Grant (JABG) program funds to the County of Los Angeles (County). This approval authorized the County to use those funds for the Juvenile Offender Intervention Network (JOIN) Program to divert first-time serious juvenile offenders from the court system through an intensive, one-year program that includes restitution for the victim, community service, counseling for youth and parents, and monitored school attendance.

JOIN has a better than 85 percent success rate demonstrated by preventing recidivism, and ensuring payment of restitution to victims while costing one-tenth the cost of traditional juvenile court processing. Each successful JOIN case saves the justice system more than \$6,000 in avoided trial costs for the courts, police, probation, defense and prosecution.

The City has received a twelfth consecutive year of funding from the JABG program, administered by the State Board of Corrections. The allocation for the 2010-2011 program year is \$18,844, with a 10 percent cash match of \$1,884 for a total of \$20,728, which must be expended on juvenile accountability in the criminal justice system.

The County has indicated a willingness to continue its partnership with the City under the JABG program. The City will use its allocation of JABG program funds to provide funding to the JOIN program administered by the County, and the County will provide the 10 percent cash match to the

JOIN program.

This item was reviewed by Deputy City Attorney Gary Anderson on May 6, 2010 and Budget Officer Victoria Bell on May 7, 2010.

City Council action on this matter is requested on June 15, 2010 in order to submit the waiver to the County District Attorney's Office.

There is no fiscal impact to the General Fund (GP) associated with this item. There will be no Long Beach area jobs impacted by this item.

Approve recommendation.
