Recommendation to authorize City Manager to execute a one-year agreement with the County of Los Angeles, from July 1, 2014 through June 30, 2015, for reimbursement of expenditures in an amount not to exceed \$500,000, to assist in the cost of removing debris deposited on City of Long Beach beaches and marinas emanating from the Los Angeles River. (Districts 2,3)

Since December 1984, the City of Long Beach (City) and the County of Los Angeles (County) have had a cooperative agreement for the removal of trash and debris emanating from the Los Angeles River. This agreement provides reimbursement of up to \$500,000 per year for costs incurred by the City in the removal of trash and debris from the City's beaches and marinas. The current annual term of the agreement expired on June 30, 2014.

On December 9, 2014, the County approved their intent to continue the \$500,000 reimbursement for Fiscal Year 2015 for a one-year period, July 1, 2014 through June 30, 2015. The County has been aggressively implementing new policies and processes to reduce the amount of trash that enters drainage systems and is subsequently deposited on the beaches and in the marinas. The County will continue to monitor these processes in order to measure performance.

The Department of Parks, Recreation and Marine has removed approximately 4,500 tons of debris annually from Long Beach beaches and marinas. It is estimated that 85 percent of this debris emanates from the Los Angeles River.

This matter was reviewed by Deputy City Attorney Kendra L. Carney and Budget Management Officer Victoria Bell on February 2, 2015.

City Council action is requested on February 17, 2015, in order to allow staff to continue seeking reimbursement of expenses incurred from debris removal emanating from the Los Angeles River.

Revenue received from the County of Los Angeles for the reimbursement of expenses is deposited in the Tidelands Operations Fund (TF 401) and the Marina Fund (TF 403) in the Parks, Recreation and Marine Department (PR). There is no impact to jobs associated with the recommended action.

Approve recommendation.

GEORGE CHAPJIAN  
DIRECTOR OF PARKS, RECREATION AND MARINE

APPROVED:

PATRICK H. WEST  
CITY MANAGER
