PUBLIC COMMENT	Chris Rmistead	carmistead.ca@gmail.com						There has been a decrease in the available police to conduct traffic stops for speeding etc, drivers continue to speed through neighborhoods where there are large numbers of children, even though residents have requested speed humps in an attempt to stop the aggressive behavior there has been no action taken by the city except for in high income neighborhoods, PLEASE invest time and money in curbing aggressive driving in the neighborhoods before any more pedestrians are injured or killed	5/26/2023
