File #: 14-061TR, **Version:** 1

Recommendation to authorize the President and CEO to re-solicit Best Value RFPs as competitive negotiations for the purchase of Battery Electric buses partially funded by a Federal Transit Administration's (FTA) Transit Investment in Greenhouses Gas and Energy Reduction (TIGGER) grant because the Board finds that a low bid requirement is an inadequate procurement method for Long Beach Transit's (LBT) needs for battery electric buses. Kenneth A. McDonald

Approve recommendation.
