HONORABLE MAYOR AND CITY COUNCIL  
City of Long Beach  
California

## RECOMMENDATION:

Adopt a Resolution amending the Language Access Policy, to change the timeframe for requesting oral interpretation services from 72 hours to 24 hours in advance of public meetings or hearings held by the City Council or Chartered City Commissions. (Citywide)

## DISCUSSION

On November 14, 2017, the City Council passed a motion to amend the Language Access Policy (LAP) to change the timeframe for requesting oral interpretation or translation services from 72 hours to 24 hours in advance for public meetings or hearings held by the City Council or Chartered City Commissions. For clarification purposes, interpretation services are typically used to assist with oral interpretation, while translation services are typically used to assist with written communications. This amendment only applies to requests for oral interpretation services.

This matter was reviewed by Deputy City Attorney Linda T. Vu on January 25, 2018 and by Revenue Management Officer Geraldine Alejo on February 1, 2018.

## TIMING CONSIDERATIONS

City Council action is requested on February 20, 2018, to proceed expeditiously to initiate the 24-hour advance notice for oral interpretation.

## FISCAL IMPACT

There is no fiscal impact as staff successfully mitigated potential cost increases resulting from the change in timeframe for oral interpretation requests. There is no local job impact associated with this recommendation.

To Resolution

**City of Long Beach Language Access Policy  
(\$453,567)**

**Findings and Purpose**

The Long Beach City Council hereby finds and declares that there are people who live, work, and pay taxes in the City of Long Beach, who are unable to communicate effectively in English because their primary language is not English. It is of importance that residents, regardless of their proficiency in English, have access to City programs and services. This Policy establishes standards and procedures for providing equal access to City services and programs to all residents, including those with limited proficiency in English. This Policy exceeds the State requirement under the California Dymally-Alatorre Bilingual Services Act, Government Code 7290 *et seq.*, which generally requires State and local public agencies serving a substantial number of limited English-speaking people to provide services and materials in the language(s) spoken by those persons, to the extent that funding is available. According to the 2009- 2011 American Community Survey 3-Year Estimate, Spanish-speaking residents qualify under the State definition. However, based on the City's substantial number of limited English speaking Cambodian and Filipino residents, staff recommends that the LAP also be applied to the Cambodian and Filipino population of Long Beach.

**Definitions**

As used in this Policy, the following capitalized terms shall have the following meanings:

- (a) "City" shall mean the City of Long Beach.
- (b) "Department" shall mean any City department as the City Manager may designate.
