

DECEMBER 2007

1

To the City of Long Beach Department of Financial Management and City Council regarding the Public Notice for a hearing to permit Entertainment Without Dancing to S & M Partners Inc, DBA Puka Bar at 710 W. Willow Street Long Beach CA 90806:

We, the residents living in the area near the Puka Bar, are opposed to issuance of the permit because we believe that the above action will result in an increase in disruptive and nuisance behavior from the patrons of the bar. Our neighborhood has already been impacted negatively by Puka Bar patrons. Examples of unwanted behaviors include; alcohol/beer bottles and other trash left in street and or on our lawns, public urination, noisy patrons yelling and gathering in the street, playing loud music from their car radios, a lack of parking places for our friends and families when they visit us.

The above nuisance behaviors impact the quality of life in our neighborhood and we believe that adding a live band will likely increase patron attendance and will result in more disruptive behaviors. We therefore respectfully request that you not approve the permit.
