To whom it may concern,  
My Name is Jade Aldrich. I am a tenant of the Lafayette building. In regards to the Basement Lounge and the claims made by a few people against it. I would like to state that not all Lafayette residents are against the Basement. In fact it is a very small number of people who claim they speak for everyone. This is not the case. The city has no business limiting business especially in an economic crisis that we are trying to escape from. The Basement employs at least 25 people. Do you want to put them out of work?
