Decrease appropriations in the General Fund Group in the Citywide Activities Department by \$1,701.15 to offset a transfer to the City Manager Department.

The Friends of Belmont Shore host its annual community concert on August 11. These concerts create positivity and a sense of community throughout the neighborhood in a family friendly way. Community concerts bring residents out to our beautiful Long Beach parks to enjoy our wonderful summer evenings with friends, family, and neighbors along with great music. Therefore, the City of Long Beach should support the Friends of Belmont Shore and their annual community concert.
