HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Approve the Downtown Long Beach Property and Business Improvement District Annual Report for the period of January 1, 2010 through December 31, 2010, automatically extending the Agreement for Funding with the Downtown Long Beach Associates for one year; and authorizing payment of \$404,380 in City property assessments from the Civic Center Fund (IS 380) in the Department of Public Works (PW). (Districts 1 and 2)

DISCUSSION

Downtown Long Beach Associates (DLBA) has three established sources of revenue that pass through the City to the organization. They are: business operator assessments, property owner assessments and downtown parking meter revenue sharing. This recommended action relates to property owner assessment funds for expenses related to security, maintenance, public relations, special projects, advocacy and economic development in Downtown Long Beach. City Council approves the business operator assessment separately. DLBA's 2010 comprehensive budget, including all sources of revenue, is provided for reference in Attachment A.

The Downtown Long Beach Property and Business Improvement District (DLB-PBID) was established by the City Council on August 4, 1998. On July 22, 2003, the City Council re-established the DLB-PBID. This re-establishment required a majority vote of the property owners in favor of re-establishing the district for a new term of ten years.

On January 12, 2001, the City Council and DLBA executed an Agreement for Funding setting forth the duties and delegations of the parties. This Agreement is automatically extended on a year-by-year basis upon approval of the annual Assessment Report and related levy of assessments by the City Council.

For the second year in a row, the DLBA Board voted on April 15, 2009 not to raise assessment rates. This is reflected in the attached budget and report. Properties are assessed based upon location within three defined zones in the DLB-PBID area. The assessment rate and level of program service provided varies, depending upon the zone in which the property is located. Assessment rates for 2010 are described in Section 6.3 of Attachment B. Estimated total property assessment revenue of \$1,799,250 is reported in Section 8. Section 5 of the report shows a DLB-PBID budget

Page 2

of \$1,803,042 for the period. Adequate reserve funds (4 percent of estimated revenue) are available to make up any deficit between budgeted expenditures and actual revenue received for the period (Section 5 of Attachment B).

The DLB-PBID assessment area contains properties owned by private commercial property owners, the City of Long Beach, and the Long Beach Redevelopment Agency (RDA). In FY 10, the City assessment is \$404,380, of which \$188,298 is related to Pike property development and will be paid to the City by Developers Diversified Realty (DDR), as required by their lease. Thus, the City's net assessment is estimated at \$216,082. The Redevelopment Agency's assessment is estimated at \$64,505, which is approved by the Redevelopment Agency Board separately. City and RDA payments together total \$468,885 and represent approximately 26 percent of the total estimated levy of \$1,799,250 for program year 2010. Attachment C details City and RDA-owned properties located within the DLB-PBID.

The Property and Business Improvement District Law of 1994 (Law) requires that the DLBA Board of Directors file an Annual Report detailing the DLB-PBID assessment methodology and assessment levy filed with Los Angeles County. The subject levy of assessment will cover the DLB-PBID contract period with the DLBA from January 1, 2010 through December 31, 2010. The Annual Report of Levy and Assessment is provided as Attachment B for City Council approval.

The Law also allows the City to contract with service providers to carry out the DLB-PBID program. For the past ten years, the City has contracted with the DLBA to carry out the DLB-PBID Management Plan.

This letter was reviewed by Chief Assistant City Attorney Heather Mahood on September 16, 2009, Budget and Performance Management Bureau Manager David Wodynski on September 21, 2009, and the City Treasurer's Office on September 18, 2009.

TIMING CONSIDERATIONS

The current DLB-PBID contract terminates on December 31, 2009. City Council approval of the Annual Report and related levy of assessment is requested on October 6, 2009 to ensure timely transfer of assessment revenue as required by City contract.

FISCAL IMPACT

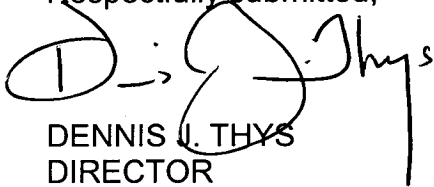

The City's assessment for FY 10 is \$404,380. Of this amount, \$188,298 is associated with Pike development property and will be paid to the City by DDR. The City will pay the portion of the assessment attributable to DDR after receipt of those funds from DDR. The balance of the City's assessment, \$216,082, will be paid from the Civic Center Fund (IS 380) in the Department of Public Works (PW).

There is no impact to the General Fund.

SUGGESTED ACTION:

Approve recommendation.

ADMINISTRATION & ADVOCACY
FY 2009-10

GENERAL ADMINISTRATION

\$788,000

The DLBA is the non-profit management organization empowered by the Long Beach City Council to manage two Downtown Business Improvement Districts (BIDs). The Downtown Parking Improvement Area (DPIA) is supported through a special assessment established by business owners, while the Property Based Improvement District (PBID) is sustained with the contribution of the commercial property owners within the District.

Personnel

To support the programs and services provided by the BIDs, the DLBA administrative team consists of the following with a brief description of their positions:

- President and Chief Executive Officer is to lead, facilitate and motivate personnel to accomplish all DLBA objectives as outlined in the mission statement and the Management Plan. Subject to the direction of the Board of Directors, the President and CEO supervises and directs the day-to-day business and management of the organization and the Business Improvement Districts.
- Vice President is responsible for serving as an advocate for the business community and assisting the President and CEO. Also implements Economic Development programs to retain and attract business to Downtown Long Beach through retail, development and adaptive re-use, and business recruitment and retention strategies.
- Operations Manager is responsible for managing the Clean and Safe Programs and is involved in community outreach programs to address the quality of life.
- Marketing and Special Events Manager's primary objective is to increase awareness and enhance the image of Downtown Long Beach by promoting existing infrastructure and developing new business and customer markets. Responsible for the supervision of all DLBA special events, including sponsorship. Also provides technical assistance to outside organizations and individuals that produce events within the District.
- Assistant Marketing and Special Events Manager is responsible for assisting the Marketing Manager on all DLBA marketing efforts including special events and sponsorship.
- Executive Assistant coordinates all administrative functions, which maximize the operating efficiency of the organization, and motivates staff to operate efficiently and to achieve organizational objectives.
- Administrative Assistant supports all departments in the daily administrative and clerical duties.

All salary, taxes and benefits are shared by the DPIA and the PBID, except for the Operations Manager (100% PBID) and the Vice President (in partnership with the City of Long Beach).

Office

Other general administration expenses include office rent, telephones, computers, office equipment lease, office supplies, postage, general insurance, professional services (including legal and annual audit fees), utilities, depreciation, taxes, accounting services (contract with a private firm), employee recruitment, bank charges, and outside support (temporary staffing as needed).

ADVOCACY **\$86,000**

The DLBA is the leading voice for the Downtown business community and plays a critical role in establishing and achieving objectives set forth by its stakeholders. The DLBA manages Task Forces, has established committees, and conducts regular meetings to serve the stakeholders better and ensure the quality of life in the central business district. It also acts as a liaison between the business community and many city departments and council offices.

Advocacy expenditures may include conducting workshops and orientations, costs for professional dues and subscriptions, participating in industry-related seminars and conferences or civic events, Board contingency, and the Visitor Information Center.

DELIQUENCY **\$68,515**

Budget includes approximately 4% of the projected PBID annual revenue to compensate for delinquent stakeholders.

CAPITAL IMPROVEMENT PROJECTS **\$327,773**

Under the direction of its Capital Improvement Projects Task Force, the DLBA assumes responsibility for working with community partners to create an environment that attracts and retains investment in the Downtown. Developing and supporting capital improvement projects is in accordance with the PBID Management Plan, which stipulates that the Special Project funds generated from assessments within the Standard and Premium service areas should support improvements that enhance the visual appearance of Downtown and may include:

- Seasonal banners and decorations
- Lighting
- Public art
- Street furniture and amenities
- Feasibility analyses and plans for design and physical improvements
- Other activities and improvements that visibly enhance the Downtown environment

ECONOMIC DEVELOPMENT WORK PLAN

FY 2009-10

INTRODUCTION

The Downtown Long Beach Associates (DLBA) Economic Development Department fulfills the role of leading, managing, or collaborating on Downtown initiatives, issues, and programs related to economic development (ED), governmental relations, marketing, public relations, and stakeholder outreach.

RESEARCH \$5,000

- **Resource Audit**
Develop and facilitate the mutual understanding of various agencies' roles and responsibilities related to ED. Possible methods include: Facilitating regular communication via an ED Task Force, reviewing agencies' collateral and web presences for consistent messaging, developing an inventory of the incentives available from programs and various agencies, consolidating the data and information regarding the Downtown real estate market, interfacing with the development community, and collecting proprietary market research. Deliverables from economic analysis currently underway by Strategic Economics along with other empirical data will be reviewed and augmented if needed.
- **Database review, update, and expansion**
Review the existing databases and associated systems for recording and compiling Downtown property and stakeholder information. Revise systems and collection methodology as needed to expand its capacity to be utilized for targeted communications, marketing, and outreach. Ideally, the DLBA will have full working knowledge of both the buildings in Downtown and the people who occupy them. This information is invaluable in informing targeted business recruitment efforts, developing a residential mailing list for business □ resident communications, facilitating communication between the City of Long Beach and Downtown stakeholders, etc. Multiple gold-standard ED databases will be reviewed to determine the appropriate management tool.
- **Available Space Inventory**
Develop a system/management structure used to oversee the collection of primary data regarding the inventory of available ground floor space appropriate for retail/commercial use in Downtown Long Beach. Once the information is collected, determine the appropriate period for follow-up research to ensure an accurate inventory. Utilize Downtown Guides program as initial agents of discovery, DLBA staff to follow-up and retrieve the specs for available spaces. The information collected will populate portion of the ED Website.

OUTREACH

\$30,000

- **Marketing Campaign**
Identify the most effective vehicles for driving economic development messaging. Expand beyond traditional advertising and use PR approach to deliver certain messages. Approach periodicals such as *Western Real Estate Business* and *longbeach* to determine their willingness to run DLBA-staff developed copy / content. Consider crossover with Marketing and Special Events to develop ED messaging campaign for the Downtown.
- **Quarterly Brokerage Briefings**
Quarterly meetings of the commercial office and retail brokerage communities, convened by the DLBA, will provide an atmosphere of collaboration appropriate for improving the Downtown submarket's commercial real estate health. All brokers that do business in Downtown Long Beach are welcome to attend; DLBA may develop program material, agendas, and arrange speakers as needed to facilitate the cooperative dialog and information sharing.
- **Downtown Development Map**
Using the information gathered in the Resource Audit, DLBA will work collaboratively with the RDA to update the Downtown development map and redesign it as needed using the intelligence collected by the ED Task Force and other Downtown stakeholders. This map should be updated semiannually to ensure an accurate portrayal of Downtown investment. Alternate versions of the map will be considered for multiple audiences.
- **Downtown Economic Profile**
Re-introduce the Downtown Profile, previously published in DLBA Annual Reports, as a stand-alone ED publication. The Profile will highlight various data, trends, and forecasts related to economic investment, growth, and potential in Downtown Long Beach. Modeled after the reports published by the most successful Downtown organizations from across the U.S., the Profile will chart office space occupancy, retail leasing, residential sales, new business openings, development announcements and progress, concurrent ED initiatives, infrastructure investments, information on arts, culture, and tourism demand generators, trends and analyses of the aforementioned, and a compilation of the accolades received during the preceding quarter. Budget permitting, the Downtown Profile will be distributed to all local officials, partner ED agencies, regional partners, tenant representatives, and key stakeholders, and will be available for download or mail order via the DLBA website.

BUSINESS RETENTION AND EXPANSION

\$70,000

- **Business Retention and Expansion Programs**
While attracting new businesses to Downtown Long Beach may garner significant media attention, an equally important ED strategy is the retention and expansion of the existing businesses. A viable and effective business retention and expansion (BRE) program ensures that the needs of local businesses are not only heard, but also addressed. Some examples of BRE programs other Downtowns have used include:

workforce development programs, business expansion loan guaranty programs, and specialized business education seminars that address issues such as effective storefront merchandising, trade area expansion, and variable cost reduction strategies. After developing an understanding of the challenges faced by the Downtown business community and receiving the economic and demographic research from Task 1: Resource Audit, a BRE program will be developed which targets stakeholders' specific needs. Ideally, this program will be applicable to a high percentage of Downtown businesses, and participation will be encouraged but voluntary. The ED Task Force will be utilized as a collaborative entity that oversees and shapes program decisions.

- **Business / Merchandising Seminars**

As a complement to the indirect outreach of the BRE, the DLBA will produce two annual seminars directed at improving the retail business climate in Downtown Long Beach. These seminars could include both a workshop and a direct outreach component. Current concepts under consideration include retail merchandizing, small business marketing techniques, and inventory management strategies.

BUSINESS RECRUITMENT

\$95,000

- **Retail Visioning / Planning**

This facilitated process is intended to develop a cohesive, collaborative, and market-based retail recruitment vision and strategy for Downtown Long Beach. As a collaborative venture, the consultant team would educate key stakeholders and officials about the realities of retail recruitment and share success stories from comparable cities. After developing a collective understanding of the market and the dynamics of retail recruitment, the facilitators will help the group develop a shared vision for the Downtown Long Beach retail environment and assist in creating a strategy that includes a series of steps / metrics to be used to measure the results achieved while working towards the goal. The process is designed to help align the expectations of the stakeholders with a realistic and attainable strategy that provides a description of the various roles and responsibilities of the various actors involved. Following the completion of the strategy, the facilitators will assist the community in developing the collateral and other tools needed to recruit the targeted retailers.

- **Strategic Recruitment Activities**

Following the completion of the Retail Visioning / Planning, the DLBA will embark on targeted retail recruitment activities designed to implement the strategy. The budget allotment for this task is related to any travel, tradeshow, or collateral development needed to carry out the strategy.

SPECIAL PROJECTS

\$20,000

- **Storefront Activation**

As a method directed at affecting the perception of vitality in Downtown Long Beach, the DLBA will identify several vacant retail storefronts that offer the potential for creative activation strategies such as pop-up stores, compelling signage, showcasing new technologies, information dissemination, non-traditional uses, or artistic endeavors with local artists.

- **Other**

To ensure that the DLBA remains nimble and responsive to the needs of the stakeholders or other opportunities unbudgeted, the ED department will reserve a modest amount of funds to cover the costs associated with those opportunities.

TOTAL ECONOMIC DEVELOPMENT

\$220,000

MARKETING WORK PLAN

FY 2009-2010

INTRODUCTION

A major component of managing the Business Improvement District is to build and maintain strong advocacy and marketing programs. The DLBA Marketing Department, under the direction and leadership of the Marketing and Special Events Task Force, is dedicated to increasing the awareness for and enhancing the image of Downtown Long Beach. This is achieved through year-round promotions, publishing a monthly newsletter, implementing and sustaining public relations activities, maintaining an informative and user-friendly website, and a wide variety of advertising programs and collateral materials.

ADVERTISING/PROMOTIONS/COMMUNICATIONS \$80,000

- **Advertising**

Advertising is essential to communicating about Downtown Long Beach and all it has to offer. In efforts to maintain top-of-mind awareness within the community, the DLBA needs to maintain an advertising budget in support of different advertising opportunities that present themselves throughout the year. This includes cooperative advertising where the DLBA works with various publication and media outlets to buy advertising and then work with Stakeholders to participate in the program by buying those spaces at a reduced rate.

- **Stakeholder Outreach**

The on-going communication with Downtown Stakeholders is of extreme importance. To that end, the DLBA will communicate consistently with postcards, flyers, mailings and other outreach methods.

PUBLICATIONS/COLLATERAL/PHOTOS \$31,500

- **Annual Report**

The DLBA annual report serves to highlight the accomplishments and measurable results from each of the departments with the DLBA organization. Produced on an annual basis, the report contains brief descriptions of the DLBA programs initiated within the past Fiscal Year and also provides financial summaries. Quantity: 3,500.

- **DLBA Collateral and Photo Stock**

There are many opportunities for the DLBA to display/distribute collateral pieces that provide information on the Downtown and the organization. While maintaining interest in being as environmentally responsible as possible, the DLBA does need several updated pieces of collateral. (One such example is the Downtown Deals, a piece that is printed between two cardstock business cards and folds out into a map on one side with special discounts listed on the other side). The DLBA also produces a public right-of-way booklet to educate Stakeholders regarding City ordinances. It is included in New Member Packets as well distributed to the City for their use.

WEBSITE

\$15,000

- **www.DowntownLongBeach.org**

DLBA's website is a valuable tool for the dissemination of both consumer and business information to interested parties. The website averages approximately 32,000 hits per month, serving 6,000 users. The continual update and progress of the site is integral to its success. Page to include the catalog of programs, services, and incentives offered by various agencies; the design should complement messages from other sites and/or a consensus direction from the ED Task Force on amended ED messaging. The page should also include Downtown demographic information and an updated inventory of new developments, accolades, etc. Over time, an inventory of available ground-floor commercial space and its associated data will be compiled and presented on the webpage and updated regularly per Available Space Inventory. The page should serve as a one-stop-shop for individuals interested in investing in the Downtown and will position the DLBA as the go-to source for market-related data about and analysis of the Downtown submarket.

**SPECIAL EVENTS WORK PLAN
FY 2009-2010**

INTRODUCTION

Special Events offer an exciting way to attract and generate increased foot traffic into the central business district. Through creating and supporting opportunities for people to experience the urban energy and appeal of the Downtown area, the DLBA can demonstrate its initiative and commitment towards enhancing the environment. The goal of the Special Events Department, under the direction and leadership of the Marketing and Special Events Task Force, is to manage and centralize all aspects involved with the DLBA's special events programs, including sponsorships, planning and execution in addition to providing technical assistance to outside organizations and individuals that produce events in the Downtown.

- **KABC Clean Air Car Showcase - June 2010** **\$7,500**
DLBA = \$2,500; Sponsorship = \$5,000
 The DLBA will once again partner with KABC radio to produce a Clean Air Car Showcase at the Pike in Downtown Long Beach. With manufacturers' booths, test drives, live music and an on-site radio broadcast, this event provides great exposure for Downtown while at the same time promoting environmentally friendly practices.
- **Powerfest on Pine - July 2010** **\$40,000**
DLBA = \$35,000; Sponsorship = \$5,000
 The DLBA will produce for the third time a kick-off event to the SeaFest Power Boat weekend competitions. Held along Pine Avenue, between Broadway and 4th Street, this free Thursday night event will feature interactive water sport demonstrations, live music and static power boat displays.
- **Promenade Entertainment - Summertime 2010** **\$30,000**
DLBA = \$25,000; Sponsorship = \$5,000
 Taking advantage of the newly completed Promenade amphitheatre, the DLBA will program the open space with a variety of activities, including but not limited to Summer Movies in the Park, concerts, and lunch-time events.
- **Pink Party on Pine -May 2010** **\$30,000**
DLBA = \$20,000; Sponsorship = \$10,000
 This annual kick-off party celebrates the Pride Festival and Parade weekend, which is the second highest attended event in the city. The DLBA will take advantage of the critical mass this weekend generates and promote the Downtown to event attendees celebrating the diversity the city has to offer.

- **Restaurant Week** **\$25,000**
DLBA = \$15,000; Sponsorship = \$10,000
 The Downtown Long Beach Restaurant Week program is aimed at promoting Downtown restaurants to residents, visitors, and office workers alike during the 11am - 1pm lunch hour and the 5pm - 9pm dinner hour. The DLBA anticipates again participating in LA's restaurant week for the second year in a row while organizing and promoting a similar week that is specific to just Downtown. Through this program, diners will have the opportunity to experience the wide variety of restaurants offered throughout the Downtown.

- **2ND Saturday** **\$94,125**
DLBA = \$74,125; Sponsorship = \$20,000
 The DLBA will co-produce/support monthly events in the East Village, highlighting the many restaurants and art venues including directly connecting with anchor destinations such as the Museum of Latin American Art and Farmers Market. It will be encouraged to tie-in signature annual events such as SoundWalk, Tour de Artists, Exposure, Latin American Festival with community organizations, the Arts Council and educational institutions to create a continuum of activities in the burgeoning arts district.

TOTAL **\$592,947**
DLBA SEED = \$417,947; SPONSORSHIP = \$175,000

OPERATIONS WORK PLAN FY 2009-2010

INTRODUCTION

The Downtown Long Beach Associates (DLBA) Operations Department is dedicated to the security and maintenance of the 85-block assessment district in the Downtown via the Downtown Clean Team and Downtown Guides.

DOWNTOWN CLEAN TEAM

\$696,792

The Clean Team ensures the central business district remains attractive, clean and appealing for the visitor seven days a week. In order to consistently deal with maintenance issues, a multi-dimensional approach was developed consisting of: sidewalk maintenance, alley maintenance, graffiti removal, sidewalk scrubbing and pressure washing, trash collection, landscape maintenance, paper sign and handbill removal, and maintenance problems requiring third party intervention. The Clean Team provides service as mandated by the Property-Based Improvement District Management Plan as well as contracted services outside of the PBID scope which are funded through compensatory revenue and not PBID revenue. An example of contract service is the agreement between the DLBA and the Long Beach Transit Information Center to provide restroom host service.

- **Sidewalk Maintenance**
Uniformed, radio-equipped personnel sweep litter, debris and refuse from sidewalks and gutters within the District.
- **Alley Maintenance**
The Downtown Clean Team and Downtown Guides each have responsibility in this area. The Downtown Guides address owner and tenant compliance with City code issues on cleanliness of sidewalks, alleys and illegal dumping. The Downtown Clean Team works with Environmental Services Bureau to remove debris from the alley when a responsible party can not be found for illegal dumping or other violations.
- **Graffiti Removal**
The Downtown Clean Team removes graffiti by using solvents and pressure washing. The District maintains a zero tolerance graffiti policy. All tags will be removed within 24 hours. For those tags that the Downtown Clean Team is unable to remove, a list is sent via fax to the Graffiti Abatement Team with the City of Long Beach, which sends a graffiti removal team out.
- **Sidewalk Pressure Washing**
Pressure washers service 12 - 15 blocks per day, seven days a week. The District standard is to have all sidewalks cleaned every six weeks, with Premium areas cleaned weekly.

- **Trash Collection**
The District truck collects the bags of trash left in pre-arranged locations by the Sweepers each morning and afternoon. The bags are deposited in a large trash bin assigned to the DLBA.
- **Landscape Maintenance**
Public landscape areas, tree wells and planters are maintained and kept free of litter and weeds.
- **Paper Sign and Handbill Removal**
Paper signs and handbills that have been scotch-taped or glued on public property, utility boxes, poles and telephones are removed by hand or when necessary, by high pressure hose.
- **Maintenance Problems Requiring Third Party Intervention**
Problems are monitored that create blighted or unsafe conditions in the District, but are outside of the jurisdiction of the DLBA personnel to repair. Requests are made to the responsible party for repair. Types of problems include blocked or damaged sewers or drains, damaged sidewalks, streets, and/or alleys, non-operating street lights, damaged or missing street signs, etc.

DOWNTOWN SAFETY GUIDES

\$559,473

The District mission for the Downtown Safety Guides is to support the police department, property owners and tenants in overall crime prevention efforts and reduction in neighborhood street disorder, while offering customer service orientation to pedestrians. They provide highly visible neighborhood security and are intended to supplement, not supplant individual building security and the Long Beach Police Department (LBPB). They assist with quality of life issues, and participate in outreach programs.

- **Integration with the Long Beach Police Department (LBPB)**
The Downtown Safety Guides work closely with the LBPB and integrate the District security program with that of the LBPB, whose officers are active in the development and training of the Downtown Safety Guides. The lead Downtown Safety Guide on each shift carries and monitors a LBPB radio to ensure good communication.
- **Bicycle Patrol**
The Bike Patrol deters aggressive panhandling and other unsuitable street behavior. Their presence is a deterrent to theft and burglary from motor vehicles; however the service does not completely prevent these crimes. They also deter and report illegal street vending, illegal dumping and street code violations. They handle a myriad of quality of life problems including: drinking in public, urinating in public, indecent exposure, trespassing, scavenging and shopping cart confiscation. They perform goodwill gestures such as escorting employees, helping lost persons and

giving directions. Bike Patrols also assist with traffic control in case of accidents, fires or unusual occurrences.

Bike patrols are assigned routes evenly, covering all property equally on any route in the District. They are professional, assertive, friendly, courteous, people oriented individuals in excellent physical condition. The Bike Patrol officers complete 32 hours of customized classroom district training and 16 hours of field training.

- **Foot Patrol**

The Foot Patrol concentrates on the highest pedestrian-use corridors such as Pine Avenue, the Promenade, City Place and The Pike at Rainbow Lagoon. The Foot Patrol has the same mission and receives the same training as the Bike Patrol.

- **Segway Patrol**

All Downtown Safety Guides are trained to use a Segway during their daily patrols. With a platform situated approximately one foot off the ground, the Downtown Safety Guides have the benefit of an elevated perspective that allows greater visibility and better views of activity on the streets. The ease of mobility between the Downtown districts is greatly improved, allowing for quicker response time and more efficient travel between stops. The projected annual expense of \$28,000 for lease and maintenance is funded through an advertising agreement between DLBA and Bubba Gump Shrimp Company.

- **Personal Data Assistants (PDAs)**

Downtown Long Beach Associates will continue to contract with Eponic, Inc. to provide on-line user management and report tools as well as support and service of the PDAs for the Downtown Safety Guide Program.

- **Integration with Homeless Service Providers**

The Downtown Safety Guides are accompanied on bike patrol by an Outreach Worker from the Multi-Service Center on pre-arranged days. The Guides have learned from the Outreach Workers and have become more empathetic and understanding of the needs of the homeless person as well as more confident in referring these individuals to local service providers.

COMMUNITY OUTREACH

- **Downtown Security Alliance**

The DLBA Operations Manager facilitates the Downtown Security Alliance, whose purpose is to enhance communication and cooperation between the various security entities within the City of Long Beach and the Long Beach Police Department.

- **Downtown Operations Coordinating Committee**

The DLBA Operations Manager facilitates the Downtown Operations Coordinating Committee whose purpose is to share information, coordinate schedules and work together to address safety and cleanliness in the Downtown.

- **Homeless Dialogue Collaborative**

DLBA will continue to work with the Homeless Dialogue Collaborative to produce community forums designed to educate the public on issues surrounding homelessness.

- **Long Beach Area Coalition for the Homelessness**

DLBA will continue to be an active member of the Homeless Coalition and support their efforts to create the systemic and attitudinal changes necessary to prevent and end homelessness.

- **10-Year Plan to End Homelessness**

DLBA will continue to support the efforts of the City of Long Beach as the 10-Year Plan to End Homelessness moves into the implementation phase.

1. DISTRICT BACKGROUND

On July 22, 2003, the City Council of the City of Long Beach ("City Council") established the Downtown Long Beach Property and Business Improvement District (the "District" or the "PBID"), pursuant to the provisions of the *Property and Business Improvement District Law of 1994* (the "Law") *Division 18 of the Streets and Highways Code, commencing with Section 36600*. The City Council determined that the businesses lying within the District boundaries receive special benefit from the improvements and services provided by the District. The City Council further ordered the levy and collection of assessments to pay for the improvements and services provided by the District.

The City Council appointed the Downtown Long Beach Associates (the "DLBA") to make recommendations to the City Council on: the expenditure of revenues derived from the levy of assessments; the classification of properties; and the method and basis of levying the assessments. The District budgets and policies are recommended to the City Council by the DLBA Board, composed of property and business owners located within the District.

This Annual Report is prepared pursuant to Section 36650 (a) of the Law and includes any proposed changes to the District boundaries, benefit zone boundaries, the basis and method of levying the assessments, and any changes to the classification of property.

The District will have a 10-year life beginning January 1, 2004. In accordance with the PBID Management Plan, the DLBA undertook a five-year review of the plan and PBID programs. The result of the review was the strategic planning document *DLBA 2010: A Focus for Leadership and Development*, which is available online at www.dlba.org/residents/Plans_and_Reports.

Annual assessments are based upon an allocation of program costs and a calculation of linear frontage and lot plus building square footage. The District is separated into three benefit zones or service areas. Each benefit zone will receive different levels of service, benefit and assessment. Expenses for Image/Communications were increased over the first three years from \$150,000 to \$300,000 and annual cost of living allowances of three percent were projected for Downtown Guide and Clean Teams during the first three years. Following year three, annual assessments may increase by annual changes in the Tri-County Consumer Price Index (CPI) for all urban consumers and/or other changes in program costs, not to exceed 5% (five percent) per year. Maximum assessment amounts are shown in Section 6.3 of this Report.

2. PROPOSED CHANGES TO THE DISTRICT

There are no proposed changes to the District boundaries, benefit zones, the basis and method of levying the assessments, or the classifications of property.

3. DESCRIPTION OF THE DISTRICT BOUNDARIES

3.1. General Description of the District Boundaries

The District encompasses approximately 72 blocks in an area bounded roughly by Seaside Way and Shoreline Drive on the south, Alamitos Avenue on the east, the Long Beach Freeway on the west and Broadway, 6th Street, 8th Street and 4th Street on the north. Within this area three benefit zones have been established that will receive different levels of service, benefit and assessment. Section 7 of this Report provides a diagram identifying the District and zone boundaries.

3.2. Detailed Description of the District Boundaries

Beginning at the southeast corner of 7th St. and Alamitos Ave. go south along the east property line of property facing on the east side of Alamitos Ave. to the intersection of Seaside Way and Alamitos/Shoreline Drive. Go west along Seaside Way following the south property line of property facing on the north side of Seaside Way to the intersection of Seaside and Pine Ave. Continue south along the east property line of property facing on the west side of Pine Ave. to the intersection of Pine Ave. and Shoreline Drive. 4. DESCRIPTION OF IMPROVEMENTS AND ACTIVITIES

4.1. Management Plan Summary

Developed by the commercial property owners in Downtown Long Beach, the Business Improvement District Plan improves and conveys special benefits to properties located within the District boundaries. The District provides enhanced safety, maintenance, image enhancement and advocacy programs, above and beyond those currently provided by the City.

4.2. Clean Team

Uniformed "Clean Teams" provide enhanced maintenance services including sidewalk sweeping and litter removal, power washing and scrubbing of sidewalks, graffiti removal, and clean-up of unusual maintenance problems ranging from illegal dumping to stray shopping carts.

4.3. Downtown Guides

Uniformed "Downtown Guides" provide Downtown ambassadorial services by assisting visitors and employees, supporting crime prevention efforts to reduce the incidence of nuisance crimes, and productively addressing the challenges associated with street populations. Deployment of guides includes foot patrols, bicycle patrols, escort and visitor services.

4.4. Image Enhancement

Image enhancement activities aim to improve the overall business image of Downtown with the goal of attracting and retaining businesses, jobs and investment. Initiatives must be designated to provide collective benefits to businesses and property owners. While annual work programs and budgets are developed in collaboration with targeted stakeholders and approved by the DLBA Board, programs are selected from a variety of options that may include the following:

Destination Marketing programs that aim to position Downtown Long Beach as a consumer destination. Marketing programs must demonstrate collective benefits to business and property owners. Options include:

- Advertising, including branding and cooperative campaigns and increased placement and frequency in print media.
- Increased distribution and enhanced quality of publications, including the Downtown map and directory and activity guides.
- Improved and increased special event production.
- Public relations efforts to promote a positive image and overall experience.

Investor Marketing/Economic Development services to aid in efforts to attract new office tenants and retail businesses to Downtown and elevate Downtown's business profile in the regional market. Options include:

- Design and production of investor marketing packages to assist real estate brokers, developers and property owners in business recruitment efforts.
- Maintenance of a District database with local market and real estate information.

- Trouble-shooting and permitting liaison services to assist property and business owners to invest and operate in the District.
- Enhanced research and development of the www.downtownlongbeach.org website.
- Incentives and marketing activities targeted to regional real estate brokers.
- Increased business retention efforts to encourage existing businesses to grow.

Communications services to better inform business and property owners. Options include:

- Continued publication of a periodic newsletter.
- District ratepayer surveys to measure overall satisfaction with programs.
- Media relations activities to project a positive business image in local, regional and national media.

4.5. Special Projects

Special project funds support improvements that aim to improve the visual appearance of Downtown. These may include seasonal banners and decorations, public art, street furniture and amenities, feasibility analyses and plans for design and physical improvements, and other activities and improvements that visibly enhance the Downtown environment.

4.6. Advocacy, Administration and Reserve

Through the DLBA, the PBID supports a professional staff that delivers programs and advocates on behalf of the Downtown community. The PBID allows Downtown stakeholders to project a unified voice and elevate their influence in policies and issues that affect the central business district.

Funds are allocated to office and support services such as bookkeeping, office rent, insurance, office equipment, and professional development and training for the staff and DLBA Board. A four percent operating reserve is also budgeted as a contingency for any payment delinquencies and/or unforeseen budget adjustments.

4.7. District Services by Zone

The following table provides a listing of district services provided to each benefit zone. The frequencies of each service may vary by benefit zone.

5. DISTRICT BUDGET

5.1. District Budget

The District budget for Fiscal Year 2009/10 has been submitted to the City Council and is, by reference, made part of this report. In accordance with the District's PBID Management Plan, budgeted costs in the amount of \$1,803,042 will be recovered. Also in accordance with the Management Plan, reserve funds (4% of the anticipated revenue) will supplement any difference between the anticipated revenue and the actual revenue collected throughout the course of the fiscal year.

See Section 8 for a detailed listing of current year assessments.

5.2. Surplus or Deficit Carryover

The District will undergo an independent audit upon the conclusion of Fiscal Year 2008/09 on September 30, 2009. The audit should be completed by December 2009. Surplus or deficit carryover information will be available upon completion of the audit.

6. METHOD AND BASIS OF ASSESSMENTS

6.1. Method of Apportionment

The District assessment methodology is based on the following variables: linear frontage; lot plus building square footage; premium service area front footage.

- **Linear Frontage:** All Clean Team costs and one-half of the Downtown Guide costs are allocated through linear frontage, acknowledging the benefit of these services to make Downtown sidewalks cleaner and safer.
- **Lot plus Building Square Footage:** The sum of lot and building square footage is a primary assessment variable for a portion of the Downtown Guide costs and the full costs of image enhancement, special projects, advocacy and administration. The inclusion of lot square footage in the calculation acknowledges the greater benefits of these services to the ground level of the property. Building square footage is defined as "rentable building square footage".
- **Premium Service Area Frontage Assessment:** The linear frontage assessment is higher in the premium service area than the standard service area, acknowledging the greater frequency in Clean Team and Downtown Guide services.

The District levied the Maximum Assessment rates for each Zone during the first three years of the District. Following the third year, annual assessments may increase by as much as 5% per year to keep pace with the change in the consumer price index and other program costs.

6.2. First Year Assessments

The following table provides the assessment rates per benefit zone for Fiscal Year 2003/04, which was the first year of assessment for the re-established District.

Activity	Assessment Variables:	
	Per Linear Foot of Frontage	Per Square Foot of Lot plus building
(Zone 1) Basic Service Areas	\$0.00	\$0.0159
(Zone 2) Standard Service Areas	7.555	0.0298
(Zone 3) Premium Service Areas	13.022	0.0298

6.3. Historic Assessment Rates & Maximum Rates Allowable

The table below identifies the actual 2009/10 assessment rates as well as the Maximum Assessment rates allowable. Future rates may change, up or down, if linear frontage or building and lot square footage information changes and/or PBID budgets change. However, at no time during the ten year term of the PBID will assessments exceed the listed Maximum assessment rates for Fiscal Year 2009/10 were not increased over the prior year rates. Assessment rates are allowed to increase (5%) annually.

\$/Per building plus lot square foot	0.0437	0.0402	0.0459	0.0402	0.0482	0.0506

6.4. Property Use Considerations

The methodology provides the following treatments for property used exclusively for residential, parking structure, non-profit and government uses:

- **Treatment of Residential Property:** Properties used exclusively for rental residential use are considered commercial income-producing property and will be subject to PBID assessments. Properties used exclusively for owner-occupied residential use are not subject to PBID assessments.
- **Treatment of Mixed Residential/Commercial Property:** Mixed-use properties that contain both rental residential and commercial uses will be subject to PBID assessments. Mixed-use properties that contain both owner-occupied residential uses and commercial uses will be assessed only on the property that is occupied by a commercial use.
- **Parking:** Parking structures will be subject to one of the following assessment treatments:
 - 1) Frontage, lot and building square footage for parking that is integrated within a building (and the building has other uses in addition to parking) will be excluded from assessment calculations.
 - 2) Frontage, lot and building square footage for stand-alone structured public parking and surface parking will be assessed for all PBID services.
- **Assessment Policy on 501c3 Organizations:** Tax-exempt properties may be excluded from assessments. An owner of real property located within the PBID may reduce the amount of the assessment to be levied if all of the following conditions are met:
 - 1) The property owner is a non-profit corporation that has obtained federal tax exemption under Internal Revenue Code section 501c3 or California Franchise tax-exemption under the Revenue and Taxation Code Section 23701d.
 - 2) The class or category of real property is eligible for exemption, in whole or in part, from real property taxation.
 - 3) The property owner makes the request in writing to the Downtown Long Beach Associates prior to the submission of the PBID assessment rolls to the County Assessor (on or before July 1 of each year), accompanied by documentation of the tax-exempt status of the property owner and the class or category of real property.

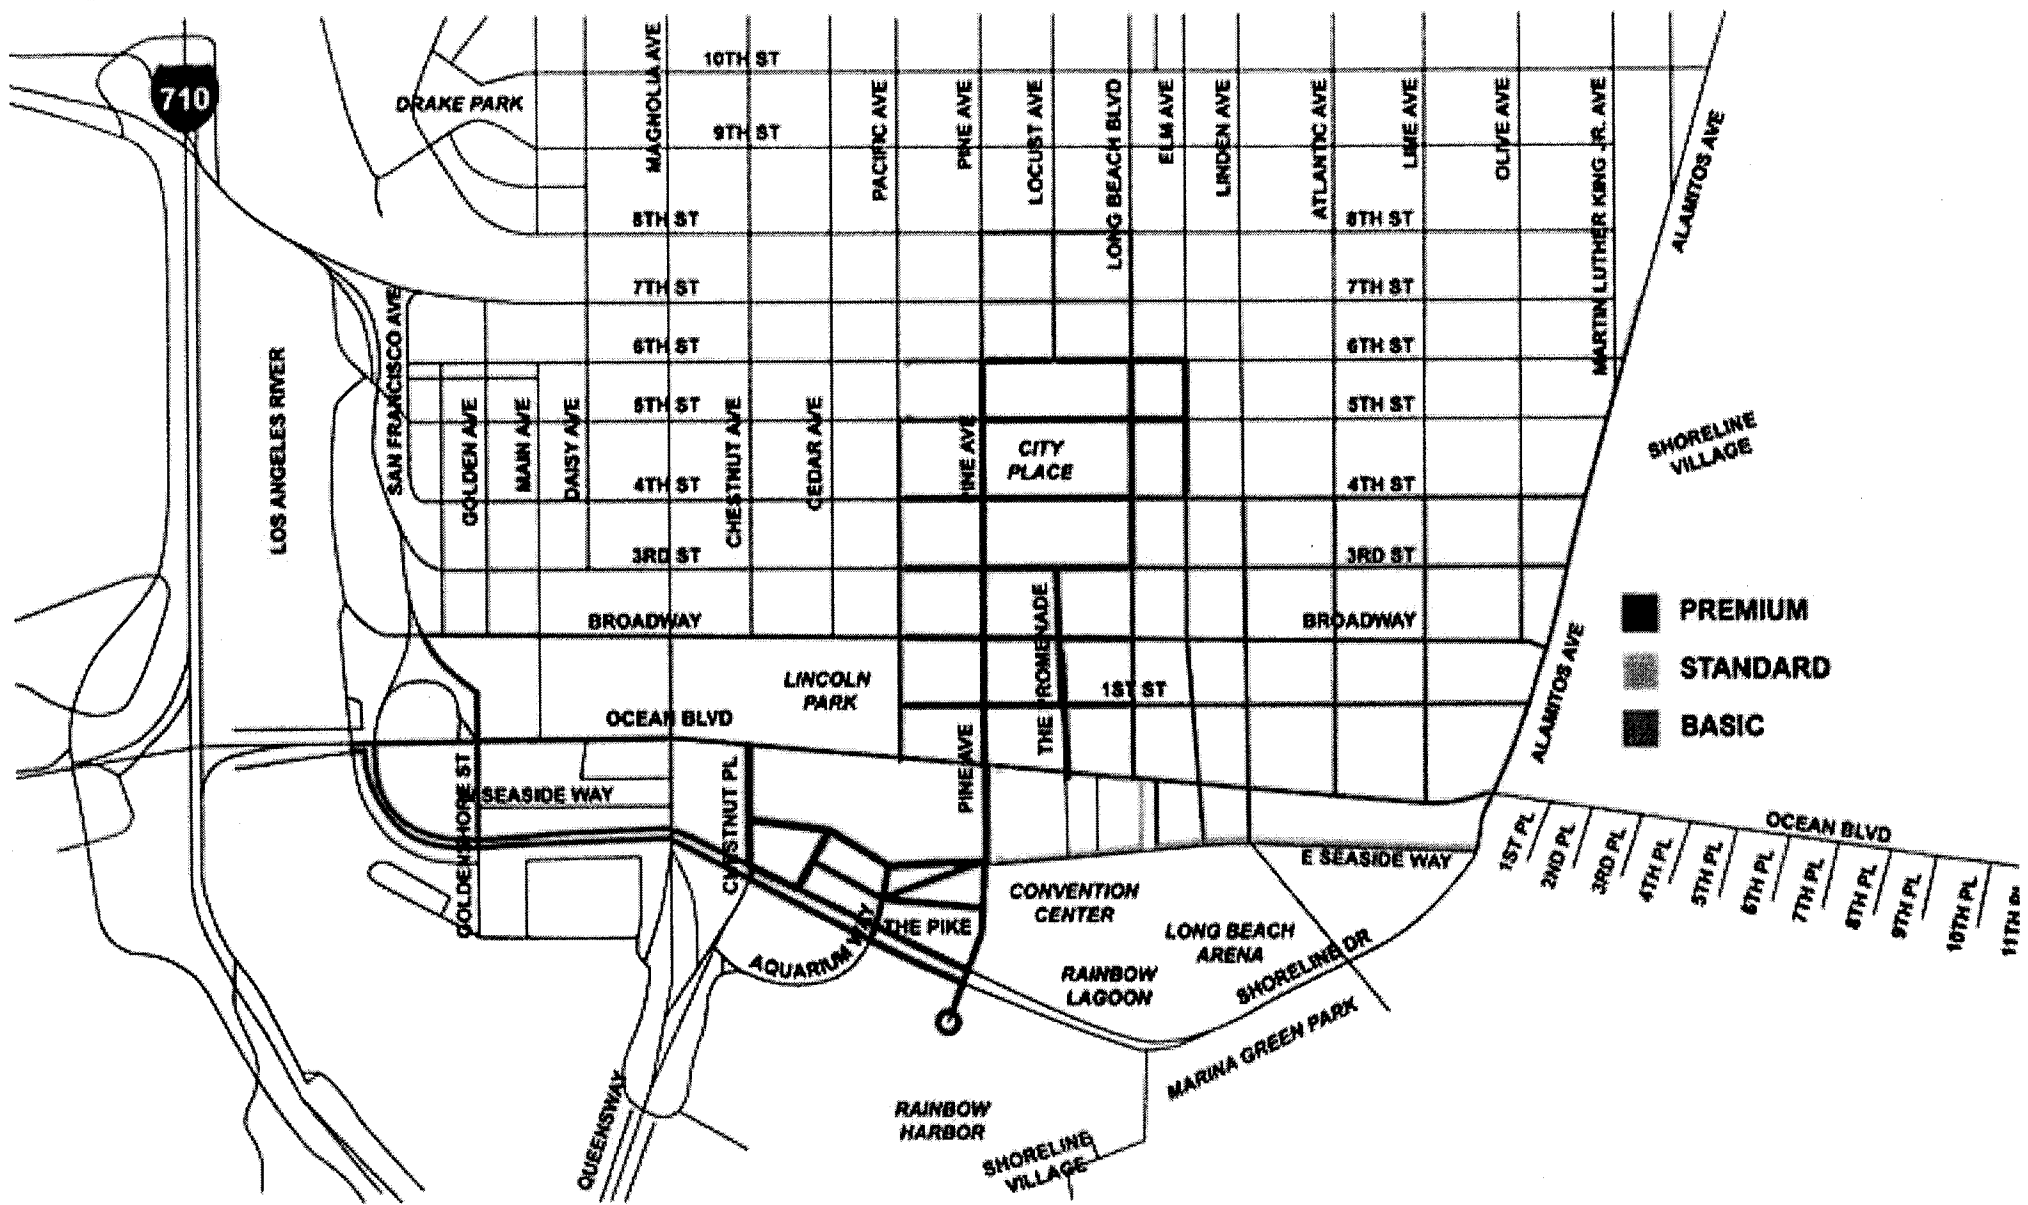

If these conditions are met, the amount of the PBID assessment to be levied shall be reduced in the same proportion to the real property tax exemption granted to the property by the County of Los Angeles.

- **Long Beach Unified School District:** Properties owned by the Long Beach Unified School District will be excluded from assessment calculations.
- **Government Assessments:** The Downtown Long Beach PBID Management Plan assumes that the City of Long Beach, Long Beach Redevelopment Agency, County of Los Angeles and other government entities will pay assessments for the special benefits conferred to the government property within the boundaries of the PBID.
