REFERENCE: Item #1

SUBJECT: Recommendation to hold a Special Meeting to receive and file report on Street Art on Second Street and conduct a Community Forum to receive input from the Public.

DISCUSSION

In 1994, the City entered into a contract with Craig Stone to create and install street artwork on Second Street in Belmont Shore. The "Shadow" artwork created by Mr. Stone has become a recognized feature of the community. It has been 15 years since this artwork was installed, and may require restoration.

Under the terms of the original contract, ownership and title to the artwork is vested with the City, while the Artist retains the copyright to the work. The Artist has the right to approve all repairs and restorations, provided, however, he shall not unreasonably withhold such approval. Also, the Artist shall be given an opportunity to make repairs to the artwork, provided that the City and the Artist agree upon a reasonable fee.

RECOMMEDATION

Receive and file the report on Street Art on Second Street.
