Re: City Council discussion of Draft Ordinance related to Medical Marijuana Establishments within the City of Long Beach.  
Item #16 of the January 19, 2010 City Council Agenda.

Dear City Council Members,

The Long Beach Unified School District (LBUSD) appreciates the opportunity to provide input for the City Council's discussion of a draft ordinance relating to medical marijuana establishments within the City of Long Beach. The following information is being provided by the LBUSD for your consideration.

1. Any local ordinance allowing medical marijuana establishments should specify the maximum feasible buffer zone between any such establishments and all properties owned or leased by the LBUSD, as any property own or used by LBUSD has the potential to house students. The LBUSD prefers the 1500 foot buffer alternative.
2. Any local ordinance allowing medical marijuana establishments should ensure that "consumption of medical marijuana" shall not occur within a buffer zone of maximum feasible extent around all LBUSD owned or leased properties. The LBUSD prefers the 1500 foot buffer alternative.
3. Attached is a list of all properties owned, or leased for school purposes, by the LBUSD. The LBUSD requests that the proposed maps showing the buffers zones be updated to reflect all properties own and used by LBUSD.

We appreciate the opportunity to provide input in this process and look forward to working with the City during the ongoing review of the proposed ordinance. If you have any questions, please feel free to contact me at (562)-997-7550.

Sincerely,

Carri M. Matsumoto  
Executive Director  
Facilities Development & Planning Branch  
Long Beach Unified School District
