

1 RESOLUTION NO. RES-10-0040

2  
3 A RESOLUTION OF THE CITY COUNCIL OF THE  
4 CITY OF LONG BEACH MAKING CERTAIN FINDINGS  
5 REGARDING THE CONSTRUCTION OF CERTAIN PUBLIC  
6 IMPROVEMENTS WITH NORTH REDEVELOPMENT  
7 FUNDS (POLICE SUBSTATION)  
8

9 WHEREAS, the City Council of the City of Long Beach adopted and  
10 approved a certain Redevelopment Plan (the "Redevelopment Plan") for the North Long  
11 Beach Redevelopment Project Area (the "Project"); and

12 WHEREAS, in furtherance of the Project and the immediate neighborhood  
13 in which the Project is located, the Redevelopment Agency of the City of Long Beach,  
14 California (the "Agency"), has recognized the need for certain public improvements,  
15 which improvements will be located within or adjacent to the boundaries of the Project,  
16 and proposes to use redevelopment funds to finance the improvements; and

17 WHEREAS, Section 33445 of the California Community Redevelopment  
18 Law (Health and Safety Code Section 33000 et seq.) requires the Agency to make  
19 certain findings prior to the acquisition of land and construction of public improvements or  
20 facilities thereon; and

21 WHEREAS, Section 33678 of the Community Redevelopment Law provides  
22 that under certain conditions tax increment funds shall not be subject to the  
23 appropriations limitation of Article XIII B of the California Constitution;

24 NOW, THEREFORE, the City Council of the City of Long Beach resolves as  
25 follows:

26 Section 1. The City Council determines that the construction of public  
27 improvements, more particularly described in Exhibit "A", are of benefit to the Project and  
28 the immediate neighborhood in which the Project is located. This finding is supported by

OFFICE OF THE CITY ATTORNEY  
ROBERT E. SHANNON, City Attorney  
333 West Ocean Boulevard, 11th Floor  
Long Beach, CA 90802-4664

1 the following facts:

2           The proposed improvements will facilitate the removal of blight by  
3           improving public safety within the Project Area.

4           Section 2.    The City Council determines that no other reasonable means  
5 of financing the above-described improvements are available to the community. This  
6 finding is supported by the following facts:

7           Before the passage of Proposition 13, most of the City's general  
8           operating and capital improvements were funded through property taxes.  
9           However, the initiative placed severe constraints on the City's ability to  
10          use property tax revenues to offset increases in operating and capital  
11          costs. It has also been difficult for the City, by itself, to provide sufficient  
12          funds to support the construction of major public improvements. In fiscal  
13          year 2009-2010, the limited resources of the City's General Fund are  
14          committed to previously incurred obligations and planned projects.

15          Section 3.    The City Council further determines that the payment of funds  
16 for the construction of the public improvements will assist in the elimination of one or  
17 more blighting conditions within the Project, and is consistent with the implementation  
18 plan adopted pursuant to Health and Safety Code Section 33490.

19          Section 4.    This resolution shall take effect immediately upon its adoption  
20 by the City Council, and the City Clerk shall certify to the vote adopting this resolution.
