(Citywide)

City Council approval is requested to enter into contracts with eight recommended firms to provide as-needed graphic design and creative services for a variety of print materials and interactive media to support the City's marketing and communication efforts. Outside professional firms will be used to provide services such as graphic design, copy development, copy editing and production for a variety of print materials/public information pieces, interactive media, and other related products. A collection of qualified, readily available professional firms will provide specialized skills and expertise in areas in which the City is deficient and will assist in expediting especially critical projects.

The firms will be retained on an as-needed basis via the issuance of contracts and purchase orders for negotiated services. Consultants and staff will agree on each project's detailed scope of work and compensation prior to initiating any work.

RFP No. DV15-124 was advertised in the Press-Telegram on June 8, 2015, and 3,711 potential proposers specializing in professional graphic design and creative services were notified. Of those potential proposers, 95 downloaded the RFP via the Purchasing Division's electronic bid system. The RFP was made available from the Purchasing Division located on the seventh floor of City Hall, and the Division's website at www.longbeach.gov/purchasing <<http://www.longbeach.gov/purchasing>>. An RFP announcement was also included in the Purchasing Division's weekly update of Open Bid Opportunities, which is sent to 22 groups that represent local, minority and women-owned businesses. On July 13, 2015, 21 proposals were received. Of those 21 proposals, two were Disadvantaged Business Enterprises (DBEs), three were Minority-owned Business Enterprises (MBEs), five were Women-owned Business Enterprises (WBEs), 13 were certified Small Business Enterprises (SBEs), and nine were Long Beach businesses (Local).

The submitted proposals were reviewed and evaluated by representatives from the Department of Development Services and the City Manager's Office. It was determined that the following eight firms submitted the most qualified and responsive proposals based upon the criteria specified in the RFP:

This will be beneficial to City departments in meeting the goals and objectives of developing collateral material.

Local Business Outreach

In an effort to align with our outreach goal, Long Beach businesses are encouraged to submit proposals for City contracts. The Purchasing Division assists businesses with registering on the Bids Online database to download RFP specifications. Through outreach, 419 Long Beach vendors were notified to submit proposals, of which 23 downloaded and nine submitted a proposal. The Purchasing Division is committed to continuing to perform outreach to local vendors to expand the bidder pool.

This matter was reviewed by Deputy City Attorney Linda Vu on September 17, 2015, and by Budget Management Officer Victoria Bell on September 30, 2015.

City Council action to adopt Specifications No. RFP DV15-124 and award contracts concurrently is requested on October 20, 2015, to ensure that the contracts are in place expeditiously.

The aggregate annual contract expense will not exceed \$795,000 for a two-year term with two annual renewal options at the discretion of the City Manager. The contract authority is an estimate based on anticipated creative service needs for a variety of projects throughout the City. The cost for these services is budgeted in the various departments using existing appropriations. No appropriation increase is required at this time. The award of these contracts will provide continued support to the City's local economy by assisting in the preservation of employment for 22 full-time employees and three part-time employees working in Long Beach.
