1 provided for information purposes only and are not intended to limit expenditures.

2           Section 2. The City's Fiscal Year 2010-2011 budget development  
3 calendar requires submission of proposed budgets to the Mayor by July 1, 2010. To  
4 accommodate the City's schedule, the Water Department must accelerate the adoption of  
5 its Fiscal Year 2010-2011 budget. This requires the Water Department to estimate  
6 certain City budget components including employee fringe benefits and City support  
7 charges. These charges are included in the above budget numbers as estimated  
8 amounts.

9           The Water Department anticipates the final City amounts will be delivered  
10 to the Water Department in July. After the Water Department receives the actual  
11 amounts the Budget of the Long Beach Water Department will need to be revised to  
12 reflect these actual amounts. Therefore, the Board of Water Commissioners authorizes  
13 the General Manager of the Long Beach Water Department to adjust the adopted Water  
14 Fund and Sewer Fund budgeted expenditures for employee fringe benefits and City  
15 support charges by an amount not to exceed 5.0% of the total of such charges included  
16 in the adopted budgets to reflect any increases in City charges above the estimated  
17 amounts budgeted for fiscal year 2010-2011. The General Manager shall make the  
18 necessary adjustments prior to submittal of the Long Beach Water Department budget to  
19 the City.

20           Section 3. The Secretary of the Board of Water Commissioners shall  
21 certify to the passage of this resolution, and cause copies of the same to be filed with the  
22 City Council, the City Auditor and the City Manager.
