EXECUTIVE STAFF REPORTS

2. [23-009BH](#) Recommendation to receive and file a report from the Director of Health and Human Services.
- Kelly Colopy, Director of Health and Human Services, provided the Board with the following information:
- On February 21, 2023 the City will officially end the COVID-19 local emergency. COVID testing and vaccinations will be transitioned primarily to local health providers and the Health Department will operate as a safety net for those without healthcare access.
 - The Department received a \$100,000 grant from the National Association of City and County Health Officials (NACCHO) to conduct a vaccine hesitancy study.
 - The City is getting ready to launch the Community Crisis Mental Health Team.
 - The City is currently working on the ongoing Homeless Emergency. A secondary winter shelter will be opened at Silverado Park providing an additional 84 beds. The City will also be opening a dump station where people living in their RV's can empty their waste tanks and fill their water tanks, and a 50 space safe parking site will also be opened for people experiencing

homelessness living in their cars. The City council also recently approved a modular housing contract for tiny homes to be built on property located at the Multi-Service Center.

- The Department's Black Infant Health Program was recently highlighted in a Long Beach Business Journal article highlighting Medi-Cal funding for Doulas.
- Currently in recruitment for the Department's Health Climate Officer.
- The Department is currently celebrating Black History Month with various events and presentations, including the addition of a webpage on the Department's website. Dr. Davis provided a brief overview of a story she shared as part of the Department's February 1st all staff meeting.
- Staff continue to work on mental health planning. A report highlighting current systems in place, key areas of focus and recommendations will be finalized and released in the near future.

Board member St. Bernard inquired if there was any action the Board wished to take to promote the Health Department and highlight the Department's work and recognition received during the COVID-19 emergency.

Dr. Anissa Davis, City Health Officer, mentioned that Dr. Jessica Schumer, Deputy Director, presented at a Long Beach Chamber of Commerce public safety discussion, highlighting public health's role in the triangle of public safety.

Board member Walton shared information on potential collaborative resources with the National Alliance on Mental Illness (NAMI) - Greater Los Angeles County.

Board member Curtis inquired how ending the COVID-19 local emergency would affect the Department's budget.

This BH-Agenda Item was approve recommendation.

3. [23-010BH](#)

Recommendation to receive and file a report from the City Health Officer on Communicable Disease Control activities.

Dr. Anissa Davis, City Health Officer, provided the Board with the following information:

- The 2020 STI/HIV Annual Surveillance Report has been released. Production of this report was delayed due to the COVID-19 pandemic. Dr.

Davis took a moment to highlight some of the findings and statistics presented in the report.

- The Department is currently updating the goals and objectives of its HIV/STD Strategy.
- The MPX program has been transitioned to the Department's STI program.
- The Children's Clinic (TCC) Family Health Center secured an Ending the HIV Epidemic Prevention Primary Care HIV Prevention Award in the amount of \$325,000 per year, for two-years, to promote PrEP and HIV testing in the community. The Department will be collaborating with TCC on this project.
- The Department created a STD provider resource guide and a congenital syphilis prevention packet for distribution to local care providers.
- The Department's Bicillin distribution program reached its goal of securing ten providers. The Department will provide these providers with Bicillin for the treatment of syphilis in their patients.

Board member Curtis inquired if there had been any traction in getting health education reinstated in the LBUSD curriculum? A brief discussion ensued.

This BH-Agenda Item was approve recommendation.
