

Sustainable City Commission

Presented by Commission Chair Morgan Wheeler

Sustainable City Commission

The Office of Sustainability provides staff support to the Sustainable City Commission.

- Advisory body to City Council on environmental issues
- Created in 2008 by City Council ordinance
- Meetings held on the 4th Thursday of the month at 4pm in City Council Chambers

Sustainable City Action Plan

- Adopted by City Council in 2010
- Established goals and metrics out to 2020
 - 10-year review currently being finalized
 - New Sustainability Strategic Plan being developed with 5-year focus
- Annual work plan approved by City Council every December, providing focus on work activities for the Office of Sustainability and topics for the Sustainable City Commission meetings

SCC Commissioner Issues & Opportunities

- Sustainability as an equity issue
- Significant, imminent grants and programs
- Grow the Office of Sustainability
- Decarbonizing trucking fleets and on-dock rail within the Port
- Clean-up Long Beach's energy portfolio through CCE
- Continue to identify and reduce single use plastics
- Use the Commission as the PR Wing of the CAAP Implementation
- Recognize and defend the value of Willow Springs Park

Thank You!
