Recommendation to City Council to concur in recommendation of the Environmental Committee to receive and file the Airport Advisory Commission Technical Subcommittee Policy which would foster the City's efforts in support of Federal legislation, regulations and/or initiatives that promote a financially prudent transition towards safe "green" aircraft fuel while balancing the safety and financial concerns of the general aviation community for potential adoption by the Federal level.

The Environmental Committee, at its meeting held Tuesday, March 13, 2012 considered communications relative to the above subject.

It is the recommendation of the Environmental Committee that the City Council concur in the recommendations of the Committee to receive and file the Airport Advisory Commission Technical Subcommittee Policy which would foster the City's efforts in support of Federal legislation, regulations and/or initiatives that promote a financially prudent transition towards safe "green" aircraft fuel while balancing the safety and financial concerns of the general aviation community for potential adoption by the Federal level.

Approve recommendation.

VICE MAYOR SUJA LOWENTHAL, CHAIR  
ENVIRONMENTAL COMMITTEE
