Subject Permit for Broadlind Lounge, LLC

To Long Beach City Council:

I am sending this to register my disapproval of a continued permit for Broadlind Lounge, LLC., DBA The Basement. As private citizens, my wife Mary Wright and I have been subjected to the constant intrusion in our lives from the extremely loud noise of drunk patrons leaving late at night wakes us.

As president of the Lafayette Homeowners' Association, I have received many complaints from our residents, particularly those in our Lafayette and Campbell buildings which face The Basement.

Patrons of the Basement have been observed urinating, defecating and vomiting on our streets, littering bottles and cans of liquor. In the past, when confronted with our complaints, the Basement seemed to make some effort to correct the problems, but recently it has become as bad as ever with seemingly no attempt to control their patrons

around closing time.

I urge you to rescind their permit for dancing as it creates many problems in this residential area.

Thank you,

Leo Bell
