SPECIAL COVENANTS OR REMARKS

1. This PROJECT is programmed to receive funding from the State Transportation Improvement Program (STIP). Funding may be provided under one or more components. A component(s) specific fund allocation is required, in addition to other requirements, before reimbursable work can occur for the component(s) identified. Each allocation will be assigned an effective date and identify the amount of funds allocated per component(s).

This PROGRAM SUPPLEMENT has been prepared to allow reimbursement of eligible PROJECT expenditures for the component(s) allocated. The start of reimbursable expenditures is restricted to the later of either 1) the effective date of the Master Agreement, 2) the effective date of the PROGRAM SUPPLEMENT, or 3) the effective date of the component specific allocation.

2. STATE and ADMINISTERING AGENCY agree that additional funds made available by future allocations will be encumbered on this PROJECT by use of a STATE approved Allocation Letter and Finance Letter. ADMINISTERING AGENCY agrees that STATE funds available for reimbursement will be limited to the amount allocated by the California Transportation Commission (CTC) and/or the STATE.
3. Upon ADMINISTERING AGENCY request, the CTC and/or STATE may approve supplementary allocations, time extensions, and fund transfers between components. An approved time extension will revise the timely use of funds criteria, outlined above, for the component(s) and allocation(s) requested. Approved supplementary allocations, time extensions, and fund transfers between components made after the execution of this PROGRAM SUPPLEMENT will be documented and considered subject to the terms and conditions thereof.

Documentation for approved supplementary allocations, time extensions, and fund transfers between components will be a STATE approved Allocation Letter, Fund Transfer Letter, Time Extension Letter, and Finance Letter, as appropriate.

4. This PROJECT will be administered in accordance with the CTC STIP guidelines, as adopted or amended, and the STATE Procedures for Administering Local Grant Projects in the State Transportation Improvement Program (STIP), the Local Assistance Program Guidelines, and the Local Assistance Procedures Manual. The submittal of invoices for project costs shall be in accordance with the above referenced publications and the following.
5. The ADMINISTERING AGENCY shall invoice STATE for environmental & permits, plans specifications & estimate, and right-of-way costs no later than 180 days after the end of last eligible fiscal year of expenditure. For construction costs, the ADMINISTERING AGENCY has 180 days after project completion to make the final payment to the contractor and prepare the final Report of Expenditures and final invoice, and submit to STATE for verification and payment.
6. All obligations of STATE under the terms of this Agreement are subject to the

SPECIAL COVENANTS OR REMARKS

appropriation of resources by the Legislature and the encumbrance of funds under this Agreement. Funding and reimbursement are available only upon the passage of the State Budget Act containing these STATE funds.

7. This PROJECT is subject to the timely use of funds provisions enacted by Senate Bill 45 (SB 45), approved in 1997, and subsequent CTC guidelines and State procedures approved by the CTC and STATE, as outlined below:

Funds allocated for the environmental & permits, plan specifications & estimate, and right-of-way components are available for expenditure until the end of the second fiscal year following the year in which the funds were allocated.

Funds allocated for the construction component are subject to an award deadline and contract completion deadline. ADMINISTERING AGENCY agrees to award the contract within 6 months of the construction fund allocation and complete the construction or vehicle purchase contract within 36 months of award.

8. ADMINISTERING AGENCY agrees, as a minimum, to submit invoices at least once every six months commencing after the funds are encumbered for each phase by the execution of this Project Program Supplement Agreement, or by STATE's approval of an applicable Finance Letter. STATE reserves the right to suspend future authorizations/obligations for Federal aid projects, or encumbrances for State funded projects, as well as to suspend invoice payments for any on-going or future project by ADMINISTERING AGENCY if PROJECT costs have not been invoiced by ADMINISTERING AGENCY for a six-month period.

If no costs have been invoiced for a six-month period, ADMINISTERING AGENCY agrees to submit for each phase a written explanation of the absence of PROJECT activity along with target billing date and target billing amount.

ADMINISTERING AGENCY agrees to submit the final report documents that collectively constitute a "Report of Expenditures" within one hundred eighty (180) days of PROJECT completion. Failure of ADMINISTERING AGENCY to submit a "Final Report of Expenditures" within 180 days of PROJECT completion will result in STATE imposing sanctions upon ADMINISTERING AGENCY in accordance with the current Local Assistance Procedures Manual.

9. The Administering Agency shall not discriminate on the basis of race, religion, age, disability, color, national origin, or sex in the award and performance of any Federal-assisted contract or in the administration of its DBE Program Implementation Agreement. The Administering Agency shall take all necessary and reasonable steps under 49 CFR Part 26 to ensure nondiscrimination in the award and administration of Federal-assisted contracts. The Administering Agency's DBE Implementation Agreement is incorporated

SPECIAL COVENANTS OR REMARKS

by reference in this Agreement. Implementation of the DBE Implementation Agreement, including but not limited to timely reporting of DBE commitments and utilization, is a legal obligation and failure to carry out its terms shall be treated as a violation of this Agreement. Upon notification to the Administering Agency of its failure to carry out its DBE Implementation Agreement, the State may impose sanctions as provided for under 49 CFR Part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 et seq.).

10. Any State and Federal funds that may have been encumbered for this project are available for disbursement for limited periods of time. For each fund encumbrance the limited period is from the start of the fiscal year that the specific fund was appropriated within the State Budget Act to the applicable fund Reversion Date shown on the State approved project finance letter. Per Government Code Section 16304, all project funds not liquidated within these periods will revert unless an executed Cooperative Work Agreement extending these dates is requested by the ADMINISTERING AGENCY and approved by the California Department of Finance.

ADMINISTERING AGENCY should ensure that invoices are submitted to the District Local Assistance Engineer at least 75 days prior to the applicable fund Reversion Date to avoid the lapse of applicable funds. Pursuant to a directive from the State Controller's Office and the Department of Finance; in order for payment to be made, the last date the District Local Assistance Engineer can forward an invoice for payment to the Department's Local Programs Accounting Office for reimbursable work for funds that are going to revert at the end of a particular fiscal year is May 15th of the particular fiscal year. Notwithstanding the unliquidated sums of project specific State and Federal funding remaining and available to fund project work, any invoice for reimbursement involving applicable funds that is not received by the Department's Local Programs Accounting Office at least 45 days prior to the applicable fixed fund Reversion Date will not be paid. These unexpended funds will be irrevocably reverted by the Department's Division of Accounting on the applicable fund Reversion Date.

11. Award information shall be submitted by the ADMINISTERING AGENCY to the District Local Assistance Engineer within 60 days of project contract award and prior to the submittal of the ADMINISTERING AGENCY'S first invoice for the construction contract.

Failure to do so will cause a delay in the State processing invoices for the construction phase. Please refer to Section 15.7 "Award Package" of the Local Assistance Procedures Manual.

12. As a condition for receiving federal-aid highway funds for the PROJECT, the Administering Agency certifies that NO members of the elected board, council, or other key decision makers are on the Federal Government Exclusion List. Exclusions can be found at www.sam.gov.

- G. ADMINISTERING AGENCY agrees to comply with 2 CFR, Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirement for Federal Awards.

All of the above referenced parties shall make such AGREEMENT, PROGRAM SUPPLEMENT, and contract materials available at their respective offices at all reasonable times during the entire PROJECT period and for three (3) years from the date of submission of the final expenditure report by the STATE to the FHWA.

L. ADMINISTERING AGENCY, its contractors and subcontractors shall establish and maintain a financial management system and records that properly accumulate and segregate reasonable, allowable, and allocable incurred PROJECT costs and matching funds by line item for the PROJECT. The financial management system of ADMINISTERING AGENCY, its contractors and all subcontractors shall conform to Generally Accepted Accounting Principles, enable the determination of incurred costs at interim points of completion, and provide support for reimbursement payment vouchers or invoices set to or paid by STATE.
