DEPARTMENT OF COMMUNITY DEVELOPMENT

333 WEST OCEAN BOULEVARD • LONG BEACH, CALIFORNIA 90802

R-27

November 3, 2009

HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Approve the Magnolia Industrial Group Property and Business Improvement District Annual Report and Assessment for the period of December 1, 2009 through November 30, 2010, automatically extending the current agreement with the Magnolia Industrial Group, Inc. for a one-year period. (District 1)

DISCUSSION

The Magnolia Industrial Group Property and Business Improvement District (MIG-PBID) was initially established by the City Council in 1996 for a three-year period. On July 20, 1999, pursuant to the Property and Business Improvement Law of 1994 (Law), the City Council re-established the MIG-PBID for an additional five-year period. On July 15, 2003, City Council again re-established the MIG-PBID. The 2003 re-establishment required a majority vote of the property owners be in favor of a new ten-year term.

Under the Law, Magnolia Industrial Group (MIG) property owners assess themselves an additional fee to pay for supplemental security patrol and the cleanup and removal of items such as weeds, trash, and abandoned furniture and tires within the MIG area.

The 1994 Law requires that the MIG-PBID Advisory Board approve and file an Annual Report describing their projected budget and expenditures. The 2009-2010 Annual Report is attached for City Council approval. The levy of assessment will cover the period of December 1, 2009 through November 30, 2010.

The Board-approved MIG-PBID rate of assessment is based on the square footage of developed property within the boundaries as shown on the map in Section 7 of the attached Annual Report. The MIG-PBID Management Plan allows up to a four percent per year cost-of-living increase in the assessment rate. The actual local CPI increase for the most recent period is minus 1.0 percent. For Fiscal Year 2010 (FY 10), the MIG Board voted to maintain the assessment at the same rate as Fiscal Year 2009.

In FY 10, properties over 810 square feet up to 20,000 square feet are assessed a monthly amount of \$62. Properties less than 810 square feet will not be assessed. Properties larger than 20,000 square feet are assessed a monthly amount of \$62 plus \$0.001116 for each square foot in excess of 20,000, with the maximum monthly assessment limited to \$124. The effective maximum assessment is \$1,488 per owner per year. This is within the maximum allowed for the district according to Section 6.3 of the MIG-PBID Management Plan.

HONORABLE MAYOR AND CITY COUNCIL

November 3, 2009

Page 2

The estimated total property assessment to be collected for the period of December 1, 2009 through November 30, 2010 is estimated at \$83,166.

The Law also allows the City to contract with service providers to carry out the MIG-PBID Program. Since 1996, the City of Long Beach has contracted with MIG, Inc., to carry out the security and maintenance program. The current agreement provides that the term be automatically extended on a year-to-year basis upon City Council approval of the Assessment Report (included in the Annual Report) and related levy of assessments.

This letter was reviewed by Assistant City Attorney Heather Mahood on October 12, 2009, Budget Performance and Management Officer David Wodynski on October 19, 2009, and the City Treasurer's Office on October 12, 2009.

TIMING CONSIDERATIONS

The MIG-PBID's 2009 contract ends on November 30, 2009. City Council approval of the Annual Report and Assessment is requested on November 3, 2009 to continue the assessment and extend the contract for another year.

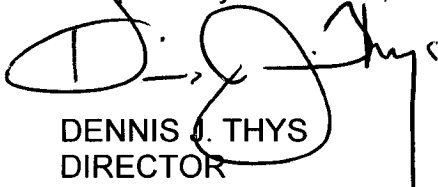

FISCAL IMPACT

Sufficient funds to cover the recommended contract are budgeted in the Parking and Business Area Improvement Fund (SR 132) in the Department of Community Development (CD). The contract amount for will be fully offset by FY 10 estimated assessment revenue of \$83,166. There is no impact to the General Fund.

SUGGESTED ACTION:

Approve recommendation.

Respectfully submitted,

DENNIS J. THYS
DIRECTOR
DEPARTMENT OF COMMUNITY DEVELOPMENT

1. DISTRICT BACKGROUND

On July 15, 2003, the City Council of the City of Long Beach ("City Council") re-established the Magnolia Industrial Group Property and Business Improvement District ("District"), pursuant to the provisions of the *Property and Business Improvement District Law of 1994 ("Law") Division 18 of the Streets and Highways Code, commencing with Section 36600*. The City Council determined that the businesses lying within the District boundaries receive special benefit from the improvements and services provided by the District. The City Council further ordered the levy and collection of assessments to pay for the improvements and services provided by the District.

Pursuant to Section 36631, the City Council appointed an Advisory Board ("Advisory Board"), the Magnolia Industrial Group ("MIG"), to make recommendations to the City Council on: the expenditure of revenues derived from the levy of assessments; the classification of properties; and the method and basis of levying the assessments; District budgets and policies.

This Annual Report is prepared pursuant to Section 36650(a) of the Law and includes any proposed changes to the District boundaries, zone boundaries, the basis and method of levying the assessments, and any changes to the classification of property.

The District was originally re-established on July 20, 1999 and was further re-established on July 15, 2003. The re-established district is scheduled to expire ten years from the date of re-establishment. Before the expiration of the District, the petition, ballot and appeal process must be repeated for the District to continue.

The assessment may be increased each year to reflect the annual change in the Consumer Price Index for All Urban Consumers in Los Angeles-Riverside-Orange Counties. The annual increase cannot exceed four percent.

2. PROPOSED CHANGES TO THE DISTRICT

There are no proposed changes to the District boundaries, the basis and method of levying the assessments, or the classifications of property.

3. DISTRICT BOUNDARIES

3.1. General Description of the District Boundaries

The District falls within a 24-block area generally located east of San Francisco Avenue, south of Pacific Coast Highway, west of Magnolia Avenue and north of Anaheim Street, with an extended portion west of the Southern Pacific Railroad Right of Way, south of Anaheim Street, north of 12th Street and east of De Forest Avenue.

3.2. Legal Description of the District Boundaries

Beginning at the intersection of the southerly line of Pacific Coast Highway and the easterly line of the Los Angeles County Flood Control Channel; thence easterly along the southerly line of Pacific Coast Highway to the westerly line of Magnolia Avenue; thence southerly along the westerly line of Magnolia Avenue to the southerly line of Anaheim Street thence westerly along the southerly line of Anaheim Street to the easterly line of Parcel 1 of Parcel Map No. 6264 as per map recorded in Book 75, pages 81 and 82 of Parcel Maps, Records of Los Angeles County; thence southerly along the easterly line of said Parcel 2 to the westerly line of the Southern Pacific Railroad Right-of-Way; thence southwesterly along said westerly line of the Southern Pacific Railroad Right-of-Way to the easterly line of De Forest Avenue; thence northerly along the easterly line of De Forest Avenue to its end; thence westerly to the easterly line of the Los Angeles County Flood Control Channel; thence northerly along the easterly line of the Los Angeles County Flood Control Channel to the point of beginning.

4. IMPROVEMENTS AND ACTIVITIES

4.1. Management Overview

Developed by a coalition of Magnolia Industrial Area ("Area") property and business owners, the District is a benefit assessment district proposed to improve the Area. The purposes of the District are to (1) provide supplemental security services to deter crime and (2) to provide refuse removal and clean-up.

4.2. Service Plan

The District Service Plan provides for: a supplemental security patrol program and additional security services to support police and property owner crime prevention efforts; refuse/clean-up services to remove items such as weeds, trash, discarded furniture, and abandoned tires; and an administrative component to support the District and promote a positive image.

1. Security

The primary purpose of establishing the District was to put in place a security system. A seven day per week security patrol has been hired to provide services. Under contract to the MIG, a security company supplies uniformed, armed security patrols that make rounds to every property on a continuous basis. Specific details on the hours of operation have been provided to each property owner within the District. The uniformed vehicular night patrol serves as the eyes and ears of the Long Beach Police Department and also responds to calls for assistance.

In addition the MIG has implemented an electronic patrol monitoring program from sundown to sunrise. Security patrol personnel use an electronic wand to record visits to any of more than 32 stations within the Area. Security patrol activity reports are then available for printing the following day.

a. Duties

Specifically, the security staff on duty performs continuous patrols of properties within the District boundaries. These patrols are made in an appropriately marked vehicle with warning lights and spotlight. The security staff looks for illegal trespassers and will notify the police if any are observed.

b. Relationship to City Police

It is understood that the security patrol is not intended to take the place of City Police personnel. Instead, as a uniformed and armed security patrol, they act as an observation unit that is prepared to alert the City Police rather than apprehend lawbreakers. Their visible presence acts as a deterrent to criminal activity in the Area.

2. Refuse removal/clean-up

Under contract with the MIG, a firm removes items such as weeds, trash, discarded furniture, and abandoned tires as needed.

3. Administration

Administrative costs to establish an office are paid for primarily by donations from members. A property owner has committed to provide meeting space.

The MIG Board or Membership handles membership and bookkeeping procedures and advocates for the District to the City Council, County and other entities as needed. The District may also incur City of Long Beach costs associated with administrative and special services for the District.

5. DISTRICT BUDGET

5.1. District Budget

The following table provides the District budget approved by the Advisory Board for the year ending December 31, 2010.

Magnolia Industrial Group Property and Business Improvement District		
Approved Annual Budget		
For the Year Ending December 31, 2010		
<u>Expense Category</u>	<u>Expense Detail</u>	<u>Budgeted Amount</u>
Security:		\$76,000.00
Administration:	Contract Services	20.00
	NBS Services	3,200.00
	Accounting	500.00
	Telephone/Fax	500.00
	Insurance	3,000.00
	Supplies	500.00
	Postage	1,000.00
	Newsletter	7,500.00
Contingency:	Clean-up	0.00
Total:		\$92,220.00

The budgeted costs will be recovered via the Fiscal Year 2009/10 assessments on active parcels within the District totaling \$83,166.14 along with \$9,053.86 in available District Funds carried over from the prior year.

5.2. Surplus or Deficit Carryover

It is anticipated that \$9,053.86 in prior year Surplus Funds will be used to pay a portion of the Fiscal Year 2009/10 Annual Costs.

6. METHOD AND BASIS OF ASSESSMENTS

6.1. Current Fiscal Year Assessment Rates

Property owners and other District stakeholders have emphasized that the assessment formula for the District be fair and equitable to all members of the District.

Lot square footage is relevant to the highest and best use of a property and will reflect the long-term value implications of the District. Because the security patrol is anticipated to benefit each property owner equally, it is believed that the most equitable assessment method is by size of property owned. Taking this into account the following method was used to determine the actual 2009/10 assessments:

Zone 1 will include all properties under or equal to 20,000 square feet, and the Fiscal Year 2009/10 monthly assessment amount will be **\$62.01** to each property owner.

Zone 2 will include all properties over 20,000 square feet and the Fiscal Year 2009/10 monthly assessment amount will be **\$62.01 + \$.001116 for each square foot over 20,000**. If the resulting assessment is in excess of \$124.01, the excess will be eliminated and the property owner will pay \$124.01.

Using this formula no property owner will pay less than \$62.01, nor more than \$124.01 with the exception of undeveloped properties 810 square feet or less which are not assessed.

The MIG decided to keep the actual assessment rates the same as the previous fiscal year.

According to the Management Plan for the District the maximum assessment rates are increased each year to reflect the annual change in the Consumer Price Index for All Urban Consumers in Los Angeles-Riverside-Orange Counties, not to exceed four percent. The annual Consumer Price Index variance is calculated in March of each year. For Fiscal Year 2009/10 the applicable change in the Consumer Price Index change was negative one percent. Thus, the maximum assessment rates remained the same as the previous fiscal year.

6.2. Clarification of Assessment Factors

With regard to property owners holding multiple parcels, the following shall apply:

A property to be assessed shall include all properties under common ownership and/or control as determined by the MIG. Undeveloped properties 810 square feet or less will not be assessed. Where multiple parcels are under such common ownership or control, the total square footage of all aggregated parcels shall be used to determine the monthly assessment amount subject to the conditions contained herein; that amount shall be reported to the Los Angeles County Auditor Controller's office under the largest of the parcel numbers.

With regard to property under the control of **one who is not the owner of record**, the following shall apply:

For purposes of assessment, a property will be deemed to be under the control of a party other than the owner of record under the following circumstances:

- a) where such party possesses a lease on the property for a term of not less than ten (10) years;
- b) where the property is held in trust or by an estate for the benefit of another party;
- c) or, where the property is owned by a corporation, a partnership, and/or comparable entity in which such party holds not less than 25 percent interest.
