CONTRACT

34583

THIS CONTRACT is made and entered, in duplicate, as of March 22, 2017 for reference purposes only, pursuant to a minute order adopted by the City Council of the City of Long Beach at its meeting held on March 21, 2017, by and between ALBERT HOLGUIN DBA WORLD WIDE CONSTRUCTION, a sole proprietorship, whose address is 1621 W. 25th Street, #266, San Pedro, California 90732 ("Contractor"), and the CITY OF LONG BEACH, a municipal corporation ("City").

WHEREAS, pursuant to a Notice Inviting Bids for Job Order Contract, City of Long Beach, California, bids were received, publicly opened on February 17, 2017 and declared on the date specified in said Notice; and

WHEREAS, the City Manager accepted the bid of Contractor; and

WHEREAS, the City Council authorized the City Manager to enter a contract with Contractor for the work described in the bid documents;

NOW, THEREFORE, in consideration of the mutual terms and conditions herein, the parties agree as follows:

1. SCOPE OF WORK. Contractor shall furnish all necessary labor, supervision, tools, materials, supplies, appliances, equipment and transportation for the work described in each Work Order, as defined in the bid documents, said work to be performed according to the Contract Documents identified below. However, this Contract is intended to provide to City complete and finished work and, to that end, Contractor shall do everything necessary to complete the work, whether or not specifically described in the Contract Documents.

2. PRICE AND PAYMENT. City shall pay to Contractor the amount(s) for each Work Order based on the adjustment factor in Contractor's Bid, attached hereto as Exhibit "A"; provided, however, that City shall not pay more than Two Million Dollars (\$2,000,000) for the term of the Contract. Furthermore, no individual Work Order project shall exceed Five Hundred Thousand Dollars (\$500,000).

1 3. CONTRACT DOCUMENTS. The Contract Documents include: The
2 Notice Inviting Bids; City of Long Beach Standard Plans; the California Code of
3 Regulations; the various Uniform Codes applicable to trades; the prevailing wage rates;
4 Instructions to Bidders; the Bid; the bid security; the City of Long Beach Disadvantaged,
5 Minority and Women-Owned Business Enterprise Program; this Contract and all
6 documents attached hereto or referenced herein; JOC General Provisions; the
7 Construction Task Catalog; JOC Contract Documents (which contain Technical
8 Specifications); Bond for Faithful Performance; Payment Bond; Notice to Proceed; Notice
9 of Completion; any addenda; any permits required and issued for the work; and approved
10 drawings for a Work Order, if any. These Contract Documents are incorporated herein by
11 the above reference.

12 Notwithstanding Section 2-5.2 of the Standard Specifications, if any
13 conflict or inconsistency exists or develops among or between Contract Documents, the
14 following priority shall govern: 1) this Contract; 2) permit(s) from other public agencies; 3)
15 the Bid; 4) Addenda; 5) JOC General Provisions; 6) the Construction Task Catalog; 7)
16 Technical Specifications; 8) other reference specifications; 9) other reference plans; 10)
17 approved drawings, if any; and 11) the Notice Inviting Bids.

18 4. TIME FOR CONTRACT.

19 A. The term of this Contract shall begin on March 22, 2017 and
20 shall end on March 21, 2018 or on City's payment of the not-to exceed dollar amount
21 hereunder to Contractor as specified in Section 2, whichever occurs first.

22 B. Contractor shall commence work on a date to be specified in a
23 written Notice to Proceed from City for each Work Order and shall complete all work
24 within the number of working days identified in each Work Order, subject to events
25 beyond the control of Contractor. Time is of the essence for performance of this
26 Contract and each Work Order. City will suffer damage if the work in each Work
27 Order is not completed within the time stated, but those damages would be difficult
28 or impractical to determine. So, Contractor shall pay to City, as liquidated damages,

1 the amount stated in the Contract Documents.

2 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The
3 acceptance of any work or the payment of any money by City shall not operate as a waiver
4 of any provision of any Contract Document, of any power reserved to City, or of any right
5 to damages or indemnity hereunder. The waiver of any breach or any default hereunder
6 shall not be deemed a waiver of any other or subsequent breach or default.

7 6. WORKERS' COMPENSATION CERTIFICATION. Concurrently
8 herewith, Contractor shall submit certification of Workers' Compensation coverage in
9 accordance with California Labor Code Sections 1860 and 3700, a copy of which is
10 attached hereto as Exhibit "B".

11 7. CLAIMS FOR EXTRA WORK. No claim shall be made at any time
12 upon City by Contractor for and on account of any extra or additional work performed or
13 materials furnished, unless such extra or additional work or materials shall have been
14 expressly required by the City Manager and the quantities and price thereof shall have
15 been first agreed upon, in writing, by the parties hereto.

16 8. CLAIMS. Contractor shall, upon completion of the work, deliver
17 possession thereof to City ready for use and free and discharged from all claims for labor
18 and materials in doing the work and shall assume and be responsible for, and shall protect,
19 defend, indemnify and hold harmless City from and against any and all claims, demands,
20 causes of action, liability, loss, costs or expenses for injuries to or death of persons, or
21 damages to property, including property of City, which arises from or is connected with the
22 performance of the work.

23 9. INSURANCE. Prior to commencement of work, and as a condition
24 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence of
25 all insurance required in the Contract Documents.

26 In addition, Contractor shall complete and deliver to City the form
27 ("Information Sheet") attached as Exhibit "C" and incorporated by reference, to comply with
28 Labor Code Section 2810.

1 10. TERMINATION. Either party shall have the right to terminate this
2 Agreement for any reason or no reason at any time by giving fifteen (15) calendar days
3 prior notice to the other party. In the event of termination under this Section, City shall pay
4 Consultant for services satisfactorily performed and costs incurred up to the effective date
5 of termination for which Consultant has not been previously paid. The procedures for
6 payment in Section 1.B. with regard to invoices shall apply. On the effective date of
7 termination, Consultant shall deliver to City all Data developed or accumulated in the
8 performance of this Agreement, whether in draft or final form, or in process. And,
9 Consultant acknowledges and agrees that City's obligation to make final payment is
10 conditioned on Consultant's delivery of the Data to City.

11 11. WORK DAY. Contractor shall comply with Sections 1810 through
12 1815 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a
13 penalty to City, the sum of Twenty-Five Dollars (\$25) for each worker employed by
14 Contractor or any subcontractor for each calendar day such worker is required or permitted
15 to work more than eight (8) hours unless that worker receives compensation in accordance
16 with Section 1815.

17 12. PREVAILING WAGE RATES. Contractor is directed to the prevailing
18 wage rates. Contractor shall forfeit, as a penalty to City, Fifty Dollars (\$50) for each laborer,
19 worker or mechanic employed for each calendar day, or portion thereof, that such laborer,
20 worker or mechanic is paid less than the prevailing wage rates for any work done by
21 Contractor, or any subcontractor, under this Contract.

22 13. COORDINATION WITH GOVERNMENTAL REGULATIONS. If the
23 work is terminated pursuant to an order of any Federal or State authority, Contractor shall
24 accept as full and complete compensation under this Contract such amount of money as
25 will equal the product of multiplying the Contract Price stated in the Work Order(s) so
26 terminated by the percentage of work completed by Contractor as of the date of such
27 termination, and for which Contractor has not been paid. If the work is so terminated, the
28 City Engineer, after consultation with Contractor, shall determine the percentage of said

1 work so completed and the determination of the City Engineer shall be final.

2 If Contractor is prevented, in any manner, from strict compliance with
3 the Contract Documents due to any Federal or State law, rule, or regulation, in addition to
4 all other rights and remedies reserved to the parties City may suspend performance
5 hereunder until the cause of disability is removed, extend the time for performance, make
6 changes in the character of the work or materials, or terminate this Contract without liability
7 to either party.

8 14. NOTICES.

9 A. Any notice required hereunder shall be in writing and personally
10 delivered or deposited in the U.S. Postal Service, first class, postage prepaid, to
11 Contractor at the address first stated herein, and to City at 333 West Ocean
12 Boulevard, Long Beach, California 90802, Attn: City Manager. Notice of change of
13 address shall be given in the same manner as stated herein for other notices. Notice
14 shall be deemed given on the date deposited in the mail or on the date personal
15 delivery is made, whichever first occurs.

16 B. Except for stop notices and claims made under the Labor Code,
17 City will notify Contractor when City receives any third party claims relating to this
18 Contract in accordance with Section 9201 of the Public Contract Code.

19 15. BONDS REQUIRED. Contractor shall, coincidentally with the
20 execution of this Contract, execute and deliver to City the bonds required in the Contract
21 Documents, on the forms provided by City.

22 16. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor any
23 of the moneys that may become due Contractor hereunder may be assigned by Contractor
24 without the written consent of City first had and obtained, nor will City recognize any
25 subcontractor as such, and all persons engaged in the work of construction will be
26 considered as independent contractors or agents of the Contractor and will be held directly
27 responsible to Contractor.

28 ///

1 17. CERTIFIED PAYROLL RECORDS.

2 A. Contractor shall keep and shall cause each subcontractor
3 performing any portion of the work under this Contract to keep an accurate payroll
4 record, showing the name, address, social security number, work classification,
5 straight time and overtime hours worked each day and week, and the actual per
6 diem wages paid to each journeyman, apprentice, worker, or other employee
7 employed by Contractor or subcontractor in connection with the work, all in
8 accordance with Division 2, Part 7, Article 2 of the California Labor Code. Such
9 payroll records for Contractor and all subcontractors shall be certified and shall be
10 available for inspection at all reasonable hours at the principal office of Contractor
11 pursuant to the provisions of Section 1776 of the Labor Code. Contractor's failure
12 to furnish such records to City in the manner provided herein for notices shall entitle
13 City to withhold the penalty prescribed by law from progress payments due to
14 Contractor.

15 B. Upon completion of the work, Contractor shall submit to the City
16 certified payroll records for Contractor and all subcontractors performing any portion
17 of the work under this Contract. Certified payroll records for Contractor and all
18 subcontractors shall be maintained during the course of the work and shall be kept
19 by Contractor for up to three (3) years after completion of the work.

20 C. The foregoing is in addition to, and not in lieu of, any other
21 requirements or obligations established and imposed by any department of the City
22 with regard to submission and retention of certified payroll records for Contractor
23 and subcontractors.

24 18. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to
25 the contrary in the Standard Specifications, Contractor shall have the responsibility, care
26 and custody of the work. If any loss or damage occurs to the work that is not covered by
27 collectible commercial insurance, excluding loss or damage caused by earthquake or flood,
28 or the negligence or willful misconduct of City, then Contractor shall immediately make City

1 whole for any such loss or pay for any damage. If Contractor fails or refuses to make City
2 whole or pay, then City may do so and the cost and expense of doing so shall be deducted
3 from the amount due Contractor from City hereunder.

4 19. CONTINUATION. Termination or expiration of this Contract shall not
5 terminate the rights or liabilities of either party which rights or liabilities accrued or existed
6 prior to termination or expiration of this Contract.

7 20. TAXES AND TAX REPORTING.

8 A. As required by federal and state law, City is obligated to report
9 the payment of compensation to Contractor on Form 1099-Misc. and Contractor
10 acknowledges that Contractor is not entitled to payment under this Contract until it
11 has provided its Employer Identification Number to City. Contractor shall be solely
12 responsible for payment of all federal and state taxes resulting from payments under
13 this Contract.

14 B. Contractor shall cooperate with City in all matters relating to
15 taxation and the collection of taxes, particularly with respect to the self-accrual of
16 use tax. Contractor shall cooperate as follows: (i) for all leases and purchases of
17 materials, equipment, supplies, or other tangible personal property totaling over
18 \$100,000 shipped from outside California, a qualified Contractor shall complete and
19 submit to the appropriate governmental entity the form in Appendix "A" attached
20 hereto; and (ii) for construction contracts and subcontracts totaling \$5,000,000 or
21 more, Contractor shall obtain a sub-permit from the California Board of Equalization
22 for the Work site. "Qualified" means that the Contractor purchased at least \$500,000
23 in tangible personal property that was subject to sales or use tax in the previous
24 calendar year.

25 C. Contractor shall create and operate a buying company, as
26 defined in State of California Board of Equalization Regulation 1699, subpart (h), in
27 City if Contractor will purchase over \$10,000 in tangible personal property subject
28 to California sales and use tax.

1 D. In completing the form and obtaining the permit(s), Contractor
2 shall use the address of the Work site as its business address and may use any
3 address for its mailing address. Copies of the form and permit(s) shall also be
4 delivered to the City Engineer. The form must be submitted and the permit(s)
5 obtained as soon as Contractor receives a Notice to Proceed. Contractor shall not
6 order any materials or equipment over \$100,000 from vendors outside California
7 until the form is submitted and the permit(s) obtained and, if Contractor does so, it
8 shall be a material breach of this Contract. In addition, Contractor shall make all
9 purchases from the Long Beach sales office of its vendors if those vendors have a
10 Long Beach office and all purchases made by Contractor under this Contract which
11 are subject to use tax of \$500,000 or more shall be allocated to the City of Long
12 Beach. Contractor shall require the same cooperation with City, with regards to
13 subsections B, C and D under this section (including forms and permits), from its
14 subcontractors and any other subcontractors who work directly or indirectly under
15 the overall authority of this Contract.

16 E. Contractor shall not be entitled to and by signing this Contract

21 or employees in any advertising or solicitation for business, nor as a reference, without the
22 prior approval of the City Manager, City Engineer or designee.

23 22. AUDIT. If payment of any part of the consideration for this Contract is
24 made with federal, state or county funds and a condition to the use of those funds by City
25 is a requirement that City render an accounting or otherwise account for said funds, then
26 City shall have the right at all reasonable times to examine, audit, inspect, review, extract
27 information from, and copy all books, records, accounts and other information relating to
28 this Contract.

1 23. NO PECULIAR RISK. Contractor acknowledges and agrees that the
2 work to be performed hereunder does not constitute a peculiar risk of bodily harm and that
3 no special precautions are required to perform said work.

4 24. THIRD PARTY BENEFICIARY. This Contract is intended by the
5 parties to benefit themselves only and is not in any way intended or designed to or entered
6 for the purpose of creating any benefit or right of any kind for any person or entity that is
7 not a party to this Contract.

8 25. SUBCONTRACTORS. Contractor agrees to and shall bind every
9 subcontractor to the terms of this Contract; provided, however, that nothing herein shall
10 create any obligation on the part of City to pay any subcontractor except in accordance
11 with a court order in an action to foreclose a stop notice. Failure of Contractor to comply
12 with this Section shall be deemed a material breach of this Contract. Contractor shall
13 submit a list of subcontractor(s) in compliance with Public Contract Code Sections 4100 et
14 seq. on the form attached hereto as Exhibit "D" and incorporated herein by this reference,
15 for each Work Order.

16 26. NO DUTY TO INSPECT. No language in this Contract shall create
17 and City shall not have any duty to inspect, correct, warn of or investigate any condition
18 arising from Contractor's work hereunder, or to insure compliance with laws, rules or
19 regulations relating to said work. If City does inspect or investigate, the results thereof
20 shall not be deemed compliance with or a waiver of any requirements of the Contract
21 Documents.

22 27. GOVERNING LAW. This Contract shall be governed by and
23 construed pursuant to the laws of the State of California (except those provisions of
24 California law pertaining to conflicts of laws).

25 28. INTEGRATION. This Contract, including the Contract Documents
26 identified in Section 3 hereof, constitutes the entire understanding between the parties and
27 supersedes all other agreements, oral or written, with respect to the subject matter herein.

28 29. COSTS. If there is any legal proceeding between the parties to

1 enforce or interpret this Contract or to protect or establish any rights or remedies
2 hereunder, the prevailing party shall be entitled to its costs and expenses, including
3 reasonable attorney's fees.

5 Contract and subject to applicable rules and regulations, Contractor shall not discriminate
6 against any employee or applicant for employment on the basis of race, religion, national
7 origin, color, age, sex, sexual orientation, gender identity, AIDS, AIDS related condition,
8 handicap or disability. Contractor shall ensure that applicants are employed and that
9 employees are treated during their employment, without regard to these bases. Such
10 actions shall include but not be limited to employment, upgrading, demotion, transfer,
11 recruitment, layoff, termination, rates of pay and selection for training. It is the policy of City
12 to encourage the participation of Disadvantaged, Minority and Women-Owned Business

14 in the award of all subcontracts.

15 31. EQUAL BENEFITS ORDINANCE. Unless otherwise exempted in
16 accordance with the provisions of the Ordinance, this Contract is subject to the applicable
17 provisions of the Equal Benefits Ordinance ("EBO"), section 2.73 et seq. of the Long Beach
18 Municipal Code, as amended from time to time.

19 A. During the performance of this Contract, the

26 and its employees with domestic partners. Additional information about the

28 of Long Beach Business Services Division at 562-570-6200."

1 B. The failure of the Contractor/Consultant to comply with the EBO
2 will be deemed to be a material breach of the Contract by the City.

3 C. If the Contractor/Consultant fails to comply with the EBO the
4 City may cancel, terminate or suspend the Contract, in whole or in part, and monies
5 due or to become due under the Contract may be retained by the City. The City
6 may also pursue any and all other remedies at law or in equity for any breach.

7 D. Failure to comply with the EBO may be used as evidence
8 against the Contractor/Consultant in actions taken pursuant to the provisions of
9 Long Beach Municipal Code 2.93 et seq., Contractor Responsibility.

10 E. If the City determines that the Contractor/Consultant has set up
11 or used its Contracting entity for the purpose of evading the intent of the EBO, the

Contractor's Bid

BIDDER'S NAME: World Wide Construction

BID FOR JOC 25 through JOC 32

INSTRUCTIONS TO BIDDERS

READ CAREFULLY BEFORE MAKING OUT YOUR BID

Submit only one bid. Contracts will be awarded to the eight lowest responsive, responsible bids by pre-qualified bidders. Failure to submit all documents contained in Division C of the Specification may invalidate your Bid. Do not make alterations of any kind in the bid form. Completely fill out ALL blank spaces on each bid form you submit. If not applicable or zero, write N/A or 0.

The undersigned offers to furnish all materials, labor and equipment required for the Job Order Contract for the City of Long Beach in accordance with the City's Invitation for Bids, including addenda thereto, if any, as follows:

- I. **Adjustment Factor.** The Contractor bids one Adjustment Factor, which will be applied against the prices set forth in the Construction Task Catalog (CTC). The Adjustment Factor will be used to price Work Orders by multiplying the Adjustment Factor by the unit prices and quantities for the specific Work Order. **Pay attention to your decimal points. Write clearly and legibly.**
 - A. The Bid shall be expressed as an adjustment "decrease from" (e.g. 0.9500) or "increase to" (e.g. 1.0500) the unit prices listed in the CTC, or exactly equal to the CTC unit prices (1.0000). Items 1 – 4 in the Award Formula shall be calculated out to five decimal places and then rounded to four decimal places. Rounding of numbers shall be accomplished by increasing the fourth decimal place if the fifth decimal is equal to five or greater. If the fifth decimal place is equal to four or less, the fourth decimal shall remain the same. Bids missing factors for any of the components in the Award Formula or bids containing components of the Award Formula that are not calculated and expressed out to four decimal places will be rejected as non-responsive.
 - B. Note that the CTC unit prices do not include provisions for items such as the one percent Gordian Group license fee, overhead, profit, bond premiums, insurance, mobilization, proposal development, shop drawings and submittals and all contingencies in connection therewith. Bidders shall therefore take this into account when bidding the Adjustment Factor. Once bid, the Contractor will be strictly held to the bid factor throughout the duration of the Contract term.
 - C. In the event of tie bids, another round of bids will be invited from the tied bidders to be submitted within one (1) working day following bid opening. If tie bids are received again, the same procedure will be repeated until an apparent low bidder is available for selection.
 - D. Any change in the applicable minimum hourly rates of wages during the Contract term shall not affect the unit price to be paid by the City for work performed under the Contract.

USE TAX DIRECT PAYMENT PERMIT (General Information and Filing Instructions)

Revenue and Taxation Code section 7051.3 authorizes the State Board of Equalization to issue a *Use Tax Direct Payment Permit* to qualified applicants. This permit allows purchasers and lessees of tangible personal property (other than lessees of motor vehicles the lease of which is subject to the terms of section 7205.1 of the Sales and Use Tax Law) to self-assess and pay use taxes directly to the Board instead of to the vendor or lessor from whom the property is purchased or leased.

Permit holders will be provided with a *Use Tax Direct Payment Exemption Certificate* which they can issue to retailers and lessors when they purchase tangible personal property subject to use tax or make qualified leases of tangible personal property. Vendors who timely take the certificate in good faith from a permit holder are relieved of the duty to collect use taxes on the sales for which the certificate was issued. Permit holders who acquire property under a certificate must self-assess and report the use taxes directly to the Board on their tax returns, and allocate the local taxes to the county, city, city and county, or redevelopment agency in which the property is first used. Permit holders who fail to properly pay any use taxes that are due on property for which a certificate was given are subject to interest and penalties assessments in addition to their tax liability.

To qualify for a *Use Tax Direct Payment Permit*, an applicant must meet the following conditions:

- (1) The applicant must agree to self-assess and pay directly to the Board any use tax which is due on property for which a use tax direct payment exemption certificate was given; and
- (2) The applicant must certify to the Board either of the following:
 - (A) The applicant has purchased or leased for its own use tangible personal property subject to use tax which cost five hundred thousand dollars (\$500,000) or more in the aggregate, during the calendar year immediately preceding the application for the permit; or
 - (B) The applicant is a county, city, city and county, or redevelopment agency.

Persons wishing to obtain a use tax direct payment permit must be pre-qualified and either hold a California seller's permit or a consumer use tax account.

Persons other than governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under conditions of Part (2)(A) above, and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Persons other than governmental entities who are not required to hold a seller's permit and who do not currently hold a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(A) above and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

Governmental entities who do not hold a California seller's permit or a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

The completed *Application for Use Tax Direct Payment Permit*, certification statement, and qualifying documentation should be returned to the address shown below. Upon determination that the applicant qualifies, a *Use Tax Direct Payment Permit* and a *Use Tax Direct Payment Exemption Certificate* will be mailed to the applicant.

If you would like additional information regarding the *Use Tax Direct Payment Permit* or need assistance in completing this application, you can call 916-445-5167, or write to the Board of Equalization, Compliance Policy Unit, P.O. Box 942879, Sacramento, CA 94279-0040.
