**RECOMMENDATION**

**Adopt Resolutions declaring results of the City of Long Beach Primary  
Nominating Election held April 13, 2010.**

**DISCUSSION**

Pursuant to Municipal Code Section 1.21.010, the City Clerk Department is required to certify election results to the City Council within twenty-one days after the date of the April 13, 2010, Primary Nominating Election. Certification of the election must comply with the official canvass requirements set forth in the State Elections Code, Division 15, Chapter 4.

To meet the foregoing requirements, the City Clerk Department has executed the following tasks:

- (a) An inspection of all materials and supplies returned by poll workers;
- (b) A reconciliation of the number of signatures on the roster with the number of ballots recorded on the ballot statement;
- (c) A reconciliation of the number of ballots counted, spoiled, canceled, or invalidated due to identifying marks and over votes, with the number of votes recorded by the vote counting system, including vote-by-mail and provisional ballots;
- (d) Processing and counting any valid vote by mail and provisional ballots not included in the Election Day semifinal official canvass;
- (e) Counting any valid write-in votes;
- (f) Reproducing any damaged ballots, if necessary;
- (g) Reporting final results to the governing board;

- (h) Conduct of a public hand-count of ballots cast in a randomly selected one (1) percent of precincts, plus one additional precinct for each race tabulated by the City's voting system; and
- (i) Identification and reporting of any discrepancies between the vote system count and the hand-count.

The unofficial vote totals for Precinct 3850530A have been hand-counted and reconciled to eliminate a minor discrepancy that was noted as ballots were tabulated during the evening of April 13, 2010. The reconciliation does not change the outcome of the District 7 contest (see Attachment D).

**Date:** April 28, 2010  
**To:** Larry Herrera, City Clerk  
Poonam Davis, Election Bureau Manager  
**From:** Donesia Gause, City Clerk Analyst   
**Subject:** Election Results Adjustment

As part of election canvass, staff reconciles the number of ballots received from the polling place with the number of ballots cast. The purpose of this report is to document the reconciliation of ballots and results for Precinct 3850530A in Council District 7, as required by Election Code Section 15360(e).

On election night, our ballot process and audit trail alerted us to the possibility that a precinct may have been scanned and resolved twice. After further review, it was confirmed that twenty-six ballots from Precinct 3850530A were mistakenly taken to the Council Chamber instead of the Election Center. The aforementioned precinct ballots were scanned and resolved at 9:56 PM (Batch #224) on Station A (Council Chamber) and then scanned and resolved a second time at Station E (Election Center) at 10:26 PM (Batch #217).

In addition to the 'one percent manual tally', which was conducted on 9 of the 322 election precincts, a manual tally was also conducted for Precinct 3850530A. Purposes of the manual tally are to identify any discrepancies, if any and properly record the adjustments as necessary. As authorized by Election Code Section 15360(e), election ballots were manually recounted and reconciled. In turn, manual adjustments were entered for Precinct 3850530A into the tally system for the purpose of producing accurate official election reports. However, no manual adjustments were necessary for the other 9 precincts. The manual adjustments did not affect the total cast vote records by a significant amount and/or percentage. The attached sheet incorporates the manual tally adjustments for Precinct 3850530A.
