**Subject:** Public comment for Public Safety Committee Meeting File # 20-0548

**-EXTERNAL-**

I write in support of Agenda Item #2 (File # 20-0548). Long Beach officials should be equipped with all of the tools necessary to investigate and prosecute police misconduct. Simply put, organizations are not good at self-reflection or objective investigation. Who investigates the investigators? Who polices the police? Long Beach needs the ability to prosecute corruption and abuse of authority by our police.
