Subject: Alley vacation Willow at Daisy

I understand that you will have a hearing tomorrow in regards to vacating the alley behind Willow at Daisy.

I wanted to write in to support this idea. I frequent the dentist next door as well as the Bank on the corner and notice that so many people drive through there like maniacs. I have seen many "almost accidents".

Also vagrants hang out in the alley at times. I believe privatizing the alley will reduce the homeless situation as well.
