1900 Walnut Avenue, Long Beach, Los Angeles County, CA

Project Location (include county)

Project Description:

The project will be the development of a multipurpose community facility that will provide programs and services for children and adults. The 19-acre site will include structures on up to seven acres of raised building pads. The land located around and below the building pads will continue to function as a flood detention basin.

The Planning Commission certified the EIR, approved the project and recommended approval of the General Plan Amendment and Zone Change on June 18, 2009. The City Council made the following CEQA determinations when it reviewed the Planning Commission actions and recommendations and approved the project on July 21, 2009:

1. The project [will ___ will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
Certified: June 18, 2009

___ A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
Certified:
3. Mitigation Measures [were ___ were not] made a condition of the approval of the project.
4. A statement of Overriding Considerations [was ___ was not] adopted for this project.
5. Findings [were ___ were not] made pursuant to the provisions of CEQA.

This is to certify that the record of approval for Environmental Impact Report #31-07 is available for review to the public at the Department of Development Services, 333 W. Ocean Blvd., 5th Floor, Long Beach, CA 90802.

Jill Griffiths, Advance Planning Officer
