HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Receive the supporting documentation into the record, conclude the hearing and grant an Entertainment Permit with conditions on the application of Casto Corporation, Inc., DBA The Brit, 1744 East Broadway, for entertainment with dancing by patrons. (District 2)

DISCUSSION

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested and before an entertainment permit is granted or denied.

The LBMC also requires that the City Council shall approve the issuance of the entertainment permit if they find that: the issuance of the permit at the proposed location is consistent with federal, state and local laws, rules, and regulations; it will not constitute an undue burden on the neighborhood; the applicant(s) or responsible persons have not been convicted of any misdemeanor involving moral turpitude or felony offense within the past five years; and, neither the applicant(s) or any responsible persons have a history of committing significant violations of the City code and have not provided false or misleading information on their application.

The City Council has the authority to approve the following options: 1) grant the Permit, with or without conditions; or 2) deny the Permit on the application. Once the Permit is granted, pursuant to LBMC 5.72.120.5, the Permit will be subject to an administrative review by the Department of Financial Management every two years. This review process will consist of a multi-department analysis to determine compliance and identify if issues exist. This provision does not affect the City's ability to modify, revoke or suspend a permit at any time.

City departments have conducted their investigations in accordance with the LBMC. Attached for your review are the departmental investigative reports, history, entertainment permit application and floor plan. To review all supportive documents, as well as the documents included in this report, you may visit www.longbeach.gov/finance/business_relations/entertainment.asp.

The following summarizes departmental findings:

- The Police Department recommends that the permit for entertainment with dancing by patrons be approved subject to the conditions.
- The Fire Department finds that the building/location meets department requirements for the proposed use.
- The Health and Human Services Department finds that the building/location meets department requirements for the proposed use with the condition that the establishment remain in compliance with the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- The Development Services Department finds that the building/location meets department requirements for the proposed use.

The Department of Financial Management, Business Relations Bureau, has reviewed all submitted department documents and correspondence and, after a thorough investigative process, recommends that the permit for entertainment with dancing by patrons be approved subject to conditions (attached).

In the event that any of the recommended conditions are in conflict with other permits or licenses, the permittee shall adhere to the strictest of the applicable conditions. This location has been licensed as a bar/tavern/lounge business category since November 1982.

This matter was reviewed by Deputy City Attorney Amy R. Webber on October 21, 2014.

TIMING CONSIDERATIONS

The hearing date of February 3, 2015, has been posted on the business location, with the applicant and property owners within 300 feet notified by mail.

FISCAL IMPACT

The following fees were collected with the application: Building Review \$22 and Zoning Review \$16 (Development Services), Police Investigation \$1,240 (Police Department), and Mailing List \$90 (Financial Management Department).

The following fees will be collected if the application is approved: Business License \$340.95 and Regulatory \$1,035 (Financial Management Department).

Subject: **APPLICATION FOR AN ENTERTAINMENT WITH DANCING PERMIT AT
THE BRIT – 1744 EAST BROADWAY**

In response to your request for a recommendation regarding the above named permit application for Entertainment With Dancing, the Police Department recommends **approval** of an Entertainment with Dancing Permit, subject to the following twenty-three (23) conditions:

The Brit is a bar located on the south side of Broadway between Gaviota Avenue and Hermosa Avenue. The business is a for-profit corporation, Castro Corporation Incorporated. The corporation has existed for over 30 years, and holds a valid Type 48 (On Sale General Public Premises) Alcoholic Beverage Control license. On June 28, 2014, The Brit applied for an Entertainment with Dancing Permit, requesting dancing by performers, recorded amplified music, and a disc jockey.

Based upon the Vice Section's investigation, the West Division Patrol Commander's recommendation, and input from neighborhood residents, the Long Beach Police Department has determined the public peace, safety, and welfare would not be adversely impacted by the issuance of this permit, provided the appropriate conditions are imposed and observed by the applicant. The Police Department recommends approval of an Entertainment with Dancing Permit.

Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.

HONORABLE MAYOR AND CITY COUNCIL

City of Long Beach

California

RECOMMENDATION:

Receive the supporting documentation into the record, conclude the hearing and grant an Entertainment Permit with conditions on the application of Casto Corporation, Inc., DBA The Brit, 1744 East Broadway, for entertainment with dancing by patrons. (District 2)

DISCUSSION

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested and before an entertainment permit is granted or denied.

The LBMC also requires that the City Council shall approve the issuance of the entertainment permit if they find that: the issuance of the permit at the proposed location is consistent with federal, state and local laws, rules, and regulations; it will not constitute an undue burden on the neighborhood; the applicant(s) or responsible persons have not been convicted of any misdemeanor involving moral turpitude or felony offense within the past five years; and, neither the applicant(s) or any responsible persons have a history of committing significant violations of the City code and have not provided false or misleading information on their application.

The City Council has the authority to approve the following options: 1) grant the Permit, with or without conditions; or 2) deny the Permit on the application. Once the Permit is granted, pursuant to LBMC 5.72.120.5, the Permit will be subject to an administrative review by the Department of Financial Management every two years. This review process will consist of a multi-department analysis to determine compliance and identify if issues exist. This provision does not affect the City's ability to modify, revoke or suspend a permit at any time.

City departments have conducted their investigations in accordance with the LBMC. Attached for your review are the departmental investigative reports, history, entertainment permit application and floor plan. To review all supportive documents, as well as the documents included in this report, you may visit www.longbeach.gov/finance/business_relations/entertainment.asp.

The following summarizes departmental findings:

- The Police Department recommends that the permit for entertainment with dancing by patrons be approved subject to the conditions.
- The Fire Department finds that the building/location meets department requirements for the proposed use.
- The Health and Human Services Department finds that the building/location meets department requirements for the proposed use with the condition that the establishment remain in compliance with the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- The Development Services Department finds that the building/location meets department requirements for the proposed use.

The Department of Financial Management, Business Relations Bureau, has reviewed all submitted department documents and correspondence and, after a thorough investigative process, recommends that the permit for entertainment with dancing by patrons be approved subject to conditions (attached).

In the event that any of the recommended conditions are in conflict with other permits or licenses, the permittee shall adhere to the strictest of the applicable conditions. This location has been licensed as a bar/tavern/lounge business category since November 1982.

This matter was reviewed by Deputy City Attorney Amy R. Webber on October 21, 2014.

TIMING CONSIDERATIONS

The hearing date of November 18, 2014, has been posted on the business location, with the applicant and property owners within 300 feet notified by mail.

FISCAL IMPACT

The following fees were collected with the application: Building Review \$22 and Zoning Review \$16 (Development Services); Police Investigation \$1,240 (Police Department), and Mailing List \$90 (Financial Management Department).

The following fees will be collected if the application is approved: Business License \$340.95 and Regulatory \$1,035 (Financial Management Department).

Subject: **APPLICATION FOR AN ENTERTAINMENT WITH DANCING PERMIT AT
THE BRIT – 1744 EAST BROADWAY**

In response to your request for a recommendation regarding the above named permit application for Entertainment With Dancing, the Police Department recommends **approval** of an Entertainment with Dancing Permit, subject to the following twenty-three (23) conditions:

The Brit is a bar located on the south side of Broadway between Gaviota Avenue and Hermosa Avenue. The business is a for-profit corporation, Castro Corporation Incorporated. The corporation has existed for over 30 years, and holds a valid Type 48 (On Sale General Public Premises) Alcoholic Beverage Control license. On June 28, 2014, The Brit applied for an Entertainment with Dancing Permit, requesting dancing by performers, recorded amplified music, and a disc jockey.

Based upon the Vice Section's investigation, the West Division Patrol Commander's recommendation, and input from neighborhood residents, the Long Beach Police Department has determined the public peace, safety, and welfare would not be adversely impacted by the issuance of this permit, provided the appropriate conditions are imposed and observed by the applicant. The Police Department recommends approval of an Entertainment with Dancing Permit.

CONDITIONS OF OPERATION

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.
- 2) Unless separately applied for, reviewed, and approved, no adult entertainment, as defined by section 5.72.115(B) LBMC shall be conducted on the permitted premises.
- 3) **Entertainment activities indicated on page #7 of your entertainment application shall be restricted to Friday and Saturday and shall end at 1:00 A.M.**

- 6) The permittee is required to monitor the outside patio area for any nuisance activity that could disturb the surrounding neighbors. This shall be done by utilizing security guards or employees.
- 7) There shall be no "queue" allowed after 12:00 A.M. midnight Friday and Saturday nights. Queue is defined as persons awaiting entry after the business is at capacity.
- 8) No owner, operator, or manager shall permit any person under the age of twenty-one (21) years to enter the premises, at any time.
- 9) The establishment shall remain in compliance with all applicable sections of the Long Beach Noise Ordinance (LMBC Chapter 8.80).

For crowds over fifty people the permittee shall provide a minimum of one (1) additional uniformed security guard per fifty (50) people. Patrons awaiting entry in a defined queue shall be counted toward the calculation of required security staffing levels.

Security guards must be identifiable as "The Brit" employees. Should the permittee's operations give rise to a substantial increase in complaints/calls for police service, the permittee may be required to increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary.

- 14) At the conclusion of each event, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles and not loiter in the parking lot or the immediate area.
- 15) Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time. This information shall be provided to public safety personnel upon request.

- 20) The permittee shall maintain full compliance with all applicable laws, ABC laws, ordinances, and stated conditions. In the event of a conflict between the requirements of this permit, your conditional use permit, or your Alcoholic Beverage Control license, the more stringent regulation shall apply.

- 21) The permittee shall be responsible for installing and maintaining a video surveillance system that monitors no less than the front and rear of the business, with full view of the public right-of-ways, and any parking lot under the control of the permittee. These cameras shall record video for a minimum of 30 days and be accessible via the Internet by the Long Beach Police Department. A Public Internet Protocol (IP) address and user name/password is also required to allow the Long Beach Police Department to view live and recorded video from these cameras over the internet. All video security cameras shall be installed to the satisfaction of the Chief of Police, Director of Technology Services, and Director of Development Services. At the discretion of the Chief of Police, the permittee may be required to add additional video cameras
- 22) Any graffiti painted or marked upon the premises, or on any adjacent area under the control of the permittee shall be removed or painted over within 24 hours of being applied.
