Item: His Little Feet Proposal for Mayor's Fund to End Homelessness

Staff Analysis:

Staff have reviewed the proposal submitted by His Little Feet, Inc. (HLF) on Sunday, May 30, 2021 by Hali Lynn Wolf-Rosado. The proposal fits the intent of the Mayor's Fund to End Homelessness.

HLF provides shoes, socks, and encouraging notes for children and adults experiencing homelessness, a service not currently covered by existing funding. The proposal would meet one-time gaps in HLF's programs through supporting the technology infrastructure needs, providing \$2,000 for a desktop computer and associated software and peripherals, as well as \$8,000 for shoes between June and December 2021, including one Back to School event in August. The proposal would enable the continuation and expansion of HLF's services, serving 258 adults and children.

As of May 31, 2021, the Mayor's Fund to End Homelessness balance is \$214,252.67, with \$131,252.67 available after previous funding awards. This proposal would represent 7.6% of the remaining available funds.
