Dear Planning Commission,

My name is Kate and I'm a resident of the Belmont Shore neighborhood. I would like to voice my strong support for the proposed new location of Beachwood BBQ & brewing at the 2nd & PCH shopping center. I frequent this shopping center and it would be the perfect addition. This area of Long Beach lacks quality taprooms, and a new Beachwood location would be a great improvement. Thanks for your consideration and I hope you approve the plan.

Best,

Kate Haubert Lynch
