---

LONG BEACH POLICE DEPARTMENT

A solid blue horizontal bar at the bottom of the page.

# What is AB 953?

---

Requires law enforcement agencies to collect stop data.

Stop – for purpose of this data collection, defined:

- Any detention by a peace officer of a person, or
- Any peace officer interaction with a person in which the peace officer conducts a search, including a consensual search, of the person's body or property in the person's possession or control.

Detention – a seizure of a person by an officer that results from physical restraint, unequivocal verbal commands or words or conduct by an officer that would result in a reasonable person believing that he or she is not free to leave or otherwise disregard the officer.

LBPD is required to collect stop data beginning **January 1, 2019.**

# LBPDs AB953 Program

### Duration of stop:

- Officer A stops a vehicle for suspected driving under the influence (DUI) at 1300 hours. Officer B arrives at the scene 15 minutes later and conducts a field sobriety test on the driver, who fails the tests. Officer B then arrests and takes the driver into custody at 1345 hours. This duration would be reported at 45 minutes.
- An Officer begins interviewing witnesses to a robbery at 1100 hours. After 30 minutes of interviews with different witnesses, the officer observes what looks like a switchblade knife protruding from the waistband of one of witnesses. The officer conducts a search of that person. Duration of stop is measured from the time the person is searched (1130 hours) and not the time during which the officer began interviews of witnesses.
