1 TWENTIETH AMENDMENT TO LIGHTING CONTRACT NO. 24289

2 **24289**

3 THIS TWENTIETH AMENDMENT is made and entered, in duplicate, as of  
4 October 20, 2008 for reference purposes only, pursuant to a minute order adopted by the  
5 City Council of the City of Long Beach at its meeting on November 21, 1995, by and  
6 between WS LIGHT & POWER, INC., a California corporation ("WS"), assignee of CITY  
7 LIGHT & POWER, INC., a Colorado corporation ("CLP"), and the CITY OF LONG  
8 BEACH, a municipal corporation ("City").

9 WHEREAS, the parties entered Lighting Contract No. 24289 whereby CLP  
10 agreed to convert the City's Street Light System and said Contract contained a provision  
11 whereby the City could choose to include Other Lights in the conversion; and

12 WHEREAS, the City desires the WS perform such additional work as  
13 provided in the Contract;

14 NOW, THEREFORE, in consideration of the mutual terms and conditions  
15 contained in Lighting Contract No. 24289 and herein, the parties agree as follows:

16 1. Section 47 is hereby added to Lighting Contract No. 24289 to read  
17 as follows:

18 "46. DOWNTOWN SECURITY CAMERAS ADDITION

19 "46.1. Scope of Work. WS shall install new meters and meter cabinets and  
20 run the necessary conduit for the operation of surveillance cameras mounted on street  
21 light poles located in the area bounded by Ocean Boulevard, Seaside Way, the  
22 Promenade and Shoreline Drive and more particularly described in the proposal and  
23 approvals attached hereto as Exhibit "W". The work done hereunder shall be known as  
24 'Downtown Security Cameras Addition.'

25 "45.2 Compensation. For the services and work relating to the Downtown  
26 Security Cameras Addition, City shall pay to WS upon completion of the services, an  
27 amount not to exceed Thirty Thousand Fifteen Dollars (\$30,015).

28

OFFICE OF THE CITY ATTORNEY

1 "45.3 Conditions. To the extent applicable, any and all terms and  
2 conditions relating to the Street Light System in Lighting Contract No. 24289, including all  
3 exhibits, shall apply to the Downtown Security Cameras Addition."

4 2. The proposals attached hereto as Exhibit "W" shall be attached to  
5 Lighting Contract No. 24289 as Exhibit "W" thereto.

6 3. Except as expressly amended herein, all of the terms and conditions  
7 in Lighting Contract No. 24289, as previously amended, are ratified and confirmed and  
8 shall remain in full force and effect.

9 IN WITNESS WHEREOF, the parties have caused this document to be duly  
10 executed with all formalities required by law as of the date first stated above.

**RE: Install Circuit for Surveillance Camera (REVISED)**

Dear Detective Reyes:

City Light & Power, Inc. (CLP) is pleased to submit a price to install a separate 120 volt circuit from an upgraded service to replace the existing service located on the west side of Collins Way, just south of Ocean Boulevard to the street light pole chosen by the LBPD located at the northeast corner of Seaside Way and Locust Avenue. A detailed scope of work is described below.

CLP would purchase and install a 120/208 volt pedestal with a concrete base, weatherproof box and cover, #8 THHN insulated wire and the necessary conduit. The pedestal will contain an unmetered section for the street lighting and a metered section for the camera. After the material is installed, CLP will test to confirm the circuit is in proper working order. The estimated budget cost to complete the above scope of work would be eight thousand four hundred dollars (\$8,400).

The above estimate does not include any expected Southern California Edison costs. If you agree with the above scope of work and would like to proceed with the project, please sign below and fax it to my attention so that we may schedule the work. If you have any questions, please call me at (562) 216-2153.

Sincerely,

**RE: Install Circuit for Surveillance Camera (REVISED)**

Dear Detective Reyes:

City Light & Power, Inc. (CLP) is pleased to submit a price to install a separate 120 volt circuit from an upgraded service to replace the existing service located at 300 Windsor Way to the street light pole chosen by the LBPD located on the north side of Seaside Way and Aquarium Way in Long Beach, CA. A detailed scope of work is described below.

CLP would purchase and install a 120/208 volt pedestal with a concrete base, weatherproof box and cover, #8 THHN insulated wire and the necessary conduit. The pedestal will contain a metered section for the street lighting and a metered section for the camera. After the material is installed, CLP will test to confirm the circuit is in proper working order. The estimated budget cost to complete the above scope of work would be nine thousand nine hundred dollars (\$9,900).

The above estimate does not include any expected Southern California Edison costs. If you agree with the above scope of work and would like to proceed with the project, please sign below and fax it to my attention so that we may schedule the work. If you have any questions, please call me at (562) 216-2153.
