Subject: Long Beach Green Room Collective

As a business owner in Long Beach second district and a neighbor of the Long Beach Green Room collective, I fully support the efforts this particular collective has made to keep our business safe and clean. Managers of this collective have maintained their business in a professional and clean manner. The Green Room has volunteers that clean around its facility on a daily basis as well as security staff that helps maintain peace and security for our business. The Green Room collective is motivated to be a positive element in the community and strives to improve and enhance its business relationship with its neighbors.

Thank you for taking the time to read this, and thank you for your service to the City of Long Beach.
