Hi Daisy,

I have three emails to attach to tonight's council hearing for Gallaghers. Would you please attach. I can also bring down hard copies if you prefer that. Thanks.

Subject Gallagher's Pub & Grill Entertainment permit

Erik Sund,
Manager, Business Relations bureau

Dear Erik,

We are neighbors of Gallagher's and wish to make our opinion known regarding the proposed Entertainment permit for "Entertainment without Dancing by Patrons" for Gallagher's Pub & Grill.

My partner and I live at 255 Temple Ave., just around the corner from Gallagher's, near the corner of Temple and Broadway.

Although we have no complaints to date about the activities or noise from that establishment, we are concerned that the proposed permit would lead to additional noise, crowds, and traffic in the area. We believe it would also further exacerbate the limited residential parking problem that many of us encounter when coming home from work every day.

We are therefore opposed to any additional permit, at least without further detail as to what said permit actually would entail.

Respectfully Submitted,

Ed Jettón

Subject Permit for entertainment without
dancing for Gallaghers

Hi City of Long Beach,

I am writing in regards to the issuance of the permit for Gallaghers. I fully support this establishment receiving this permit. I have been a consistent patron of Gallaghers for years.

Gallaghers is a landmark in Long Beach. The quality of service, food, and entertainment are top notch. I am a diehard fan for their karaoke nights and their live music. They just wouldn't be the same without these elements. It's what brings customers in, brings a community together and supports a great business in Long Beach.

Thank you,

Jessica Fife

Ten year resident of Long Beach

Subject Issuance of a Permit for Entertainment
without Dancing to DBA Gallagher's
Pub and Grill

Mr. Sund,

I am a resident on 2nd Street between Temple and Molino, and I strongly oppose the issuance of such a permit to Gallagher's Pub and Grill. The noise that live entertainment will produce is going to be too loud. While I respect Gallagher's owners for requesting a permit, as previous tenants who owned an Indian restaurant and located in the same spot, did not seek a permit to play live music, yet they did so often. From that past experience, I can confidently report the sound that emanates is too loud. Very often I and my neighbors have had to call the police because the live music was too loud. Most of us have to be up early the next day to tend to our families and businesses; we cannot afford to be up late because live music is keeping us up into the wee hours of the night. That was exactly the case when the same location was an Indian restaurant. My bedroom is within easy ear shot of Gallagher's. On St. Patrick's Day, we cannot sleep until Gallagher's shuts down because they increase the volume of their music to decibels that is irresponsible. Live music is even louder.

Were Gallagher's not located in such a densely populated residential area, I would have no complaints. As it stands, if Gallagher's is issued a permit for live music, we, neighbors not party goers, will be forced to hear live music when we just want to sleep.

In case you are wondering what happened to the business owner who had

an Indian restaurant at the same location, she moved her live music and restaurant to a location on Ocean Boulevard, appropriate for loud music and dancing. She got fed up with neighbors calling the police and complaining about how loud the music was. If I can't sleep due to loud music at Gallagher's I, and my neighbors, will call the police every time, and the owner of Gallagher's won't be happy either.

Sincerely,
Jacqueline Komminos
