

Mitigation Grant Programs

Reducing the Community Impacts of Port Pollution

What we're doing

How we got here

100
Centennial
Celebration

Port of
LONG BEACH
The Green Port

Middle Harbor Redevelopment Project provided funding to three mitigation grant programs

What are the programs

100
Centennial
Celebration

Port of
LONG BEACH
The Green Port

Schools & Youth
Facilities

Health Care &
Senior Facilities

Greenhouse Gases

How program was developed

100
Centennial
Celebration

- Public input
- State Lands Commission
- State Attorney General's Office

- Middle Harbor as baseline
 - Costs of projects (filters, trees, recipients)
- Future allocations take into account
 - Project's share of cumulative impacts
 - Air quality improvement over time

What we fund

Air filters

Trees

Health care

Energy efficiency

How we get input
