Recommendation to increase appropriations in the General Fund Group in the City Manager Department by \$1023.31 offset by the Third Council District one-time District Priority Funds transferred from the Citywide Activities Department to provide a contribution to Justice for Homicide Victims; and

Decrease appropriations in the General Fund Group in the Citywide Activities Department by \$1023.31 to offset a transfer to the City Manager Department.

In recognition of the National Day of Remembrance, the organization, Justice for Homicide Victims is hosting a 5K walk/run on September 22, 2019 at 12:00 beginning at Rosie's Dog Beach. This annual Day of Remembrance honors the memory of murder and homicide victims and acknowledges the resulting long-term trauma for their families, communities, and the nation.

This matter was reviewed by Budget Manager, Grace H. Yoon, on August 22, 2019.

This recommendation requests the City Manager Department to provide a contribution to Justice for Homicide Victims to support their National Day of Remembrance 5k Walk/Run event. The total appropriation increase in the General Fund Group in the City Manager Department by \$1023.31 is offset by a decrease of appropriation of Third Council District one-time District Priority Funds in the General Fund Group in the Citywide Activities Department. Implementing this recommendation is anticipated to result in a minimal impact to staff hours beyond normal budgeted scope of duties and a minimal impact on existing City Council priorities.

Approve recommendation.
