

1 Consultant in due course of payments following receipt from Consultant and approval by  
2 City of invoices showing the services or task performed, the time expended (if billing is  
3 hourly), and the name of the Project. Consultant shall certify on the invoices that  
4 Consultant has performed the services in full conformance with this Agreement and is  
5 entitled to receive payment. Each invoice shall be accompanied by a progress report  
6 indicating the progress to date of services performed and covered by said invoice,  
7 including a brief statement of any Project problems and potential causes of delay in  
8 performance, and listing those services that are projected for performance by Consultant  
9 during the next invoice cycle. Where billing is done and payment is made on an hourly  
10 basis, the parties acknowledge that such arrangement is either customary practice for  
11 Consultant's profession, industry, or business, or is necessary to satisfy audit and legal  
12 requirements which may arise due to the fact that City is a municipality.

13 D. Consultant represents that Consultant has obtained all necessary  
14 information on conditions and circumstances that may affect performance hereunder and  
15 has conducted site visits, if necessary.

16 2. TERM. The term of this Agreement shall commence at midnight on July  
17 1, 2006, and shall terminate at 11:59 p.m. on July 1, 2009, unless sooner terminated as  
18 provided in this Agreement, or unless the services to be performed hereunder or the  
19 Project is completed sooner. City shall have the option to extend the term of this  
20 Agreement for two, separate consecutive periods of one (1) year each.

21 3. COORDINATION AND ORGANIZATION.

22 A. Consultant shall coordinate performance hereunder with City's  
23 representative, if any, named in Exhibit "B", attached hereto and incorporated herein by  
24 this reference. Consultant shall advise and inform City's representative of the work in  
25 progress on the Project in sufficient detail so as to assist City's representative in making  
26 presentations and in holding meetings for the exchange of information. City shall furnish  
27 to Consultant information or materials, if any, described in Exhibit "C" attached hereto and  
28 incorporated herein by this reference, and shall perform any other tasks described therein.

1 B. The parties acknowledge that a substantial inducement to City for entering  
2 this Agreement was and is the reputation and skill of Consultant's key employee  
3 William C. Pagett. City shall have the right to approve any person proposed by Consultant  
4 to replace that key employee.

5 4. INDEPENDENT CONTRACTOR. In performing services hereunder,  
6 Consultant is and shall act as an independent contractor and not an employee,  
7 representative, or agent of City. Consultant shall have control of Consultant's work and the  
8 manner in which it is performed. Consultant shall be free to contract for similar services  
9 to be performed for others during this Agreement provided, however, that Consultant acts  
10 in accordance with Section 9 and Section 11 of this Agreement. Consultant acknowledges  
11 and agrees that a) City will not withhold taxes of any kind from Consultant's compensation,  
12 b) City will not secure workers' compensation or pay unemployment insurance to, for or on  
13 Consultant's behalf, and c) City will not provide and Consultant is not entitled to any of the  
14 usual and customary rights, benefits or privileges of City employees. Consultant expressly  
15 warrants that neither Consultant nor any of Consultant's employees or agents shall  
16 represent themselves to be employees or agents of City.

17 5. INSURANCE. As a condition precedent to the effectiveness of this  
18 Agreement, Consultant shall procure and maintain at Consultant's expense for the duration  
19 of this Agreement from insurance companies that are admitted to write insurance in  
20 California or from authorized non-admitted insurance companies that have ratings of or  
21 equivalent to A:VIII by A.M. Best Company the following insurance:

22 (a) Commercial general liability insurance (equivalent in scope to ISO  
23 form CG 00 01 11 85 or CG 00 01 11 88) in an amount not less than One  
24 Million Dollars (\$1,000,000) per each occurrence and Two Million Dollars  
25 (\$2,000,000) general aggregate. Such coverage shall include but not be  
26 limited to broad form contractual liability, cross liability, independent  
27 contractors liability, and products and completed operations liability. The  
28 City, its officials, employees and agents shall be named as additional

1 insureds by endorsement (on City's endorsement form or on an endorsement  
2 equivalent in scope to ISO form CG 20 10 11 85 or CG 20 26 11 85), and  
3 this insurance shall contain no special limitations on the scope of protection  
4 given to the City, its officials, employees and agents.

5 (b) Workers' Compensation insurance as required by the Labor Code  
6 of the State of California and employer's liability insurance in an amount not  
7 less than One Million Dollars (\$1,000,000).

8 (c) Professional liability or errors and omissions insurance in an  
9 amount not less than One Million Dollars (\$1,000,000) per claim.

10 (d) Commercial automobile liability insurance (equivalent in scope to  
11 ISO form CA 00 01 06 92), covering Auto Symbol 1 (Any Auto) in an amount  
12 not less than Five Hundred Thousand Dollars (\$500,000) combined single  
13 limit per accident.

14 Any self-insurance program, self-insured retention, or deductible must be  
15 separately approved in writing by City's Risk Manager or designee and shall protect City,  
16 its officials, employees and agents in the same manner and to the same extent as they  
17 would have been protected had the policy or policies not contained retention or deductible  
18 provisions. Each insurance policy shall be endorsed to state that coverage shall not be  
19 reduced, non-renewed, or canceled except after thirty (30) days prior written notice to City,  
20 and shall be primary and not contributing to any other insurance or self-insurance  
21 maintained by City. Consultant shall notify the City in writing within five (5) days after any  
22 insurance required herein has been voided by the insurer or cancelled by the insured. If  
23 this coverage is written on a "claims-made" basis, it must provide for an extended reporting  
24 period of not less than one year, commencing on the date this Agreement expires, unless  
25 Consultant warrants that Consultant will provide to the City evidence of uninterrupted,  
26 continuing coverage for a period of not less than three years, commencing on the date this  
27 Agreement expires.

28 Consultant shall require that all contractors and subcontractors which

1 Consultant uses in the performance of services hereunder maintain insurance in  
2 compliance with this Section unless otherwise agreed in writing by City's Risk Manager or  
3 designee.

4 Prior to the start of performance, Consultant shall deliver to City certificates  
5 of insurance and required endorsements for approval as to sufficiency and form. The  
6 certificate and endorsements for each insurance policy shall contain the original signature  
7 of a person authorized by that insurer to bind coverage on its behalf. In addition,  
8 Consultant, shall, within thirty (30) days prior to expiration of the insurance required herein,  
9 furnish to City certificates of insurance and endorsements evidencing renewal of such  
10 insurance. City reserves the right to require complete certified copies of all policies of  
11 Consultant and Consultant's contractors and subcontractors, at any time. Consultant shall  
12 make available to City's Risk Manager or designee all books, records and other information  
13 relating to the insurance coverage required herein, during normal business hours.

14 Any modification or waiver of the insurance requirements herein shall only  
15 be made with the approval of City's Risk Manager or designee. Not more frequently than  
16 once a year, the City's Risk Manager or designee may require that Consultant,  
17 Consultant's contractors and subcontractors change the amount, scope or types of  
18 coverages required herein if, in his or her sole opinion, the amount, scope, or types of  
19 coverages herein are not adequate.

20 The procuring or existence of insurance shall not be construed or deemed  
21 as a limitation on liability relating to Consultant's performance or as full performance of or  
22 compliance with the indemnification provisions of this Agreement.

23 **6. ASSIGNMENT AND SUBCONTRACTING.** This Agreement contemplates  
24 the personal services of Consultant and Consultant's employees, and the parties  
25 acknowledge that a substantial inducement to City for entering this Agreement was and is  
26 the professional reputation and competence of Consultant and Consultant's employees.  
27 Consultant shall not assign its rights or delegate its duties hereunder, or any interest  
28 herein, or any portion hereof, without the prior approval of City, except that Consultant may

1 with the prior approval of the City Manager of City, assign any moneys due or to become  
2 due the Consultant hereunder. Any attempted assignment or delegation shall be void, and  
3 any assignee or delegate shall acquire no right or interest by reason of such attempted  
4 assignment or delegation. Furthermore, Consultant shall not subcontract any portion of  
5 the performance required hereunder without the prior approval of the City Manager or  
6 designee, nor substitute an approved subcontractor without said prior approval to the  
7 substitution. Nothing stated in this Section 6 shall prevent Consultant from employing as  
8 many employees as Consultant deems necessary for performance of this Agreement.

9           7. CONFLICT OF INTEREST. Consultant, by executing this Agreement,  
10 certifies and shall obtain similar certifications from Consultant's employees and approved  
11 subcontractors that, at the time Consultant executes this Agreement and for its duration,  
12 Consultant does not and will not perform services for any other client which would create  
13 a conflict, whether monetary or otherwise, as between the interests of City hereunder and  
14 the interests of such other client.

15           8. MATERIALS. Consultant shall furnish all labor and supervision, supplies,  
16 materials, tools, machinery, equipment, appliances, transportation, and services necessary  
17 to or used in the performance of Consultant's obligations hereunder, except as stated in  
18 Exhibit "C".

19           9. OWNERSHIP OF DATA. All materials, information and data prepared,  
20 developed, or assembled by Consultant or furnished to Consultant in connection with this  
21 Agreement, including but not limited to documents, estimates, calculations, studies, maps,  
22 graphs, charts, computer disks, computer source documentation, samples, models,  
23 reports, summaries, drawings, designs, notes, plans, information, material, and  
24 memorandum ("Data") shall be the exclusive property of City. Data shall be given to City,  
25 and City shall have the unrestricted right to use and disclose the Data in any manner and  
26 for any purpose without payment of further compensation to Consultant. Copies of Data  
27 may be retained by Consultant but Consultant warrants that Data shall not be made  
28 available to any person or entity for use without the prior approval of City. Said warranty

1 shall survive termination of this Agreement for five (5) years.

2           10. TERMINATION. Either party shall have the right to terminate this  
3 Agreement for any reason or no reason at any time by giving fifteen (15) calendar days'  
4 prior notice to the other party. In the event of termination under this Section, City shall pay  
5 Consultant for services satisfactorily performed and costs incurred up to the effective date  
6 of termination for which Consultant has not been previously paid. The procedures for  
7 payment in Section 1.B. with regard to invoices shall apply. On the effective date of  
8 termination, Consultant shall deliver to City all Data developed or accumulated in the  
9 performance of this Agreement, whether in draft or final form, or in process. And,  
10 Consultant acknowledges and agrees that City's obligation to make final payment is  
11 conditioned on Consultant's delivery of the Data to the City.

12           11. CONFIDENTIALITY. Consultant shall keep the Data confidential and  
13 shall not disclose the Data or use the Data directly or indirectly other than in the course of  
14 services provided hereunder during the term of this Agreement and for five (5) years  
15 following expiration or termination of this Agreement. In addition, Consultant shall keep  
16 confidential all information, whether written, oral, or visual, obtained by any means  
17 whatsoever in the course of Consultant's performance hereunder for the same period of  
18 time. Consultant shall not disclose any or all of the Data to any third party, nor use it for  
19 Consultant's own benefit or the benefit of others except for the purpose of this Agreement.

20           12. BREACH OF CONFIDENTIALITY. Consultant shall not be liable for a  
21 breach of confidentiality with respect to Data that: (a) Consultant demonstrates  
22 Consultant knew prior to the time City disclosed it; or (b) Is or becomes publicly available  
23 without breach of this Agreement by Consultant; or (c) A third party who has a right to  
24 disclose does so to Consultant without restrictions on further disclosure; or (d) Must be  
25 disclosed pursuant to subpoena or court order.

26           13. WARRANTY. If, in the opinion of City, the Data or services performed  
27 by Consultant requires correction during a period of twelve (12) months following expiration  
28 or termination of this Agreement, Consultant shall make said corrections at no additional

1 charge or cost to City. The corrective action required hereunder shall be in addition to any  
2 other rights or remedies that City may have.

3 14. AMENDMENT. This Agreement, including all Exhibits, shall not be  
4 amended, nor any provision or breach hereof waived, except in writing signed by the  
5 parties which expressly refers to this Agreement.

6 15. LAW. This Agreement shall be governed by and construed pursuant to  
7 the laws of the State of California (except those provisions of California law pertaining to  
8 conflicts of laws). Consultant shall comply with all laws, ordinances, rules and regulations  
9 of and obtain such permits, licenses, and certificates required by all federal, state and local  
10 governmental authorities.

11 16. ENTIRE AGREEMENT. This Agreement, including all Exhibits,  
12 constitutes the entire understanding between the parties and supersedes all other  
13 agreements, oral or written, with respect to the subject matter herein.

14 17. INDEMNITY. Consultant shall, with respect to services performed in  
15 connection with this Agreement, indemnify and hold harmless the City, its Boards,  
16 Commissions, and their officials, employees and agents (collectively in this Section, "City")  
17 from and against any and all liability, claims, demands, damage, loss, causes of action,  
18 proceedings, penalties, costs and expenses (including attorney's fees, court costs, and  
19 expert and witness fees)(collectively "Claims" or individually "Claim"). Claims include  
20 allegations and include by way of example but are not limited to: Claims for property  
21 damage, personal injury or death arising in whole or in part from any negligent act or  
22 omission of Consultant, its officers, employees, agents, sub-consultants, or anyone under  
23 Consultant's control (collectively "Indemnitor"); Consultant's breach of this Agreement;  
24 misrepresentation; willful misconduct; and Claims by any employee of Indemnitor relating  
25 in any way to worker's compensation. Independent of the duty to indemnify and as a free-  
26 standing duty on the part of Consultant, Consultant shall defend City and shall continue  
27 such defense until the Claim is resolved, whether by settlement, judgment or otherwise.  
28 No finding or judgment of negligence, fault, breach, or the like on the part of Indemnitor

1 shall be required for the duty to defend to arise. Consultant shall notify the City of any  
2 claim within ten (10) days. Likewise, City shall notify Consultant of any claim, shall tender  
3 the defense of such claim to Consultant, and shall assist Consultant, as may be reasonably  
4 requested, in such defense.

5 18. AMBIGUITY. In the event of any conflict or ambiguity between this  
6 Agreement and any Exhibit, the provisions of this Agreement shall govern.

7 19. COSTS. If there is any legal proceeding between the parties to enforce  
8 or interpret this Agreement or to protect or establish any rights or remedies hereunder, the  
9 prevailing party shall be entitled to its costs and expenses, including reasonable attorneys'  
10 fees and court costs (including appeals).

11 20. NONDISCRIMINATION. In connection with performance of this  
12 Agreement and subject to applicable rules and regulations, Consultant shall not  
13 discriminate against any employee or applicant for employment because of race, religion,  
14 national origin, color, age, sex, sexual orientation, AIDS, AIDS related condition, handicap,  
15 disability, or Vietnam Era veteran status. Consultant shall ensure that applicants are  
16 employed, and that employees are treated during their employment, without regard to  
17 these bases. Such actions shall include, but not be limited to, the following: Employment,  
18 upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or  
19 termination, rates of pay or other forms of compensation, and selection for training,  
20 including apprenticeship.

21 It is the policy of City to encourage the participation of Disadvantaged,  
22 Minority and Women-owned Business Enterprises in City's procurement process, and  
23 Consultant agrees to use its best efforts to carry out this policy in the award of all approved  
24 subcontracts to the fullest extent consistent with the efficient performance of this  
25 Agreement. Consultant may rely on written representations by subcontractors regarding  
26 their status. City's policy is attached as Exhibit "D" hereto. Consultant shall report to City  
27 in May and in December or, in the case of short-term agreements, prior to invoicing for final  
28 payment, the names of all sub-consultants engaged by Consultant for this Project and

1 information on whether or not they are a Disadvantaged, Minority or Women-Owned  
2 Business Enterprise, as defined in Section 8 of the Small Business Act (15 U.S.C. Sec.  
3 637).

4           21. NOTICES. Any notice or approval required hereunder by either party  
5 shall be in writing and personally delivered or deposited in the U.S. Postal Service, first  
6 class, postage prepaid, addressed to Consultant at the address first stated herein, and to  
7 the City at 333 West Ocean Boulevard, Long Beach, California 90802, Attention: City  
8 Manager with a copy to the City Engineer at the same address. Notice of change of  
9 address shall be given in the same manner as stated herein for other notices. Notice shall  
10 be deemed given on the date deposited in the mail or on the date personal delivery is  
11 made, whichever first occurs.

12           22. REDESIGN. If the Project involves construction and the scope of work  
13 or services requires Consultant to prepare plans and specifications with an estimate of the  
14 cost of construction, then Consultant may be required to modify the plans and  
15 specifications, any construction documents relating thereto, and Consultant's estimate, at  
16 no cost to City, when the lowest bid for construction received by City exceeds by more than  
17 ten percent (10%) Consultant's estimate. Said modification shall be submitted in a timely  
18 fashion to allow City to receive new bids within four (4) months of the date on which the  
19 original plans and specifications were submitted by Consultant.

20           23. COPYRIGHTS AND PATENT RIGHTS. A. Consultant shall place the  
21 following copyright protection on all Data: © City of Long Beach, California \_\_\_\_, inserting  
22 the appropriate year.

23           B. City reserves the exclusive right to seek and obtain a patent or copyright  
24 registration on any Data or other result arising from Consultant's performance of this  
25 Agreement. By executing this Agreement, Consultant assigns any ownership interest  
26 Consultant may have in the Data to the City.

27           C. Consultant warrants that the Data does not violate or infringe any patent,  
28 copyright, trade secret or other proprietary right of any other party. Consultant agrees to

1 and shall protect, defend, indemnify and hold City, its officials and employees harmless  
2 from any and all claims, demands, damages, loss, liability, causes of action, costs or  
3 expenses (including reasonable attorneys' fees) whether or not reduced to judgment,  
4 arising from any breach or alleged breach of this warranty.

5           24. COVENANT AGAINST CONTINGENT FEES. Consultant warrants that  
6 Consultant has not employed or retained any entity or person to solicit or obtain this  
7 Agreement and that Consultant has not paid or agreed to pay any entity or person any fee,  
8 commission, or other monies based on or from the award of this Agreement. If Consultant  
9 breaches this warranty, City shall have the right to terminate this Agreement immediately  
10 notwithstanding the provisions of Section 10 hereof or, in its discretion, to deduct from  
11 payments due under this Agreement or otherwise recover the full amount of such fee,  
12 commission, or other monies.

13           25. WAIVER. The acceptance of any services or the payment of any money  
14 by City shall not operate as a waiver of any provision of this Agreement, or of any right to  
15 damages or indemnity stated in this Agreement. The waiver of any breach of this  
16 Agreement shall not constitute a waiver of any other or subsequent breach of this  
17 Agreement.

18           26. CONTINUATION. Termination or expiration of this Agreement shall not  
19 affect rights or liabilities of the parties which accrued pursuant to Sections 7, 10, 11, 17,  
20 19, 23, and 29 prior to termination or expiration of this Agreement, and shall not extinguish  
21 any warranties hereunder.

23 obligated to and will report the payment of compensation to Consultant on Form 1099-

25 resulting from payments under this Agreement. Consultant's Employer Identification  
26 Number is [REDACTED] If Consultant has a Social Security Number rather than an  
27 Employer Identification Number, then Consultant shall submit that Social Security Number  
28 in writing to City's Accounts Payable, Department of Financial Management. Consultant
