- 25 with proper and lawful street uses and the use is approved; and

OFFICE OF THE CITY ATTORNEY
CHARLES PARKIN, City Attorney
333 West Ocean Boulevard, 11th Floor
Long Beach, CA 90802-4664

1 The use of the public street right-of-way is granted upon and subject to the
2 following terms and conditions:

3 1. The minimum width of the public walkway shall be ten (10) feet, or as
4 otherwise approved by the City Council pursuant to Chapter 14.14 of the Long Beach
5 Municipal Code, and any obstruction must permit at least five (5) feet of unobstructed area
6 of public walkway.

7 2. The obstruction shall abut the property and not be located in a manner
8 which interferes with the flow of pedestrian or other traffic.

9 3. The maximum height of any such obstruction shall be six (6) feet and
10 all such obstructions shall be entirely portable, except as specifically authorized by the City
11 Engineer.

12 4. This Permit may be immediately suspended for a designated time
13 period at any time in the event that, in the discretion of the City Council or City Manager,
14 such obstruction would interfere with street improvement activities, construction activities,
15 cleaning efforts or other similar activities.

16 5. The obstruction shall be kept in a good state of repair and in a safe,
17 sanitary, and attractive condition.

18 6. Such obstruction may not be located within twenty (20) feet from an
19 intersection (measured to the prolongation of the near curb of the intersecting street) or
20 within ten (10) feet from a driveway or alley (measured to the near end of the fully
21 depressed portion of an apron-type driveway or to the prolongation of the near curb of the
22 driveway) unless otherwise approved by the City Council pursuant to the considerations
23 specified in Chapter 14.14 of the Long Beach Municipal Code.

24 7. The public street right-of-way shall be used by Permittee only for the
25 obstruction described above and in the area shown on Exhibit "A".

26 8. The area in front of the entrance to the business shall not be
27 obstructed by barricades, chairs, tables or other furniture.

28 9. The Permittee shall place all obstructions, and any accessories or

1 equipment located within a dining or entertainment area, in strict accordance with Fire
2 Department and Health and Human Services Department standards and contained within
3 Chapter 14.14 of the City of Long Beach Municipal Code.

4 10. No surface improvements, included but not limited to special paving
5 surfaces, may be removed or altered by the Permittee unless approved in advance in
6 writing by the City Engineer.

7 11. The Permittee shall not allow cleaning chemicals, or other foreign
8 matter to flow into the parkway tree well, and shall otherwise protect the health of adjacent
9 street trees, and shall likewise prevent the discharge of litter, cleaning chemicals and all
10 other foreign matter to the storm drain system.

11 12. The Permittee shall protect any parkway trees in the immediate vicinity
12 of the permit area from damage due to the Permittee's cleaning or other activities on the
13 public walkway. The Permittee shall not interfere with City's access to parkway trees for
14 maintenance purposes. Any special maintenance of the parkway trees is the responsibility
15 of the Permittee and must be performed by a qualified landscape contractor acting under
16 a permit from City's Street Landscaping Division. City shall not be held financially
17 responsible for damage to Permittee's sidewalk furniture or awnings occurring in the course
18 of regular street tree maintenance.

19 13. Upon any termination of this Permit, whether by revocation or
20 otherwise, Permittee shall remove the obstructions authorized by this Permit at the sole
21 discretion of the City Engineer and shall otherwise restore the public street right-of-way to
22 a condition substantially the same as existed immediately prior to the occupancy provided
23 for by this Permit. Should Permittee fail or refuse to remove the obstructions, City may do
24 so and, in such event, the security deposit paid by Permittee shall be applied to City's
25 costs. Permittee shall reimburse City for any costs in excess of the security deposit. In
26 the event of removal by City of all or any portion of the obstructions, City shall not be liable
27 for any damage to or loss of any property of Permittee.

28 14. The following additional conditions shall apply to public walkway

1 occupancy permits for dining or entertainment areas:

2 A. Any dining or entertainment area shall be defined by placement

13 be the basis for suspension, cancellation, or non-renewal of a permit.

14 D. The Permittee shall be responsible for cleaning the public
15 walkway occupied by a dining or entertainment area.

16 15. Any permit issued within the downtown area as defined on Exhibit "B"
17 and made a part of this Permit shall comply with all of the foregoing requirements and the

2 16. Upon expiration, a new permit must be obtained on the basis of a new
3 application and payment of a new fee and any security deposit amount due. Renewal of
4 the permit is not automatic and there is no right or entitlement to any use of the public right-
5 of-way. Security deposits may be adjusted from year to year based on permit compliance
6 and enforcement cost history. This Permit shall never be construed as the grant by City of
7 any right to permanently use or occupy all or any portion of the public right-of-way; nor shall
8 it ever be construed as a waiver on the part of City, or as an estoppel against it, which
9 would in any manner whatsoever bar or limit, or otherwise prejudice, its right to at any time
10 whatsoever require a discontinuance of the use or occupancy of all or any part of the public
11 street right-of-way, the removal therefrom of all or any obstructions erected or maintained
12 under this Permit and the restoration of such public street right-of-way to a clean condition,
13 all at the sole cost and expense of Permittee.

14 17. Notices of violation of any of the terms and conditions of this permit
15 may be issued by the City of Long Beach. Within the downtown area as defined on Exhibit
16 "B", preliminary informal notices may be issued by Downtown Long Beach Associates. The
17 enforcement process is set forth on Exhibit "C", attached hereto, and made a part of this
18 permit. Notwithstanding the above, City may revoke this Permit at any time by giving thirty
19 (30) days written notice to Permittee or cancel the permit for noncompliance with its terms.
20 Such notice shall be signed by the City Manager, postage pre-paid, and addressed to
21 Permittee at its address provided above.

22 18. Permittee accepts this public right-of-way in its present condition and
23 agrees to maintain the same in a safe, clean, and orderly condition. Any and all uses made
24 of the public right-of-way shall be at the sole risk, cost, and expense of Permittee.
25 Permittee, by its acceptance of this Permit, agrees to indemnify, defend, save and keep
26 City, its officers, agents, and employees free and harmless from and against any and all
27 liability as well as from and against any and all loss, claims, demands, damages, expenses
28 and costs of whatsoever nature arising out of or in any manner resulting, directly or

1 indirectly, from Permittee's operations on or the condition, use or misuse of the public street
2 right-of-way, including liability, claims or damages to or as a result of any structures or
3 fixtures on the public street right-of-way or appurtenances to it.

4 19. In partial performance of this obligation, Permittee shall obtain and
5 keep in full force and effect such public liability insurance and property damage insurance
6 as required by the Long Beach Municipal Code.

7 20. Nothing in this Permit shall be construed to excuse compliance by
8 Permittee with any and all of the laws and ordinances of City and State; neither shall this
9 Permit be deemed to obviate the necessity of Permittee's obtaining such other permits or
10 licenses as are required to conduct specific activities within the area, including but not
11 limited to entertainment or the sale, service or consumption of alcoholic beverages.

12 21. The terms of this permit shall be enforced by the procedure set forth
13 on Exhibit "C", attached and made a part of this permit.

14 22. In case suit shall be brought for the recovery of possession of all or
15 any portion of the public right-of-way or because of the breach of any covenant contained
16 in this Permit to be kept and performed on the part of Permittee, Permittee shall pay to City
17 reasonable attorneys' fees which shall be fixed by the court.

18 23. Permittee shall not assign this Permit, or any interest in it, nor shall
19 this Permit, or any interest in it, be subject to transfer or assignment by order of any court.
20 Any such transfer or assignment shall not create any right whatsoever in the transferee or
21 assignees and shall entitle the City Manager, at his discretion, to terminate this Permit.
