CONTRACT

34212

1
2
3 THIS CONTRACT ("Contract") is made and entered, in duplicate, as of
4 January 25, 2016, for reference purposes only, pursuant to Resolution No. RES-16-0005,
5 adopted by the City Council of the City of Long Beach at its meeting on January 19,
6 2016, by and between SOUTHERN CALIFORNIA FLEET SERVICES, INC., a California
7 corporation ("Contractor"), with a place of business at 2855 Sampson Avenue, Corona,
8 California 92879, and the CITY OF LONG BEACH ("City"), a municipal corporation.

9 WHEREAS, the Fleet Services Bureau performs preventative maintenance
10 and repairs to 31 active Seagrave fire truck units as part of the City's fleet maintenance
11 program;

12 WHEREAS, City did by Resolution No. RES-16-0005, determine that the
13 City's need for Seagrave fire apparatus parts and service could only be met by
14 Contractor and, by reason of the foregoing, no useful purpose would be served by
15 advertising for bids for Seagrave fire apparatus parts and service, and to do so would
16 constitute an idle and useless act and an unnecessary expenditure of public funds; and

17 NOW, THEREFORE, in consideration of the mutual terms and conditions
18 contained herein, the parties agree as follows:

19 1. Contractor shall sell, furnish and deliver to City Seagrave fire
20 apparatus parts and service on an as-needed basis, as authorized by Resolution No.
21 RES-16-0005, and described in Exhibit "A" attached to this Contract and incorporated
22 herein by this reference.

23 2. City shall pay Contractor in due course of payments, following
24 receipt of an invoice from Contractor and upon acceptance from City, for the Seagrave
25 fire apparatus parts and service at the prices shown in Exhibit "A", an annual sum not to
26 exceed Two Hundred Twenty Thousand Dollars (\$220,000).

27 3. The term of this Contract shall be deemed to have commenced on
28 February 1, 2016, and shall terminate at midnight on January 31, 2018, unless sooner

1 terminated as provided in this Contract. The City shall have the option to extend the term
2 of this Contract upon the same terms and conditions for two (2) additional one (1) year
3 periods upon advance written notice to Contractor.

4 4. The City may terminate this Contract by giving thirty (30) days prior
5 notice of termination to Contractor.

6 5. Neither this Contract nor any of the monies that may become due to
7 Contractor hereunder may be assigned without the prior written consent of City.

8 6. Any notices required hereunder or desired to be given by either party
9 shall be in writing and personally delivered or deposited in the U.S. Postal Service, first
10 class postage prepaid, addressed to Contractor at the address stated herein, and to City
11 at 333 West Ocean Boulevard, Long Beach, California 90802 Attn: City Manager. Notice
12 shall be deemed given on the date personal delivery is made or on the date of deposit in
13 the mail, whichever first occurs.

14 7. City shall have the benefit of any warranty from the manufacturer for
15 Seagrave fire apparatus parts and service, and Contractor warrants that the Seagrave
16 fire apparatus parts are in good working order and free from defect at the time of delivery.

Company overview:

Southern California Fleet Services, Inc. has been in business since 1982. Currently there are 5 locations throughout Southern California. With locations in Las Vegas and Arizona under the name Fleet-Line truck & equipment repair. With over 60 mobile repair units covering Southern California. Southern California Fleet Services, Inc. performs all types of preventive maintenance and major repairs of full size tractor trailers, bobtails, and company cars. We repair diesel, gas, and propane engines and our mechanics are trained to perform State BIT inspections as well as Federal DOT inspections.

Company approach:

Our goal is to serve our clients to the best of our ability. Technicians are continually educated on the most advanced vehicles and equipment while they utilize the latest technology in Lap Tops, Pro-Links & Scanners to perform electronic diagnostics. We also stay abreast of current laws and regulations regarding hazardous waste disposal and are in compliance with OSHA and HazMat regulations. We have the resources and experience to provide turnkey maintenance solutions that allow fleets to focus on their core business, secure in the knowledge that their equipment can meet operating and regulatory compliance demands.
