III. SERVICE PLAN AND BUDGET

A. The year in review – 2012 events

The area along Fourth Street between Cherry Avenue and Carroll Park East offers a truly unique shopping area. This relatively small area is known regionally as well as internationally for its eclectic shops and hip product selection.

Fourth Street businesses continue making strides in promoting the district working together during the second year of the business improvement district, the FSIA has continued with regular meetings, gained the participation of new additional affiliate member businesses and increased the scope and impact of marketing and promotional programs. Programs conducted during 2012 included:

- **Two Sidewalk sales (summer and fall event)**
 - The street held two sidewalk sales with different themes. Both proved highly successful and attracted visitors from the neighborhood as well as neighboring cities.
- **One Holiday Open House event (December)**
 - The Holiday Open House event started off the shopping season for this district and promoted a shop local, shop independent slogan.
- **Regular street clean-ups (daily and monthly)**
 - The regular sweeping, graffiti reporting and code enforcement efforts are vital to make 4th Street BIA attractive and safe.
- **Maintenance of sprinkler system in “Garden Walk” (Summer)**
 - The Garden walk was planted over 10 years ago with a NPP grant. The 4th Street BIA has maintained the planter beds and sprinkler system to this day. The recent re-greening of the area with native and drought tolerant plants makes the street look more attractive and cared for.
- **4th Street – creation of BFBD**
 - Retro Row became a Bike friendly business district. A BFBD committee was established with business owners to explore the possibilities of becoming more bike friendly. All events on 4th Street now include bike friendly parking options.
- **Joint advertising (event driven)**
 - 4th Street placed several ads in local newspapers in order to raise awareness of the BIA.
- **Maintenance and update of 4th Street Retro Row website (monthly)**
 - As print media is fading more and more in the background of our marketing efforts, online presence is where the association will be focusing on in the future.
 - The association completely overhauled their website and integrated it with its current FB and other online marketing features.

- **Business outreach committee on 4th Street Retro Row (ongoing)**
 - We have created an outreach committee to welcome new businesses and actively recruit businesses to locate to 4th Street.
- **Business Listing Brochure**
 - The marketing brochure received a full make-over in 2012 and shines with a new design and an updated content.

Planned FY 2012/13 activities will include:

- **2 Sidewalk sales**
- **Regular updates of 4th Street / Retro Row brochure**
- **Joint advertising**
- **Regular street cleaning of 4th Street Retro Row**
- **Maintenance of a business outreach committee on Retro Row**
- **Maintenance of Parking Lot at 4th and Cherry lot**
- **Maintenance of a bike friendly business corridor along 4th Street**
- **Implementation of a Bike Rental Kiosk along 4th Street**

B. Service Plan

The FSPBIA Service Plan provides for funding for marketing and promoting and maintaining the cleanliness and attractiveness of the shopping area. Although we are a new organization, with relatively few participants, we have amassed a modest budget that will enable us to plan and promote events, as well as contribute to the overall cleanliness of our area.

Services to be provided are:

1. Marketing Media and Materials Amount: \$3300

These services will include the new development and continuous updating of the 4th Street website, as well as print advertising for our special events and general pieces to promote the street. Social media promotion has become a large part of 4th streets marketing efforts. We will strengthen this part of our marketing efforts as well.

2. Promotional Events Amount: \$4600

The largest portion of this budget will go towards regular 4th Street events like the side walk sales, holiday open house and other promotional events.

3. Streetscape and Cleanliness Amount: \$1700

In an ongoing effort to maintain the cleanliness of our street, we have earmarked funds for streets scaping and cleanliness. A landscaping

company has been hired to maintain not only the parking lot but also the Garden Walk alongside Burbank Elementary School.

C. Services Budget

Services will be provided based on the following estimated allocation of FSPBIA revenue totaling \$10,800 for FY 2012/13. No Consumer Price Index adjustment is applied to assessment fees for FY 2012/13.

The annual increase shall not exceed three (3%) percent of the previous year's assessment. The annual Consumer Price Index variance will be calculated in March and applied in July of each year. The District will have a fiscal year of October 1 through September 30.

C. Time and Manner for Collecting Assessments

3. The FSPBIA Advisory Board shall comply with the Brown Act when discussing or acting on matters within the subject matter of the district (e.g. annual report assessment methodology, boundaries, budget and Service Plan).

B. Disestablishment

According to State law, any district where there is no outstanding indebtedness may be disestablished by resolution of the City Council. This may occur if the City Council finds that funds have been improperly used or if the assesses request disestablishment. There will be a thirty-day window every year beginning on the one-year anniversary of the establishment of the District, in which business owners may petition to disestablish the District. If the assesses who pay 50% or more of the total assessments levied submit a written petition to disestablish the District, the City Council will do so.
