The City's purchases of goods and services are based on the City's actual needs and requirements. The City is obligated under this contract/purchase order to purchase and pay for only those goods and services that the City needs and requires, and that the City actually orders and receives. Any dollar amount identified as a "not to exceed:" amount in any City document is not a guaranteed payment amount to any contractor or service provider. Bidders should not order materials, obtain financing or take other actions based on such comments and statements. Only authorization of a Contract by the City Council or issuance of a Purchase Order is conclusive and binding on the City with respect to this Bid and its resulting Contract or Purchase Order. However, prior to authorization by the City Council or issuance of the Purchase Order, Bidders may rely on: (1) approval of an "equal" or "substitute" item which will be issued in writing, and (2) written notice of intent to award by the City Council, which is often issued prior to the authorization by the City Council so that a Bidder can order materials that have a long lead time.

Whenever in the specifications any material or process is indicated or specified by patent or proprietary name and/or by name of manufacturer, such specifications shall be used for the purpose of facilitating descriptions of the material and/or process desired and shall be deemed to be followed by the words "or equivalent".

The vendor may offer any material or process which shall be equal in every respect to that so indicated or specified, provided however, that if the material, process or article offered by the vendor is not, in the opinion of the City of Long Beach, equal in every respect to that specified, then the vendor must furnish the material, process or article specified or one that in the opinion of the City of Long Beach is the equal thereof in every respect.

If bidder desires to bid an "approved equal" item, the bidder shall submit a request to do so to the City in writing no later than **Friday December 3, 2021 by 11:00 AM PT**. The request shall include all data necessary to substantiate that the item is equal. The City will notify the bidder, in writing, of approval or disapproval of the equivalent item no later than **Wednesday December 08, 2021 by 4:00 PM PT**. SPECIFICATIONS

Continuously perforated square tube poles will not be allowed as alternate.

The City will only consider GE equivalents as approved equals for any Green Cobra (GC) LED street lighting fixture models manufactured by Leotek Electronics USA LLC.

PRICING FOR LINE ITEMS FROM GC2 G-SERIES, GCJ J-SERIES, GCM J-SERIES, AND GCL J-SERIES WILL ALSO REPRESENT PRICING FOR ANY EQUIVALENT MODELS FOR SUBSEQUENT SERIES FROM THESE PRODUCT LINES

If bidder can demonstrate enhanced value and/or increased performance with minor modifications, bidder must attach as a separate document the following information:

1. Identify the item of bid for which an alternate is being submitted.
2. Provide a description and justification of the enhanced value and/or performance of the alternate.

Bidders acknowledge and agree that use of an approved equal creates a risk that the material or equipment may not actually meet the functional performance requirements when used under field conditions. Bidders further acknowledge and agree that the City's approval of an "approved equal" product does not relieve the vendor from its duty to meet the functional and performance requirements in the specifications. Bidder may ultimately be required to replace the "approved equal" product with material or equipment that was originally specified by brand name or by the name of a particular supplier, at no additional cost to the City, if the City makes a request for replacement. By submitting a bid, bidders accept these risks and the liability associated with these risks and waives all claims against the City for costs related to supplying replacements.

ILLUSTRATIVE AND TECHNICAL DATA

Bidder shall submit illustrative and technical data on bid items. If quoting an "alternate" or "equal" item, a product specification sheet must be submitted with bid for the item. Failure to provide technical information may disqualify bid.

WARRANTY

Vendor shall replace any and all unacceptable orders as defined by the City within 48 hours.

Items that have been picked up by City of Long Beach personnel that cannot be used, have not been used and/or are not damaged will be accepted for return by the vendor with no restocking fee.

- Do not presently have a proposed debarment proceeding pending;
- Have not, within a three (3) year period preceding this bid/agreement/proposal, been indicted or convicted, or had a civil judgment rendered against it by a court of competent jurisdiction in any matter involving fraud or official misconduct;

If it is later determined that the prospective recipient of Federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
4. The potential recipient of Federal assistance funds agrees by submitting this bid/agreement/proposal or like document that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

EQUAL BENEFITS ORDINANCE DISCLOSURE FORM

As a condition of being awarded a contract with the City of Long Beach ("City"), the selected Contractor/Vendor ("Contractor") may be required during the performance of the Contract, to comply with the City's nondiscrimination provisions of the Equal Benefits Ordinance ("EBO") set forth in the Long Beach Municipal Code section 2.73 et seq. The EBO requires that during the performance of the contract, the Contractor shall provide equal benefits to its employees with spouses and employees with domestic partners. Benefits include but are not limited to, health benefits, bereavement leave, family medical leave, membership and membership discounts, moving expenses, retirement benefits and travel benefits. A cash equivalent payment is permitted if an employer has made all reasonable efforts to provide domestic partners with access to benefits but is unable to do so. A situation in which a cash equivalent payment might be used if where the employer has difficulty finding an insurance provider that is willing to provide domestic partner benefits.

The EBO is applicable to the following employers:

- For-profit employers that have a contract with the City for the purchase of goods, services, public works or improvements and other construction projects in the amount of \$100,000 or more
- For-profit entities that generate \$350,000 or more in annual gross receipts leasing City property pursuant to a written agreement for a term exceeding 29 days in any calendar year

Contractors who are subject to the EBO must certify to the City before execution of the contract that they are in compliance with the EBO by completing the EBO Certification Form, attached, or that they have been issued a waiver by the City. Contractors must also allow authorized City representatives access to records so the City can verify compliance with the EBO.

The EBO includes provisions that address difficulties associated with implementing procedures to comply with the EBO. Contractors can delay implementation of procedures to comply with the EBO in the following circumstances

- 1) By the first effective date after the first open enrollment process following the contract start date, not to exceed two years, if the Contractor/vendor submits evidence of taking reasonable measures to comply with the EBO; or
- 2) At such time that the administrative steps can be taken to incorporate nondiscrimination in benefits in the Contractor/vendor's infrastructure, not to exceed three months; or
- 3) Upon expiration of the contractor's current collective bargaining agreement(s).

Compliance with the EBO

If a contractor has not received a waiver from complying with the EBO and the timeframe within which it can delay implementation has expired but it has failed to comply with the EBO, the

Contractor may be deemed to be in material breach of the Contract. In the event of a material breach, the City may cancel, terminate or suspend the City agreement, in whole or in part. The City also may deem the Contractor an irresponsible bidder and disqualify the Contractor from contracting with the City for a period of three years. In addition, the City may assess liquidated damages against the Contractor which may be deducted from money otherwise due the Contractor. The City may also pursue any other remedies available at law or in equity.

By my signature below, I acknowledge that the Contractor understands that to the extent it is subject to the provisions of the Long Beach Municipal Code section 2.73, the Contractor shall comply with this provision.

Manager determines that "Occurrence" policies are not available in the market for the risk being insured. In a "Claims-made" policy is accepted, it must provide for an extended reporting period of not less than three (3) years. Such insurance as required herein shall not be deemed to limit Contractor's liability relating to performance under this Contract. The City of Long Beach reserves the right to require complete certified copies of all said policies at any time. Any modification or waiver of the insurance requirements herein shall be made only with the approval of the City's Risk Manager. The procuring of insurance shall not be construed as a limitation on liability or as full performance of the indemnification provisions of this Contract.

To the extent more stringent insurance requirements apply in accordance with the City of Long Beach's Administrative Regulation 8-27 (AR 8-27) and its amendments, the currently in-force AR 8-27 regulations and requirements supersede and replace any insurance requirements stated herein.

INDEMNITY: To the extent allowed by law, Contractor shall defend, indemnify, and hold harmless the City, its Commissions and Boards, and their officials, employees, and agents from and against any and all demands, claims, causes of action, liability, loss, liens, damage, costs, and expenses (including attorney's fees) arising from or in any way connected or alleged to be connected with Contractor's performance of the performance under the Contract or the work under or related to the Contract and from any act or omission, willful misconduct, or negligence (active or passive) by or alleged to be by Contractor, its employees, agents, or subcontractors either as a sole or contributory cause, sustained by any person or entity (including employees or representatives of City or Contractor). The foregoing shall not apply to claims or causes of action caused by the sole negligence or willful misconduct of the City, its Commissions and Boards, or their officials, employees, or agents.

In addition to Contractor's duty to indemnify, Contractor shall have a separate and wholly independent duty to defend Indemnified Parties at Contractor's expense by legal counsel approved by City, from and against all Claims, and shall continue this defense until the Claims are resolved, whether by settlement, judgment or otherwise. No finding or judgment of negligence, fault, breach, or the like on the part of Contractor shall be required for the duty to defend to arise. City shall notify Contractor of any Claim, shall tender the defense of the Claim to Contractor, and shall assist Contractor, as may be reasonably requested, in the defense.

If a court of competent jurisdiction determines that a Claim was caused by the sole negligence or willful misconduct of Indemnified Parties, Contractor's costs of defense and indemnity shall be (1) reimbursed in full if the court determines sole negligence by the Indemnified Parties, or (2) reduced by the percentage of willful misconduct attributed by the court to the Indemnified Parties.

The provisions of this Section shall survive the expiration or termination of this contract.

LOCAL PREFERENCE

ATTENTION LONG BEACH BUSINESS OWNERS:

In order to help support the success of businesses in Long Beach such as yours along with local jobs, the City of Long Beach has implemented a local preference provision in this Invitation to Bid.

In bids for materials, equipment, supplies and nonprofessional services not exceeding \$100,000, Long Beach-based businesses meeting the criteria set forth below may have their bid price reduced by ten percent solely for the purpose of determining the lowest responsible bid (if selected as the winning bid, you would be paid based upon your actual bid price, not the reduced price).

The City Purchasing Agent has determined that the local preference is applicable to this Invitation to Bid. (The local preference does not apply to bids for all purchases funded in full or a fraction thereof by any tidelands fund, by any grant funds, nor by any funds received from the State of California. This section shall not apply to purchases made pursuant to Section 1801 and 1807 of the City Charter and to bids for public works, as that term is defined in Section 1720(a) of the California Labor Code.)

If your business qualifies for the local preference, please certify your eligibility by signing on the space provided below and attaching copies of the following documents to your bid package:

1. A current, valid business license from the City of Long Beach showing a place of business within the city limits; and
2. A current, valid seller's permit (also known as a sales tax permit) showing a place of business within the city limits.

CERTIFICATION

I certify that I possess a current valid City of Long Beach business license and a current valid seller's permit, both showing a place of businesses in the City of Long Beach, and that I am eligible for the City of Long Beach local preference.
