For purposes of this section, "access to" means that the Subgrantee shall at all times maintain within the State of California a complete set of records and documents related to programs funded by this agreement. The Subgrantee shall comply with this requirement regardless of whether it ceases to operate or maintain a presence within the State of California before the expiration of the subgrant. Subgrantee's performance under the terms and conditions herein specified will be subject to an evaluation by the Subgrantor of the adequacy of the services performed, timeliness of response and a general impression of the competency of the firm and its staff.

14. Audits

- a). The Subgrantee will maintain and make available to auditors, at all levels, accounting and program records including supporting source documentation and cooperate with all auditors. All governmental and non-profit organizations must follow the audit requirements of OMB (single audit or program-specific audit requirement) Circular A-133 (29 CFR 97.26 and 29 CFR 95.26).

- b). The Subgrantee and/or auditors performing monitoring or audits of the Subgrantee or its sub-contracting service providers will immediately report to the Subgrantor any incidents of fraud, abuse or other criminal activity in relation to this subgrant agreement, the WIA, or its regulations.

15. Disallowed Costs

Except to the extent that the state determines it will assume liability, the Subgrantee will be liable for and will repay, to the Subgrantor, any amounts expended under this subgrant agreement found not to be in accordance with WIA including, but not limited to, disallowed costs. Such repayment will be from funds (Non-Federal), other than those received under the WIA.

16. Conflicts

- a). Subgrantee will cooperate in the resolution of any conflict with the U. S. DOL that may occur from the activities funded under this agreement.
- b). In the event of a dispute between the Subgrantor and the Subgrantee over any part of this subgrant agreement, the dispute may be submitted to non-binding arbitration upon the consent of both the Subgrantor and the Subgrantee. An election for arbitration pursuant to this provision will not preclude either party from pursuing any remedy for relief otherwise available.

17. Grievances and Complaint System

Subgrantee will establish and maintain a grievance and complaint procedure in compliance with the WIA, federal regulations and state statues, regulations and policy.

18. Property

All property, whether finished or unfinished documents, data, studies and reports prepared or purchased by the Subgrantee under this subgrant agreement, will be disposed of in accordance with the direction of the Subgrantor. In addition, any tools and/or equipment furnished to the Subgrantee by the Subgrantor and/or purchased by the Subgrantee with funds pursuant to this subgrant agreement will be limited to use within the activities outlined in this subgrant agreement and will remain the property of the United States Government and/or the Subgrantor. Upon termination of this subgrant agreement, Subgrantee will immediately return such tools and/or equipment to the Subgrantor or dispose of them in accordance with the direction of the Subgrantor.

19. Intellectual Property Provisions

a). Federal Funding

Except as otherwise set forth herein, Subgrantee shall not use any of Subgrantor's Intellectual Property now existing or hereafter existing for any purposes without the prior written permission of Subgrantor. Except as otherwise set forth herein, neither the Subgrantee nor Subgrantor shall give any ownership interest in or rights to its Intellectual Property to the other Party. Pursuant to paragraph nineteen (b) (4) of the Intellectual Property Provisions in Exhibit BB to this subgrant agreement, the requirement for the Subgrantee to include all Intellectual Property Provisions of paragraph nineteen a) through nineteen i) of the Intellectual Property Provisions in all agreements and subcontracts it enters into with other parties does not apply to subgrant agreements or subcontracts that are for customized and on-the-job training as authorized under 20 CFR 663.700-730.
- (6). Subgrantee further agrees to assist and cooperate with Subgrantor in all reasonable respects, and execute all documents and, subject to reasonable availability, give testimony and take all further acts reasonably necessary to acquire, transfer, maintain, and enforce Subgrantor's Intellectual Property rights and interests.

Subgrantee hereby grants to Subgrantor, without additional compensation, a permanent, non-exclusive, royalty free, paid-up, worldwide, irrevocable, perpetual, non-terminable license to use, reproduce, manufacture, sell, offer to sell, import, export, modify, publicly and privately display/perform, distribute, and dispose of Subgrantee's Intellectual Property with the right to sublicense through multiple layers, for any purpose whatsoever, to the extent it is incorporated in the Intellectual Property resulting from this subgrant, unless Subgrantee assigns all rights, title and interest in the Intellectual Property as set forth herein.
- (2). Nothing in this provision shall restrict, limit, or otherwise prevent Subgrantee from using any ideas, concepts, know-how, methodology or techniques related to its performance under this subgrant agreement, provided that Subgrantee's use does not infringe the patent, copyright, trademark rights, license or other Intellectual Property rights of Subgrantor or third party, or result in a breach or default of any provisions of paragraph nineteen a) through nineteen i) or result in a breach of any provisions of law relating to confidentiality.

d). Copyright

Subgrantee in connection with Subgrantee's performance of this subgrant agreement shall be deemed "works made for hire." Subgrantee further agrees that the work of each person utilized by Subgrantee in connection with the performance of this subgrant agreement will be a "work made for hire," whether that person is an employee of Subgrantee or that person has entered into an agreement with Subgrantee to perform the work. Subgrantee shall enter into a written agreement with any such person that:

- (i) all work performed for Subgrantee shall be deemed a "work made for hire" under the Copyright Act and
- (ii) that person shall assign all right, title, and interest to Subgrantor to any work product made, conceived, derived from or reduced to practice by Subgrantee or Subgrantor and which result directly or indirectly from this subgrant agreement. Refer to 29 CFR, Part 95, Appendix A 5 or Part 97.34.

- (2) All materials, including, but not limited to, computer software, visual works or text, reproduced or distributed pursuant to this subgrant agreement that include Intellectual Property made, conceived, derived from, or reduced to practice by Subgrantee or Subgrantor and which result directly or indirectly from this subgrant agreement may not be reproduced or disseminated without prior written permission from Subgrantor.

e). Patent Rights

With respect to inventions (refer to 29 CFR, 97.36(i)(8)) made by Subgrantee in the performance of this subgrant agreement, which did not result from research and development specifically included in the Subgrant's scope of work, Subgrantee hereby grants to Subgrantor a license as described under paragraph nineteen c) for devices or material incorporating, or made through the use of such inventions. If such inventions result from research and development work specifically included within the subgrant agreement's scope of work, then Subgrantee agrees to assign to Subgrantor, without additional compensation, all its right, title and interest in and to such inventions and to assist Subgrantor in securing United States and foreign patents with respect thereto.

f). Third-Party Intellectual Property

Except as provided herein, Subgrantee agrees that its performance of this subgrant agreement shall not be dependent upon or include any Intellectual Property of Subgrantee or third party without first: (i) obtaining Subgrantor's prior written approval; and (ii) granting to or obtaining for Subgrantor's, without additional compensation, a license, as described in paragraph nineteen c), for any of Subgrantee's or third-party's Intellectual Property in existence prior to the effective date of this subgrant agreement. If such a license upon these terms is unattainable, and Subgrantor determines that the Intellectual Property should be included in or is required for Subgrantee's performance of this subgrant agreement, Subgrantee shall obtain a license under terms acceptable to Subgrantor.

g). Warranties

(1). Subgrantee represents and warrants that:

- (a). It has secured and will secure all rights and licenses necessary for its performance of this subgrant agreement.
- (b). Neither Subgrantee's performance of this subgrant agreement, nor the exercise by either Party of the rights granted in this subgrant agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Subgrantee or Subgrantor and which result directly or indirectly from this subgrant agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There are currently no actual or threatened claims by any such third party based on an alleged violation of any such right by Subgrantee.
- (c). Neither Subgrantee's performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.
- (d). It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers or releases from all authors.
- (e). Of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real estate, sites locations, property or props that may be used or shown.
- (f). It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to Subgrantor in this subgrant agreement.

(g). It has appropriate systems and controls in place to ensure that state and federal funds will not be used in the performance of this subgrant agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

(h). It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Subgrantee's performance of this subgrant agreement.

(2). SUBGRANTOR MAKES NO WARRANTY, THAT THE INTELLECTUAL PROPERTY RESULTING FROM THIS SUBGRANT AGREEMENT DOES NOT INFRINGE UPON ANY PATENT, TRADEMARK, COPYRIGHT OR THE LIKE, NOW EXISTING OR SUBSEQUENTLY ISSUED.

h). Intellectual Property Indemnity

(1). Subgrantee shall indemnify, defend and hold harmless Subgrantor and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnities") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim action, or proceeding, commenced or threatened) to which any of the Indemnities may be subject, whether or not Subgrantee is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Subgrantee pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of Subgrantor's use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Subgrantee or Subgrantor and which result directly or indirectly from this subgrant agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that was issued after the effective date of this subgrant agreement. Subgrantor reserves the right to participate in and/or control, at Subgrantee's expense, any such infringement action brought against Subgrantor.

(2). Should any Intellectual Property licensed by the Subgrantee to Subgrantor under this subgrant agreement become the subject of an Intellectual Property infringement claim, Subgrantee will exercise its authority reasonably and in good faith to preserve Subgrantor's right to use the licensed Intellectual Property in accordance with this subgrant agreement at no expense to Subgrantor. Subgrantor shall have the right to monitor and appear through its own counsel (at Subgrantee's expense) in any such claim or action. In the defense or settlement of the claim, Subgrantee may obtain the right for Subgrantor to continue using the licensed Intellectual Property or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, Subgrantor may be entitled to a refund of all monies paid under this subgrant agreement, without restriction or limitation of any other rights and remedies available at law or in equity.

(3). Subgrantee agrees that damages alone would be inadequate to compensate Subgrantor for breach of any term of these Intellectual Property provisions of paragraph nineteen a) through nineteen i) by Subgrantee. Subgrantee acknowledges Subgrantor would suffer irreparable harm in the event of such breach and agrees Subgrantor shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

i). Survival

The provisions set forth herein shall survive any termination or expiration of this subgrant agreement or any project schedule.

20. Confidentiality Requirements

The State of California and the Subgrantee will exchange various kinds of information pursuant to this subgrant agreement. That information will include data, applications, program files, and information about specific clients receiving services. These data and information are confidential when they define an individual or an employing unit or when the disclosure is restricted or prohibited by any provision of law. Confidential information requires special precautions to protect it from unauthorized use, access, disclosure, modification, and destruction. - a). Each party shall keep all confidential information that is exchanged between them in the strictest confidence and make such information available to their own employees only on a "need-to-know" basis.
- b). Each party shall provide security sufficient to ensure protection of confidential information from improper use and disclosures, including sufficient administrative, physical, and technical safeguards to protect this information from reasonable unanticipated threats to the security or confidentiality of the information.
- c). The Subgrantee agrees that information obtained under this subgrant agreement will not be reproduced, published, sold or released in original or in any other form for any purpose other than those specifically identified in this agreement.
 - i. Aggregate Summaries: All reports and/or publications developed by the Subgrantee based on data obtained under this agreement shall contain confidential data in aggregated or statistical summary form only. "Aggregated" refers to a data output that does not allow identification of an individual or employer unit.
 - ii. Publication: Prior to publication, Subgrantee shall carefully analyze aggregated data outputs to ensure the identity of individuals and/or employer units cannot be inferred pursuant to Unemployment Insurance Code section 1094(c). Personal identifiers must be removed. Geographic identifiers should be specified only in large areas and as needed, and variables should be recorded in order to protect confidentiality.
 - iii. Minimum Data Cell Size: The minimum data cell size or derivation thereof shall be three participants for any data table released to outside parties or to the public.
- d). Each party agrees that no disaggregate data, identifying individuals or employers, shall be released to outside parties or to the public.
- e). The Subgrantee shall notify Subgrantor's Information Security Office of any actual or attempted information security incidents, within 24 hours of initial detection, by telephone at (916) 654-6231. Information Security Incidents include, but are not limited to, any event (intentional or unintentional), that causes the loss, damage, or destruction, or unauthorized access, use, modification, or disclosure of information assets.

The Subgrantee shall cooperate with the Subgrantor in any investigations of security incidents. The system or device affected by an information security incident and containing confidential data obtained in the administration of this program shall be immediately removed from operation upon confidential data exposure or a known security breach. It shall remain removed from operation until correction and mitigation measures are applied.

If the Subgrantee learns of a breach in the security of the system which contains confidential data obtained under this Subgrant, then the Subgrantee must provide notification to individuals pursuant to Civil Code section 1798.82.
- f). The Subgrantee shall provide for the management and control of physical access to information assets (including personal computer systems, computer terminals, mobile computing devices, and various electronic storage media) used in performance of this Subgrant. This shall include, but is not limited to, security measures to physically protect data, systems, and workstations from unauthorized access and malicious activity; the prevention, detection, and suppression of fires; and the prevention, detection, and minimization of water damage.
- g). At no time will confidential data obtained pursuant to this agreement be placed on a mobile computing device, or on any form of removable electronic storage media of any kind unless the data are fully encrypted.
- h). Each party shall provide its employees with access to confidential information with written instructions fully disclosing and explaining the penalties for unauthorized use or disclosure of confidential information found in section 1798.55 of the Civil Code, section 502 of the Penal Code, section 2111 of the Unemployment Insurance Code, section 10850 of the Welfare and Institutions Code and other applicable local, state and federal laws.
- i). Each party shall (where it is appropriate) store and process information in electronic format, in such a way that unauthorized persons cannot reasonably retrieve the information by means of a computer.
- j). Each party shall promptly return to the other party confidential information when its use ends, or destroy the confidential information utilizing an approved method of destroying

confidential information: shredding, burning, or certified or witnessed destruction. Magnetic media are to be degaussed or returned to the other party.

- k). If the Subgrantor or Subgrantee enters into an agreement with a third party to provide WIA services, the Subgrantor or Subgrantee agrees to include these data and security and confidentiality requirements in the agreement with that third party. In no event shall said information be disclosed to any individual outside of that third party's authorized staff, subcontractor(s), service providers, or employees.
- l). The Subgrantee may, in its operation of the One-Stops, permit a One-Stop Operator to enter into a subcontract to manage confidential information. This subcontract may allow an individual to register for resume-distribution services at the same time the individual enrolls in CalJOBS. Subgrantee shall ensure that all such subcontracts comply with the intellectual property requirements of paragraph 19 of this Subgrant, the confidentiality requirements of paragraph 20 of this Subgrant and any other terms of this Subgrant that may be applicable. In addition, the following requirements must be included in the subcontracts:
- (1) All client information submitted over the Internet to the subcontractor's databases must be protected, at a minimum, by 128-bit Secure Socket Layer (SSL) encryption. Clients' social security numbers must be stored in a separate database within the subcontractor's network of servers, and protected by a firewall and a secondary database server firewall or AES data encryption. If a subcontractor receives client social security numbers or other confidential information in the course of business, for example a resume-distribution service that provides enrollment in CalJOBS, social security numbers must be destroyed within two days after the client registers for CalJOBS. If a subcontractor obtains confidential information as an agent of the subgrantee, the subcontract must specifically state the purpose for the data collection and the term of records retention must be stated, and directly related, to the purpose and use of the information. In accordance with 29 Code of Federal Regulations 97.42, social security numbers and other client specific information shall not be retained for more than three years after a client completes services. The subgrantee should extend this period, only if any litigation, claim, negotiation, audit, or other action involving the records has been started before the end of the three-year retention period. In this case the records should be maintained until completion of the action and resolution of all issues arising from it, or until the close of the three-year retention period, whichever is later. (29 CFR sec. 97.42 (b) (2).)
 - (2) Client information (personal information that identifies a client such as name and social security number) and/or demographic information of a client (such as wage history, address, and previous employment) shall not be used as a basis for commercial solicitation during the time the client or agency is using the subcontractor's services. Client information and/or demographic information shall not be used for any purposes other than those specific program purposes set forth in the subcontract.
 - (3) A One-Stop client must still be given the option to use the One-Stop's services, including CalJOBS, even if he or she chooses not to use any services of the subcontractor. This option shall be prominently, clearly, and immediately communicated to the client upon registration within the One-Stop or for CalJOBS, the subcontractor's resume-distribution services, or any other services subcontractor offers to the client or the One-Stop Operator.
 - (4) The subcontractor must clearly disclose all of its potential and intended uses of the client's personal and/or demographic information for the services the clients seeks and for any other services the subcontractor offers. The subcontractor shall not use a client's personal and/or demographic information without the client's prior permission. A link to the subcontractor's Privacy Policy shall appear prominently on the registration screens that list the potential and intended uses of the client's personal and/or demographic information.
 - (5) When the Subgrantor modifies State automated systems such as the State CalJOBS System, it shall provide reasonable notice of such changes to the Subgrantee. The Subgrantee shall be responsible to communicate such changes to the One-Stop Operator(s) in the local area.
- m). Each party shall designate an employee who shall be responsible for overall security and confidentiality of its data and information systems and each party shall notify the other of any changes in that designation. As of this date, the following are those individuals:
