FEDERAL LEGISLATIVE COMMITTEE MEETING VIA TELECONFERENCE PURSUANT TO AB 361 (GOV. CODE Â§ 54953(e)(1)-(2))  MEMBERS OF THE PUBLIC HAVE THE OPTION TO USE eCOMMENT TO PROVIDE COMMENTS ON AGENDA ITEMS. WRITTEN COMMENTS MAY ALSO BE SUBMITTED BY EMAIL TO CITYCLERK@LONGBEACH.GOV	Jocelynn Pryor	jocelynn@ampeddistribution.com						I'd like to remind this committee that the Biden Build Back Better Plan includes the Hits Act as well. The Hits Act was written by California's own Dianne Feinstein. This act will enable musicians to write off production costs up to \$150K, just like other forms of arts can currently do (film, tv, photography). This would be hugely beneficial for local music artists and the keepers of our culture to be able to have sustainability while working and living in Long Beach. As a board member on the Arts Council, an Arts Advocate, as a Vice President at AMPED music distributors and as someone who both works and lives in Long Beach I believe this bill would be so helpful to our musicians in the city and is another reason we should support the Build Back Better Bill in its totality. <a href="https://www.congress.gov/bill/117th-congress/senate-bill/752">https://www.congress.gov/bill/117th-congress/senate-bill/752</a> Thank you for your time.
