Recommendation to receive and file a presentation on Mr. Randy Bowden in commemoration of his impact on our community and benefit to generations of students as a teacher at Wilson High School for 46 years.

For 46 years there has been a consistent presence at Wilson High School in their Drama teacher Mr. Randy Bowden. Having taught and mentored thousands of students and producing as well as directing over 700 performances Mr. Bowden is retiring this Friday June 15, 2018.

With thousands of lives touched forever by this dedicated teacher, and the fantastic role his work has played for Wilson High School, our community, and our entire city the City Council should recognize this amazing impact with a report to City Council from the committee that has been formed to honor Mr. Bowden as he begins his retirement.
