Subject: Request to Open Animal Care Services on Holiday

-EXTERNAL-

Honorable Mayor, City Council and Other City Officials,

Please authorize overtime funds for our Long Beach Animal Care Services to be open on **July 4th through the 6th** when they would normally be closed. As you know, the 4th of July is a tremendously difficult holiday on our pets and we need to give them and their owners all the support we can.

Thank You,

Theresa Hew
7th district resident

Subject: Special Hours 4th of July Animal Care Services

-EXTERNAL-

In anticipation of the upcoming 4th of July Holiday, I would like to request your consideration that the Animal Care Services facility approach those day leading up to and immediately following as “Special Hours” ... meaning, the facility is open regardless it bring days that it would traditionally be closed.

I’m proud of the community I live in... the way our residents love their animals and come together to help one another. In years past, a perfect example was the community coming together to clear the shelter in anticipation of the July 4th holiday.

It would be wonderful if the city could work with the community to keep the shelter open and operating so that lost animals can be kept safe and returned quickly.

Blessings to you all.
